How to Make a Million Dollars an Hour Les Leopold,2012-12-18 How hedge funds make money by taking it from the rest of us and how you can join them Top hedge fund managers make more than Oprah Rupert Murdoch and A Rod combined but they aren't running news and entertainment empires or playing baseball for the New York Yankees Aren't you curious about how these hedge fund dudes make so much doing what you know? You may even wonder if you can get there too After all this is America This book gives you the answers in a twelve step guide to accumulating vast riches the way hedge fund managers do by playing trillion dollar poker with a marked deck Through each easy step you'll learn the sleight of hand and disregard for basic morality you'll need to move from making tens of dollars an hour to millions an hour Along the way you'll also question whether these hedge fund moguls make markets work better as they and their apologists insist or cause instability siphon off capital and destroy value without adding so much as a single widget to the economy Takes a fascinating tour of the wild side of fantasy finance to explain just how hedge fund managers make so much money and whether or not the million an hour crowd produces anything positive for society and the economy Teaches you hedge fund secrets that make it possible to pull down astounding sums in the space of minutes from rigging your bets to milking millions in special tax breaks if you're willing to bankrupt your morality for the cash Counters many of the most common arguments about why speculating in financial markets is somehow worth more than creating entertainment electronics or consumer goods that consumers want Written by Les Leopold the popular AlterNet writer and author of *The Looting of America* **How to Make 10**
