## **Making Out In Indonesian:**

Making Out in Indonesian Peter Constantine, 2011-12-20 Making Out in Indonesian is a fun accessible and thorough Indonesian phrasebook and guide to the Indonesian language as it is really spoken. Kamu sangat menarik. Bisa kita ketemu lagi. You're very attractive. Shall we meet again. Answer this correctly in Indonesian and you may be going on a hot date. Incorrectly and you could be hurting someone's feelings or getting a slap. Indonesian classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios but chances are while in Indonesia you will spend a lot more time trying to make new friends or start new romances something you may not be prepared for. If you are a student, businessman or tourist traveling to Indonesia and would like to have an authentic and meaningful experience the key is being able to speak like a local. This friendly and easy to use Indonesian phrasebook makes this possible. Making Out in Indonesian has been carefully designed to act as a guide to modern colloquial Indonesian for use in everyday informal interactions giving access to the sort of catchy Indonesian expressions that aren't covered in traditional language materials. Each expression is written in Indonesian so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. This Indonesian phrase book includes: A guide to pronouncing Indonesian words correctly. Explanations of basic Indonesian grammar. Complete Indonesian translations. Useful and interesting notes on Indonesian language and culture. Lots of colorful fun and useful expressions not covered in other phrasebooks. Titles in this unique series of bestselling phrase books include: Making Out in Chinese. Making Out in Indonesian. Making Out in Thai. Making Out in Korean. Making Out in Hindi. Making Out in Japanese. Making Out in Vietnamese. Making Out in Burmese. Making Out in Tagalog. Making Out in Hindi. Making Out in Arabic. Making Out in English. More Making Out in Korean and More Making Out in Japanese.

Jakarta slang and informal phrases not found in traditional Indonesian language materials. In addition to being an easy to use Indonesian phrasebook it also includes an introduction to the Indonesian language pronunciation guide, topical notes on critical points of language and culture and chapters based on typical real life encounters with speakers of Indonesian including: Making acquaintances. Discussing likes and dislikes. Sharing a meal. Going out on the town. Developing a romantic relationship even through to having sex getting married and splitting up. Whether you're planning to study abroad in Indonesia or are just looking for an authentic travel experience this fun resource will turn you into a local in no time.

**Making Out in Indonesian** Peter Constantine, 1994-01-01 This book is what it claims to be a guide to the way Indonesian is really spoken. It includes a brief grammar and pronunciation section at the beginning and tells how people

really speak in the country      *Welcome to Indonesian* Stuart Robson, 2012-01-31 This is a concise and user friendly introduction to the Indonesian language This concise book aims to introduce the reader to the Indonesian language not by creating a course with grammar and exercises but by describing it from various points of view such as telling what it is related to and how it has developed and on this basis saying where some of its words originate as a means of familiarization with some common examples After that the description moves on to talk about the kinds of words one would expect to meet and how they can be put together as sentences before providing a few examples of journalistic prose as well as some more literary specimens in order to give a feeling for the language *Welcome to Indonesian* includes Chapter 1 What is Indonesian Chapter 2 Bahasa Indonesia as the National Language Chapter 3 A Historical Overview Chapter 4 The Development of Modern Indonesian Chapter 5 Indonesian and Malaysian Chapter 6 The colloquial Dimension Influence of Dialek Jakarta Chapter 7 What is Indonesian Related to Chapter 9 Loanwords in Indonesian Chapter 10 The Indonesian Word Chapter 11 The Indonesian Sentence Chapter 12 Journalistic Prose Chapter 13 A Literary Dimension Suggestions for Further Reading Glossary of Indonesian Words      *A Comprehensive Indonesian-English Dictionary* Alan M. Stevens, A. Ed Schmidgall Tellings, 2004 An Indonesian English Dictionary      *Breaking the Chains of Oppression of the Indonesian People* Heri Akhmadi, 2009-12 From its establishment in 1954 part of the mandate of Cornell's Modern Indonesia Project has been the translation and publication in English of important documents that would otherwise have been unavailable to many of those interested in Indonesia's social and political history These have included the writings of Hatta A K Pringgodigdo Simatupang Sjahrir Sudjatmoko Sukarno Supomo Widjojo and Wilopo Also included in this coverage of the Translation Series have been documents unavailable even in the original Dutch or Indonesian such as the long suppressed report by the Netherlands East Indies Government's Coolie Budget Commission Living Conditions of Plantation Workers and Peasants on Java which we published twenty five years ago The translation here presented of Heri Akhmadi's defense statement at his trial is of a similar genre for despite its intrinsic significance and its relevance to an appreciation of how the leaders of a new generation of educated Indonesians view their country's government and its major social economic and political problems it too has been suppressed To prevent this important insight into the current Indonesian situation becoming buried and unavailable we are pleased to help provide for the dissemination it deserves I would predict that a quarter of a century from now Heri Akhmadi's statement may well be regarded as having at least as much importance to understanding present day Indonesia as the Coolie Budget Commission report had for an earlier period in the country's history Heri Akhmadi was elected by the student body of the Bandung Institute of Technology one of the most prestigious institutions of higher learning in the country as Chairman of their Student Council and their principal representative Since his views are close to those of the elected student leaders from more than two dozen other universities and colleges who were arrested at the same time his statement can be regarded as representative of the ideas of the intellectual vanguard of the contemporary generation of Indonesian students which despite

