Something wonderful and life changing has been happening at Michael W Smith s concerts Recently he began closing the evening with a simple prayer of blessing woven from Scripture The response has been overwhelming The emails and letters of testimony are like nothing he has ever experienced in his 25 years of ministry Far from being a magical formula for extracting wealth and possessions from God he has discovered that God s blessings are measured more by the flourishing of character in adversity than by the flourishing of stuff The amazing result of God s true blessing is overflowing joy and peace Unfortunately many are robbed of the promise of blessing because they seek to be blessed more than to bless others This beautiful work written with writer Thomas Williams will inspire readers to examine their hearts and learn to experience God s blessing as they seek to bless others thus discovering the secret to drawing near to the heart of God *My Simple Prayers* Karen Jensen Langsam,2025-02-04 In 2005 Karen and Andy moved to Florida and later began the journey of home educating their five children In 2010 by the grace of God the entire family including all the pets escaped at midnight from their burning home A few years after that life altering experience Karen became deathly ill and was misdiagnosed with stage IV Lymphoma Once the Lord healed her through faith prayer and non traditional medicine the Lord laid on her heart to write My Simple Prayers The book was written out of obedience to the Lord to share 31 of her God stories The stories are all true and inspirational showing the hand of God working miracles in the life of this modern day woman Additionally she wrote an accompanying workbook designed to teach others the lessons she learned through those amazing God stories **Short and simple prayers, for private use every morning and evening during the week** Short and simple prayers,1853 The Prayer of Jabez: Simple and Effective Pastor Francis Inofomoh,2019-02-12 The Prayer of Jabez is one of the outstanding prayers in the Bible Not only does it present to the Christian what prayer is but it is also a prayer offered by a man that was never referenced anywhere else in the Bible This prayer was presented to God in the simplest form and the result was outstanding for God granted him that which he requested This book is intended to present the simplicity with which to make our requests known to God The effectiveness of this prayer was simply because Jabez called on the Almighty God who is a covenant keeping God The principles mentioned in this book will guide and aid the readers in presenting their petitions to God It also presents a picture of what happens once God answers our prayers Liturgy Made Simple Mark Searle,1981 The presumed mystery of liturgical functions is swept away as Searle gives basic practical steps leading to an effective liturgy **Prayers from the Heart, Prayers from the Mind** Karren M. Welcome to a Beautiful, Simple Miracle: Couple Prayer, Bob, 2019-10-28 Bob and Kathy Ovies have been in ministry together for more than fifty years Bob as clergy and Kathy as youth minister But it was in 1967 as they struggled to recover from the sudden death of their three month old son that they were first able to trust each other with their deepest prayers of needs and thanksgivings a trust which not only blessed them at that time but is blessing thousands of married or engaged couples today in eleven different countries through the Couple Prayer Series which they developed and now make available through the pages of this book and the book's related website www.coupleprayer.com If you wish that you and your spouse could share prayers more safely lovingly and often this proven support experience is for you Read it in these pages Pray with it in this book Find out for yourselves easily and quickly why sharing couple prayer together every day even in its simplest forms is a welcome in which is so powerful that one young wife wrote to tell us this about her and her husband's newly found couple prayer experiences We had never realized how powerful sharing couple prayer could be in a marriage she wrote But this is life changing This is actually life changing Our prayers together have changed our lives **The Power of Simple Prayer** Joyce Meyer, 2007-04-03 Prayer transforms lives every day But for those who pray how many truly understand its power In her straightforward and profound style beloved by millions worldwide Joyce Meyer reveals the incredible force that comes through the simple act of prayer By explaining the keys to unanswered prayers the hindrances to prayer's effectiveness and the Bible's role in prayer Joyce gives readers a new perspective on how best to communicate with God She reveals that through prayerful conversation comes the ability to be successful in life strong at heart and sincere with others Simple prayer powerful results **Blessing the World** Derek A. Rivard, 2009 Blessings were an integral and vital element of medieval Christian life and worship Benedictions for homes and workplaces the knight and the pilgrim the city under siege and the fetus in the womb are but a small sample of the multitudinous and fascinating extra sacramental blessings that fill the leaves of the liturgical books of the medieval Latin Church While commonly acknowledged as a crucial element in the life of medieval people the meaning and importance of these blessings for their authors and audiences have been frequently overlooked by liturgical and historical scholarship which has focused instead on the textual transmission and long term changes in the blessings and the rituals surrounding them This present work corrects this omission by examining these blessings with modern eyes and a new methodology In *Blessing the World* Derek A Rivard studies liturgical blessing and its role in the religious life of Christians during the central and later Middle Ages with a particular focus on the blessings of the Franco-Roman liturgical tradition from the tenth to late thirteenth centuries Through a careful and extensive study of more than ninety such blessings many of them translated for the first time and accessible to a readership beyond specialists in medieval liturgy the author argues that medieval blessings were composed as a direct response to the needs anxieties beliefs and fears of the laity and therefore these texts represent a rich and largely untapped source for the study of lay piety and of

ritual in medieval Europe Effectively drawing upon anthropology ritual studies the phenomenology of religion and traditional textual study Rivard explores the rich themes of medieval piety that flow throughout the blessings in order to produce a new understanding of the blessing as an attempt to tap the power of the sacred for use in daily life Benedictions for spaces places persons items and events are each studied in turn to produce this new understanding of these blessings and in the process these petitions and rituals reveal much about larger issues of medieval people s cosmology their perceived role in their cosmos their conceptions of God and their connections to the divine and to the spiritual powers of God s creation ABOUT THE AUTHOR Derek A Rivard is associate professor of history at Cottey College PRAISE FOR THE BOOK *Blessing the World* analyzes the texts of dozens of these blessings in order to explore how medieval Christians conceived of God and their own place within sacred history This textual focus is the book s strength and the author provides English translations of blessings from the tenth to the sixteenth centuries including the original Latin in footnotes thereby making available to readers a rich source of these materials Kathleen Kamerick *The Medieval Review* Rivard s study of medieval blessing rituals sheds helpful light on the ways that medieval churchmen and their flocks viewed their relationship to God to nature and to their society James A Brundage *Church History* *Hungarian Protestantism* Imre Révész, 1927 *Momentum* Bill Johnson, Eric Johnson, 2011-10-01 It is the heart of God for Revivals and Movements to continue from generation to generation *Momentum* confronts some of the issues that have hindered personal and corporate Revivals from continuing The authors share their own perspectives and experiences that they have seen in their own lives on this topic Every believer has access to live in a momentum that was initiated from the beginning of time So let s embrace our inheritance and step into the momentum of the Kingdom *They Cried to the Lord* Patrick D. Miller, 1994 Both compellingly and clearly Patrick D Miller introduces biblical prayer in all its varied forms and from different angles the prayers of Israel s neighbors the names of God in prayer prayers for help the response of God praise the prayers of women confession and penitence prayers for others blessing and curse and Jesus and Paul at prayer The perspective throughout is that of faith and its relation to prayer and theology The result is a book of importance for church members students scholars and others
