Making A Scene:

Making a Scene Bill Gelber, 2024-11-07 Based on the author's decades of teaching pedagogical and theatrical research and his professional experience as actor and director *Making a Scene Creating a Scene Study Class for Actors* offers a pedagogical approach to rehearsal scenes as a primary tool for diagnosis and actor improvement This volume carefully lays out the case for thinking deeply and critically about the nature of every facet of an acting class the environment of the classroom the choice of material for performing diagnostic tools for responding to scene sessions and means for engaging all students This study includes suggestions for a teacher's philosophy towards the work a justification for implementing games improvisations and etudes suggestions for resources for exercises both basic and complex and a brief discussion on approaches to period styles material and connecting it to contemporary student life and issues Addressed to both the beginning theatre teacher and the seasoned educator this will be an essential book for anyone seeking to update their work with performers in private studios high school settings or in higher education **Making the Scene in the Garden State** Dewar MacLeod, 2020-03-13 *Making the Scene in the Garden State* explores New Jersey's rich musical heritage through stories about the musicians listeners and fans who came together to create sounds from across the American popular music spectrum The book includes chapters on the beginnings of musical recording in Thomas Edison's factories in West Orange early recording and the invention of the Victrola at Victor Records Camden complex Rudy Van Gelder's recording studios for Blue Note Prestige and other jazz labels in Hackensack and Englewood Cliffs Zacherley and the afterschool dance television show Disc o Teen broadcast from Newark in the 1960s Bruce Springsteen's early years on the Jersey Shore at the Upstage Club in Asbury Park and the 1980s indie rock scene centered at Maxwell's in Hoboken Concluding with a foray into the thriving local music scenes of today the book examines the sounds sights and textures of the locales where New Jerseyans have gathered to rock bop and boogie **Bas Jan Ader** Jan Verwoert, 2006-05-26 An illustrated investigation into the critical motives behind the last unfinished work that has defined the romantic legacy of conceptual artist Bas Jan Ader In 1975 Bas Jan Ader disappeared at sea while trying to sail from the East Coast of the United States to Europe as part of a project titled *In Search of the Miraculous* Ader's considerable influence on later conceptual artists stems from the way in which he used the cool analytic and antisubjective aesthetics of conceptual art to explore experiences that would seem definitively subjective the emotional intensity of tragedy and the romantic quest for the sublime *In Search of the Miraculous* was conceived as a three part project a lonely nighttime walk from the hills of Los Angeles down to the sea documented in photographs the Atlantic crossing a night walk through Amsterdam mirroring the LA photographs The circumstances of his disappearance have led many interpreters to identify Ader as a person with the role of the tragic romantic hero The cult status of the artist as a hero whose work is authenticated through his death however has obscured the fact that Ader's art was a critical investigation of precisely those romantic motives his persona has now come to be identified with This book

unpicks these ties in Ader's work in order to highlight the specific and unique way in which Ader explores the existential and emotional with an artistic approach that is as conceptual and analytic as it is poetic and personal Afterall Books are distributed by The MIT Press

Noël Coward Russell Jackson, 2022-04-21 This is the first book length work to draw extensively on

unpublished archive material to document the composition and reception of some of Noel Coward's most significant plays. It examines his working practices as a playwright from manuscript to performance. This study argues that while he did not embrace any of the more radical theatricalisms of his time, Coward experimented with both form and content. He adapted the familiar well-made formulas while also emphasizing theatrical self-consciousness and an exploration of radical social and sexual relationships. After an overview of Coward's career and the reception of his plays, the work discusses selected texts from successive phases of Coward's career, including some unproduced or uncompleted work and perennially popular plays such as *The Vortex*, *Hay Fever*, *Private Lives*, *Design for Living*, *Blithe Spirit*, and *Present Laughter*. This study also explores how, in the aftermaths of two world wars, as major changes in social and political circumstances suggested new approaches to dramaturgy, Coward's post-1945 work failed to achieve the same success he had enjoyed in earlier periods. The final chapter examines Coward's approach to his craft in response to the new theatrical and cultural environment and the new freedom in the treatment of homosexuality represented by *Suite in Three Keys* and his final uncompleted play *Age Cannot Withstand*.