ongoing efforts to suppress them are likely to have a significant effect on their country's history. Heri Akhmadi and these other student leaders were arrested and jailed in 1978 following widespread student protest at Suharto's unopposed election for another term as President. As a consequence they were charged with having insulted the head of state and it is because of the nature of this charge that Heri Akhmadi's defense statement takes the form it does. What the government considers as an insult to the head of state is what the students see as valid criticism of its policies. It is to these criticisms that Heri Akhmadi addresses his defense statement that we have here published. George McT Kahin, January 1981. *The Contractor* Mark Abernethy, 2017-07-25. Schieffelin, 2007-09-27 The Pacific is historically an area of enormous linguistic diversity where talk figures as a central component of social life Pacific communities also represent diverse contact zones where between indigenous and introduced institutions and ideas between local actors and outsiders and involving different lingua franca colonial and local language varieties Contact between colonial and post colonial governments religious institutions and indigenous communities has spurred profound social change irrevocably transforming linguistic ideologies and practices Drawing on ethnographic and linguistic analyses this edited volume examines situations of intertwined linguistic and cultural change unfolding in specific Pacific locations in the late twentieth and early twenty first centuries Its overarching concern is with the multiple ways that processes of historical change have shaped and been shaped by linguistic ideologies reflexive sensibilities about languages and language use held by Pacific peoples and other agents of change The essays demonstrate that language and linguistic practices are linked to changing consciousness of self and community through notions of agency morality affect authority and authenticity In times of cultural contact communities often experience language change at an accelerated rate This is particularly so in small scale communities where innovations and continuity routinely depend on the imagination creativity and charisma of fewer individuals The essays in this volume provide evidence of this potential and a record of their voices as they document new types of local actors e g pastors Bible translators teachers political activists spirit mediums and tour guides some of whom introduce innovate legitimate or resist new ideas and ways to express them through language Drawing on and transforming metalinguistic concepts local actors re shape language reproducing and changing the communicative economy In the process they cultivate new cultural conceptions of language for example as a medium for communicating religious knowledge and political authority and for constructing social boundaries and transforming relationships of domination      *Crime and Punishment in Indonesia* Tim Lindsey, Helen Pausacker, 2020-12-14 Indonesia s criminal law system faces major challenges Despite the country s transition to democracy both the Criminal Code and the Criminal Procedure Code are badly out of date the former only superficially changed since colonial times and the latter remaining as it was under Soeharto s authoritarian New Order regime Law enforcement officers and judges are widely seen as corrupt or incompetent and new laws including new Islamic laws passed at the regional level often contradict the Criminal Code and national statutes including human rights laws This book based on extensive original research by leading

scholars in the field provides an overall assessment of the state of criminal law law enforcement and penal policy in Indonesia considers in depth a wide range of specific areas of criminal law and discusses recent efforts at reform and their prospects for success

Christianities in Asia Peter C. Phan, 2011-01-21 Christianity in Asia explores the history development and current state of Christianity across the world's largest and most populous continent Offers detailed coverage of the growth of Christianity within South Asia among the thousands of islands comprising Southeast Asia and across countries whose Christian origins were historically linked including Vietnam Thailand China Hong Kong Taiwan Japan and Korea Brings together a truly international team of contributors many of whom are natives of the countries they are writing about Considers the Middle Eastern countries whose Christian roots are deepest yet have turbulent histories and uncertain futures Explores the ways in which Christians in Asian countries have received and transformed Christianity into their local or indigenous religion Shows Christianity to be a vibrant contemporary movement in many Asian countries despite its comparatively minority status in these regions
