Set Phasers On Stun:

Set Phasers on Stun Steven Michael Casey, 1993 **Set Phasers to Stun** Marcus Berkmann, 2016-03-24 Forty seven years after NBC killed it off Star Trek celebrates its half century in a state of rude health Boldly going where several other people have been before Marcus Berkmann tells the story of this sturdy science fiction vehicle from its first five year mission rudely curtailed to three through the dark years of the 1970s the triumphant film series and The Next Generation to the current reboot films with a younger cast taking on the characters of Kirk Spock McCoy and co With wit insight and a huge pile of DVDs he seeks to answer all the important questions Why did Kirk s shirt always get torn when he had a fist fight What s the most number of times Uhura said Hailing frequencies open sir in a single episode Seven And what s the worst imaginable insult in Klingon Your mother has a smooth forehead *Human Factors in Practice* Haydee M. Cuevas, Jonathan Velázquez, Andrew R. Dattel, 2017-09-18 Human Factors in Practice Concepts and Applications is written for the practitioner who wishes to learn about human factors HF but is more interested in application applied research than theory basic research Each chapter discusses the application of important human factors theories principles and concepts presented at a level that can be easily understood by layman readers with no prior knowledge or formal education in human factors The book illustrates to the non HF practitioner the many varied domains in which human factors has been applied as well as serving to showcase current research in these areas All chapters address the common overarching theme of applying human factors theories principles and concepts to address real world problems and follow a similar structure to ensure consistency across chapters Standard sections within each chapter include a discussion of the scientific underpinnings a description of relevant HF methods and guidance on sources of further information case studies to illustrate application and a summary of likely future trends Each chapter concludes with a short list of key terms and definitions to enhance the reader s understanding of the content Featuring specialist contributors from a variety of disciplines and cultural backgrounds the book represents a diverse range of perspectives on human factors and will appeal to a broad international audience It is consciously not a classroom textbook but rather intended to be read at the workplace by non HF practitioners and written specifically with their needs in mind Reading this book will give all practitioners a solid grounding in modern human factors and its application in real world situations **The Realization of Star Trek Technologies** Mark E. Lasbury, 2016-08-24 As Star Trek celebrates its 50th anniversary the futuristic tools of Kirk Spock Scott and McCoy continue to come to life This book merges Star Trek scientific lore how the science of the time informed the implementation of technology in the series and the science as it is playing out today Scientists and engineers have made and continue to develop replicators teleporters tractor beams and vision restoring visors This book combines the vision of 1966 science fiction with the latest research in physics biotechnology and engineering **The Last Kids on Earth and the Monster Dimension** Max Brallier, 2023-11-07 The highly anticipated ninth book in the 1 New York Times Wall Street Journal and USA Today

bestselling series with over ten million copies in print The last kids may have escaped the forbidden fortress by the skin of their teeth but there isn't much to celebrate Thrull has what he needs to complete the Tower Rezzoch will most certainly come to Earth and the world as they know it will cease to exist Except Jack's Cosmic Hand is now even more powerful than he realized and it might just be able to stop the inevitable from happening To get the answers he seeks he'll need to travel farther than he's ever been He must go to the monster dimension **Anomaly** Tonya Kuper, 2014-11-25 Reality is only an illusion Except for those who can control it Worst Birthday Ever My first boyfriend dumped me happy birthday Josie my dad is who knows where I have some weird virus that makes me want to hurl and now my ex is licking another girl's tonsils Oh and I'm officially the same age as my brother was when he died Yeah today is about as fun filled as the swamps of Dagobah But then weird things start happening Like I make something materialize just by thinking about it When hottily hot badass Reid Wentworth shows up on a motorcycle everything changes Like everything Who I am My family What really happened to my brother Existence I am Oculi and I have the ability to change reality with my thoughts Now Reid in all his hotness is charged with guiding and protecting me as I begin learning how to bend reality And he's the only thing standing between me and the secret organization that wants me dead The Schrodinger's Consortium series is best enjoyed in order Reading Order Book 1 **Anomaly** Book 2 **Enigma** *Quality and Safety in Radiotherapy* Todd Pawlicki, Peter Dunscombe, Arno J. Mundt, Pierre Scalliet, 2010-12-20 The first text to focus solely on quality and safety in radiotherapy this work encompasses not only traditional more technically oriented quality assurance activities but also general approaches of quality and safety It includes contributions from experts both inside and outside the field to present a global view The task of assuring quality

