The Counterfeit Coin Christopher Goetz, 2023-05-12 The Counterfeit Coin argues that games and related entertainment media have become almost inseparable from fantasy In turn these media are making fantasy itself visible in new ways Though apparently asocial and egocentric an internal mental image expressing the fulfillment of some wish fantasy has become a key term in social contestations of the emerging medium At issue is whose fantasies are catered to who feels powerful and gets their way and who is left out This book seeks to undo the monolith of commercial gaming by locating multiplicity and difference within fantasy itself It introduces and tracks three broad fantasy traditions that dynamically connect apparently distinct strata of a game story and play that join games to other media and that encircle players in pleasurable loops as they follow these connections

Legion Phil Nix,2024-03-05 Marine Sgt Mike Shaffer stood alone on the battlefield looking up at the beast from hell He would need every bit of wisdom and courage he possessed to withstand this satanic challenge to his faith Yet instead of cowering in fear Mike stood his ground with a conviction that exemplified his Christian character The source of his confidence was the one who stood behind him the Advocate It was his job to defend Mike against Legion s condemning accusations Legion could have used any appearance he wanted to deceive Mike the snake that seduced Eve one of the superhuman demoniacs of biblical times or the angel of light that tempted Christ God had granted Satan one chance to break Mike s spirit and it had to be done on the eve of a battle long since lost to history So the old shape shifter chose his most intimidating form tall dark and masculine His naked and genderless body spoke of power beyond human understanding With eyes of steel the Advocate

stared at Satan's most feared henchman his jaw fixed ready to litigate Mike's case before God. However his Defender knew that any physical interference in this inquisition was limited to protecting Mike's body. The Paraclete had sealed Mike's soul for the resurrection so this testing was to question Mike's spiritual integrity: was he worthy of God's grace and his kingdom? Although Mike would be given a place of honor in the throne room of heaven for his victory over Satan's dark force of doom, this story doesn't end there. **Computer Gaming World** ,1997
