Making Good Choices Developing Responsibility Gr 4 9:

Discipline with Dignity, 4th Edition Richard L. Curwin, Allen N. Mendler, Brian D. Mendler, 2018-04-16 In this revised and updated 4th edition *Discipline with Dignity* provides in depth guidance for implementing a proven approach to classroom management that can help students make better choices and teachers be more effective. Emphasizing the importance of mutual respect and self control the authors offer specific strategies and techniques for building strong relationships with disruptive students and countering the toxic social circumstances that affect many of them including dysfunctional families gangs and poverty. Educators at all levels can learn The difference between formal and informal discipline systems and when to use each The role of values rules and consequences How to address the underlying causes of discipline problems that occur both in and out of school What teachers can do to defuse or prevent classroom disruptions and disrespectful behavior without removing students from the classroom Why traditional approaches such as threats punishments and rewards are ineffective and what to do instead How to use relevance teacher enthusiasm choice and other elements of curriculum and instruction to motivate students How to reduce both teacher and student stress that can trigger power struggles With dozens of specific examples of student teacher interactions *Discipline with Dignity* illustrates what you can do and not do to make the classroom a place where students learn and teachers maintain control in a nonconfrontational way The goal is success for all in schools that thrive

Resources in Education, 2001 *Developing and Managing Your School Guidance and Counseling Program* Norman C. Gysbers, Patricia Henderson, 2014-11-21 The fifth edition of this bestseller expands and extends Gysbers and Henderson's acclaimed five phase model of planning designing implementing evaluating and enhancing Pre K 12 guidance and counseling programs This enduring influential textbook has been fully updated to reflect current theory and practice including knowledge gained through various state and local adaptations of the model since publication of the last edition Exciting additions to this new edition are increased attention to diversity and the range of issues that students present counselor accountability and the roles and responsibilities of district and building level guidance and counseling leaders in an increasingly complex educational environment An abundant array of examples sample forms job descriptions evaluation surveys flyers letters and procedures used by various states and school districts clearly illustrate each step of program development At the end of each chapter a new feature called Your Progress Check functions as a tracking tool for growth at each stage of the change process Requests for digital versions from ACA can be found on www.wiley.com To purchase print copies please visit the ACA website Reproduction requests for material from books published by ACA should be directed to publications@counseling.org
