Major British Poets of the Romantic Period William Webster Heath, 1973 Each chapter contains biography and timeline of the writer's life and divides works into poetry and prose **The Columbia Granger's Guide to Poetry Anthologies** William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology , *Romantic Period Writings, 1798-1832* Ian Haywood, 1998 Romantic Period Writings 1798 1832 provides a valuable insight into the condition of Britain in the early part of the nineteenth century It includes original documents from a range of disciplines and discourses Each section includes a scholarly introduction select bibliography and annotations Among the material assembled in the anthology are writings by previously neglected or under represented women working class men black radicals and conservative and evangelical polemicists as well as several unfamiliar texts by canonical writers The writings are organised into sections on Radical Journalism Political Economy Atheism Nation and State Race and Empire Gender Literary Institutions **Race, Slavery and Abolitionism in the Romantic Period - William Blake's 'Little Black Boy'** Uli Dürr, 2012 Seminar paper from the year 2011 in the subject English Language and Literature Studies Literature grade 1.0 University of Würzburg language English abstract This term paper deals with the institution of slavery and the process of its abolition and takes a look at the different reactions in Romantic literature First of all an overview over the historical background will be given showing the economic importance of the slave trade at the end of the 18th century as well as giving an outline of the contemporary major race theories that were underlying its justification The movement for the abolition of slavery will be introduced as well as some of their representatives like Thomas Clarkson or William Cowper Subsequently the main part of the paper will deal with William Blake and his poem Little Black Boy The piece will be taken as an example for 18th century abolitionist literature and will be analysed with the help of secondary literature by Hazard Adams D. G. Gillham David Erdman and Lauren Henry A special focus will be on the poem's religious theme The term paper will end with a conclusion summarizing the interpretations of the before mentioned literary scientists and evaluating the significance of the paper's findings [The Collected Poems of Miriam Waddington](#) Miriam Waddington, 2014-05-08 This anthology brings together for the first time the complete published works of Jewish Canadian poet Miriam Waddington and features a rare selection of previously unpublished poems

Encyclopedia of the Romantic Era, 1760-1850 Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism *The 'Invisible Hand' and British Fiction, 1818-1860* E. Courtemanche, 2011-04-12 The invisible hand

Adam Smith's metaphor for the morality of capitalism is explored in this text as being far more subtle and intricate than is usually understood with many British realist fiction writers Austen Dickens Gaskell Eliot having absorbed his model of ironic causality in complex societies and turned it to their own purposes **William Blake as Natural Philosopher, 1788-1795** Joseph Fletcher, 2021-12-07 William Blake as Natural Philosopher 1788 1795 takes seriously William Blake's wish to be read as a natural philosopher particularly in his early illuminated works and reveals the way that poetry and visual art were for Blake an imaginative way of philosophizing Blake's poetry and designs reveal a consistent preoccupation with eighteenth century natural philosophical debates concerning the properties of the physical world the nature of the soul and God's relationship to the material universe This book traces the history of these debates and examines images and ideas in Blake's illuminated books that mark the development of the monist pantheism which contends that every material thing is in its essence God to the idealism of his later period which casts the natural world as degenerate and illusory The book argues that Blake's philosophical thought was not as monolithic as has been previously characterized and that pantheism is important to understanding his early works because it entails an ethics that respects the interconnected divinity of all material objects not just humans which in turn spurns hierarchical power structures [Catalog of Copyright Entries. Van Anglen, 2018-10-31 Examines the role that cinema played in imagining Hong Kong and Taiwan's place in the world *Bod XXIII* Don Reiman, Bruce Barker-Benfield, Tatsuo Tokoo, 2013-06-17 Garland's magnificent facsimile series of the manuscripts of Percy Bysshe Shelley and Mary Wollstonecraft Shelley in the Bodleian Library Oxford The Bodleian Shelley Manuscripts 22 volumes 1986 1997 is now made complete by the publication of its Index volume Volume XXIII provides the key to the contents of the Shelleyan notebooks and papers in all their complexity poems prose translations fragments calculations drawing and doodles addresses and other miscellaneous jottings The accumulated findings provide a treasure trove of information about the Shelley's lives their writings and readings and echoes of classical and later authors the people they met corresponded with rented houses from or saw perform the towns they visited the very houses in which they lived the lakes and rivers they sailed and the mountains they climbed The intellectual and physical data of these manuscripts will help open new vistas for students of their lives thought and creative writing **Romantic Women Poets, 1770-1838** Andrew Ashfield, 1995 Although overshadowed by their male contemporaries Wordsworth Coleridge Keats Shelley and Byron the women Romantic poets of the late 18th and early 19th centuries made a significant contribution to Romanticism Nearly 40 poets are represented in this collection including Elizabeth Barrett and Anna Seward providing a comprehensive picture of female poetic activity from the earliest development of Romanticism to the advent of the Victorian era The volume includes textual and thematic notes *Romanticism in National Context* Roy Porter, Mikulas Teich, 1988-05-27 Special emphasis is placed on the interplay between Romantic culture and social political and economic change in this study of the course of

