The Palgrave Encyclopedia of Victorian Women's Writing Lesa Scholl, Emily Morris, 2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty-first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement

Women's Studies Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women's studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women's studies is a must purchase for academic libraries that support women's studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women's studies in the last decades of the 20th century The

result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999. Intended as a reference and collection development tool, this bibliography provides a guide for women's studies information for each title along with a detailed, often evaluative review. The annotations summarize each work's content, its importance or contribution to women's studies, and its relationship to other titles on the subject. Most reviews cite and describe similar and contrasting titles, substantially extending the coverage. Core titles and titles that are out of print are noted, and reviews indicate which titles are appropriate as texts or supplemental texts. Taking up where the previous volume by Loeb Searing and Stineman left off, this is the definitive guide to the literature of women's studies. It is a must purchase for academic libraries that support women's studies programs and a welcome addition to any academic or public library that endeavors to represent the field.

Black South African Women Kathy A. Perkins, 1999. In this, the first anthology to focus exclusively on the lives of black South African women, the work of both emerging playwrights and national and international award winners are represented.

Ovid and His Love Poetry Rebecca Armstrong, 2015-03-02. Ovid devoted about half of his poetic career to the production of several collections of amatory verse, all composed in elegiac couplets. Indeed, his irrepressible interest in love, sex, and elegiac poetry is one of the defining features of his entire output. Here Rebecca Armstrong offers a thematic examination of some important aspects of the *Amores*, *Ars Amatoria*, and *Remedia Amoris*. Starting from an investigation of the narrator's self-creation and presentation of other characters within his amatory verse, she assesses the importance of mythical and contemporary reference, as well as the influence of the erotic on Ovid's later works. By looking at the *Ars* and *Remedia* alongside the *Amores*, the continuities and contradictions in the poet's elegiac outlook are revealed, and a complex picture is formed of the Ovidian world of love. Ovid's erotic works present the reader with a glimpse inside the minds of both poets and lovers, mediated through eyes which are frequently inclined to comedy and even cynicism, but always sharp, perceptive, and above all, fascinated by human behaviour.
