Making Life Choices Health Skills Concepts:

Making Life ChoicesSizer,Whitney,1996 This book was written for you the high school health student to meet your needs for knowledge about health A new day has dawned in health education because science has revealed that personal choices exert powerful influences on health and illness and even on life and death You are a member of the first generation in history to face so many choices of such lasting impact on your health You are also among the first to be privileged with access to sound health information with which to make those choices Introduction Leadership Education and Training (LET) 1

,2001 **Making Life Choices** Sizer,Whitney,Debruyne,1995-01-01 Risky Lessons Jessica Fields,2008-06-03 Curricula in U S public schools are often the focus of heated debate and few subjects spark more controversy than sex education While conservatives argue that sexual abstinence should be the only message liberals counter that an approach that provides comprehensive instruction and helps young people avoid sexually transmitted diseases and pregnancy is necessary Caught in the middle are the students and teachers whose everyday experiences of sex education are seldom as clear cut as either side of the debate suggests Risky Lessons brings readers inside three North Carolina middle schools to show how students and teachers support and subvert the official curriculum through their questions choices viewpoints and reactions Most important the book highlights how sex education s formal and informal lessons reflect and reinforce gender race and class inequalities Ultimately critical of both conservative and liberal approaches Fields argues for curricula that promote social and sexual justice Sex education s aim need not be limited to reducing the risk of adolescent pregnancies disease and sexual activity Rather its lessons should help young people to recognize and contend with sexual desires power and inequalities