Romanticism in various European countries **Catalogue** United States Naval Academy,1974 Annapolis, the United States Naval Academy Catalog United States Naval Academy,1973 **Poetics of Place** Dermot McCarthy,1991 Ralph Gustafson's personal growth as a poet during a career which spans more than half a century in many ways reflects the development of modern Canadian poetry as a whole A Poetics of Place provides the only available examination of the career of this pre eminent Canadian poet as well as insightful new readings of almost all his poems **Brown Romantics** Manu Samriti Chander,2017-06-23 Brown Romantics Poetry and Nationalism in the Global Nineteenth Century proceeds from the conviction that it is high time for the academy in general and scholars of European Romanticism to acknowledge the extensive international impact of Romantic poetry Chander demonstrates the importance of Romantic notions of authorship to such poets as Henry Derozio India Egbert Martin Guyana and Henry Lawson Australia using the work of these poets each prominent in the national cultural of his own country to explain the crucial role that the Romantic myth of the poet qua legislator plays in the development of nationalist movements across the globe The first study of its kind Brown Romantics examines how each of these authors develop poetic means of negotiating such key issues as colonialism immigration race and ethnicity *Chopin* John Rink,2020-07-26 This anthology brings together representative examples of the most significant and engaging scholarly writing on Chopin by a wide range of authors The essays selected for the volume portray a rounded picture of Chopin as composer pianist and teacher of his music and of his overall achievement and legacy Historical perspectives are offered on Chopin's biography as cultural discourse on the evolution and origins of his style and on the contexts of given works A fascinating contemporary overview of Chopin's oeuvre is also provided Seven source studies assess the status and role of Chopin's notational practices as well as some enigmatic sketch material Essays in the field of performance studies scrutinise the cultural work carried out by Chopin's performances and discuss his playing style along with that of his contemporaries and students This paves the way for a body of essays on analysis aesthetics and reception considering aspects of genre and including an overview of analytical approaches to select works The remaining essays address Chopin's handling of form rhythm and other musical elements as well as the meaning of his music The collection as a whole underscores one of the most important aspects of Chopin's legacy namely the paradoxical manner in which he drew from the past in particular certain eighteenth century traditions while stretching inherited conventions and practices to such an extent that a highly original music of the future was heralded **Against the Machine** Nicols Fox,2013-04-15 From the cars we drive to the instant messages we receive from debate about genetically modified foods to astonishing strides in cloning robotics and nanotechnology it would be hard to deny technology's powerful grip on our lives To stop and ask whether this digitized implanted reality is quite what we had in mind when we opted for progress or to ask if we might not be creating more problems than we solve is likely to peg us as hopelessly backward or suspiciously eccentric Yet not only questioning but challenging technology turns out to have a long and noble history In this timely and incisive work Nicols Fox

examines contemporary resistance to technology and places it in a surprising historical context She brilliantly illuminates the rich but oftentimes unrecognized literary and philosophical tradition that has existed for nearly two centuries since the first Luddites the machine breaking followers of the mythical Ned Ludd lifted their sledgehammers in protest against the Industrial Revolution Tracing that current of thought through some of the great minds of the 19th and 20th centuries William Blake Mary Shelley Charles Dickens John Ruskin William Morris Henry David Thoreau Ralph Waldo Emerson Robert Graves Aldo Leopold Rachel Carson and many others Fox demonstrates that modern protests against consumptive lifestyles and misgivings about the relentless march of mechanization are part of a fascinating hidden history She shows as well that the Luddite tradition can yield important insights into how we might reshape both technology and modern life so that human community and environmental values take precedence over the demands of the machine In *Against the Machine* Nicols Fox writes with compelling immediacy bringing a new dimension and depth to the debate over what technology means both now and for our future