Introduction to Human Factors for Organisational Psychologists Mark W. Wiggins, 2022-05-22 This text introduces industrial and organisational psychologists to the discipline of human factors It also provides a range of tools necessary for the application of human factors strategies and techniques in practice The text is intended to respond to the growing demand for organisational psychologists to assist in the development and evaluation of initiatives that are intended to optimise the relationship between workers and the operational environments with which they engage The book Contains practical strategies and examples that are intended to guide readers Combines human factors and organisational psychological concepts in a single volume Covers context related examples that illustrate the application of human factors tools and principles Presents an integrated approach to human factors from an organisational psychological perspective The text begins by discussing the application of human factors in organisations together with notions of risk and uncertainty Frameworks for human factors are considered including error based and system safety approaches It explores the links between individual differences and human factors and it covers group processes and the impact on team performance including the role of leadership and followership The book also presents a range of tools and techniques that can be applied by organisational psychologists to acquire human factors related information and develop an understanding of the situation

or factors that may explain human behaviour **The Routledge Handbook of Star Trek** Leimar Garcia-Siino, Sabrina Mittermeier, Stefan Rabitsch, 2022-07-21 The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek its history its influence and the scholarly response to the franchise as well as possibilities for further study This volume aims to bridge the fields of science fiction and trans media studies bringing together the many ways in which Star Trek franchising fandom storytelling politics history and society have been represented Seeking to propel further scholarly engagement this Handbook offers new critical insights into the vast range of Star Trek texts narrative strategies audience responses and theoretical themes and issues This compilation includes both established and emerging scholars to foster a spirit of communal trans generational growth in the field and to present diversity to a traditional realm of science fiction studies

Xenos Rampant Daniel Mersey, Richard Cowen, 2022-11-24 Science Fiction wargame rules for large skirmishes based on the popular Rampant system Xenos Rampant is a setting agnostic large skirmish miniature wargame for fighting science fiction battles using 28mm figures Developed from the popular Lion Rampant ruleset the core mechanics featured within will be instantly recognisable to those familiar with the other Rampant systems while still being accessible to new players Xenos Rampant contains all the rules army lists and scenarios required to fight science fiction battles as well as a whole host of subgenres including post apocalyptic weird war near future So whatever your science fiction preference the rules can cover it just let your imagination run rampant *When the Uncertainty Principle Goes to 11* Philip Moriarty, 2018-07-31 There are deep and fascinating links between heavy metal and quantum physics No really While teaching at the University of Nottingham physicist Philip Moriarty noticed something odd a surprising number of his students were heavily into metal music Colleagues too a Venn diagram of physicists and metal fans would show a shocking amount of overlap What's more it turns out that heavy metal music is uniquely well suited to explaining quantum principles In *When the Uncertainty Principle Goes to Eleven* Moriarty explains the mysteries of the universe's inner workings via drum beats and feedback You'll discover how the Heisenberg uncertainty principle comes into play with every chugging guitar riff what wave interference has to do with Iron Maiden and why metalheads in mosh pits behave just like molecules in a gas If you're a metal fan trying to grasp the complexities of quantum physics a quantum physicist baffled by heavy metal or just someone who'd like to know how the fundamental science underpinning our world connects to rock music this book will take you in the words of Pantera to A New Level For those who think quantum physics is too mind bendingly complex to grasp or too focused on the invisibly small to be relevant to our full sized lives this funny fascinating book will show you that physics is all around us and it rocks

ChupaCarter and the Haunted Piñata George Lopez, Ryan Calejo, 2024-02-06 In this hilarious follow up to ChupaCarter world famous entertainer George Lopez delivers a spooky tale of mystery revenge and friendship starring 12 year old Jorge and Carter the fearsome but friendly Chupacabra Inspired by his own childhood and packed with clever illustrations George Lopez's sequel to ChupaCarter sees Jorge finally feeling at home in his new town thanks to his awesome friends Liza and

Ernie and especially Carter the chupacabra New kid Jorge is shocked to learn that his beastly friend Carter isn't the only legendary creature in Boca falls Every few years the town is terrorized by a haunted pi ata Rumor has it that the petrifying party decoration floats around setting eerie fires to avenge a long ago betrayal Jorge can't help but laugh until a rash of green fires forces the townspeople to consider moving away including the parents of his pals Ernie and Liza With Carter at their side the three friends are in a race against time to catch the real culprit before they're separated forever or the whole town is set aflame Which will come first
