Ministers and Masters Charity R. Carney, 2011-11-21 In Ministers and Masters Charity R Carney presents a thorough account of the way in which Methodist preachers constructed their own concept of masculinity within and at times in defiance of the constraints of southern honor culture of the early nineteenth century By focusing on this unique subgroup of southern men the book explores often debated concepts like southern honor and patriarchy in a new way Carney analyzes Methodist preachers both involved with and separate from mainstream southern society and notes whether they served as itinerants venturing into rural towns or remained in city churches to witness to an urban population Either way they looked

spoke and acted like outsiders refusing to drink swear dance duel or even dress like other white southern men Creating a separate space in which to minister to southern men women and children oftentimes converting a dancehall floor into a pulpit they raised the ire of non Methodists around them Carney shows how understanding these distinct and often defiant stances provides an invaluable window into antebellum society and also the variety of masculinity standards within that culture In *Ministers and Masters* Carney uses ministers stories to elucidate notions of secular sinfulness and heroic Methodist leadership explores contradictory ideas of spiritual equality and racial hierarchy and builds a complex narrative that shows how numerous ministers both rejected and adopted concepts of southern mastery Torn between convention and conviction Methodist preachers created one of the many Souths that existed in the nineteenth century and added another dimension to the well documented culture of antebellum society **The Pastor's Wife Today** Donna Sinclair, 1981

Two Early Modern Marriage Sermons Robert Matz, 2016-10-04 This critical edition of two early modern marriage sermons provides an important resource for students and scholars of early modern literature and history allowing them to experience firsthand the competing and historically layered ideas about marriage that circulated in the wake of the English Reformation Read in their entirety these sermons by turns engaging and infuriating resist easy characterization The edition includes an extended critical introduction to the sermons In the introduction Robert Matz offers evidence for a view of post Reformation marriage advice that neither overstates nor minimizes historical change He shows that if some earlier scholars exaggerated the break between Protestant and earlier ideas of marriage so the criticism of this view has sometimes exaggerated the continuities especially with regard to writing about marriage The introduction also provides biblical

theological political and discursive contexts for the sermons including the place of the sermon in English early modern print culture biographies of each of the sermon s authors and an account of the textual differences among the editions of each sermon The texts follow the spelling and punctuation of the originals Annotations are provided to identify references gloss words with unfamiliar or altered meanings clarify difficult syntax and mark variations between editions

Am I Good For Nothing? Dag Heward-Mills,2022-04-20 Anyone who does not use his God given talents for the kingdom is the image of salt that has lost its savour Unfruitful servants are good examples of salt that has lost its savour Jesus said an unprofitable servant is good for nothing It is important that salt makes its presence felt There may be salt in your food but it must be enough if it is to have any effect You are the salt of the earth so you must make your presence felt in this earth Are you good for nothing in the kingdom This prophetic book about

salt and its mysterious influence and prophetic usefulness to the kingdom of God will have you deeply contemplate on your usefulness or lack thereof to God You will learn in this thought provoking book what it means to be good for nothing by analysing and understanding the role of salt in our lives May you NOT be good for nothing For Preachers and Other Human Beings B. E. White, Jr.,2016-12-27 The columns in this book are reprinted from the Biblical Recorder the North Carolina Baptist state paper Editor R G Puckett saw a reason for them to be published because of the urgent need to strengthen pastors and churches in their relationship to each other He wrote that the articles are projected more for the laypersons than for the minister I think that they will be helpful in understanding the role relationship and rigors of the minister s life Some of them will be informational Others will be almost devotional And some many even be downright funny We all need to remember that ministers are people too Research in the Social Scientific Study of Religion, Volume 10 ,2021-11-15 The purpose of this book is to provide an outlet for original research articles examining the role and value of religious and spiritual constructs across the social sciences The aim of the series is to include an international and interfaith voice to this research dialogue An effort is made to be interdisciplinary and academically eclectic The articles in each volume represent a wide array of perspectives and research projects Most of the articles report the findings of quantitative or qualitative investigations but some deal with methodology theory or applications of social science studies in the field of religion and some are applied demonstrating the relevance of the social sciences to religious organizations and their clergy The value of the volume is that it gives to researchers in this area a broad perspective on the issues and methods of religious research across a spectrum of academic disciplines The aim of the book is to stimulate a creative integrative dialogue that will enhance interdisciplinary research As for Me and My House Daryl J. Potts,2020-07-10 The verse Joshua 24 15 as for me and my house we will serve the Lord has been the desire and declaration of ministry couples for centuries Yet the heartache of many ministers and their spouses is the realization that even though they have ministered to many and have been instruments to strengthen people s spiritual lives the spiritual well being of their own immediate family is not always where they would like it to be Many sadly observe members of their own family who no longer attend church having turned away from the faith For many ministers and spouses both those presently in ministry and those starting out there is a great desire to find keys to prevent their family members from falling away from the faith The heart of every pastoral couple is to function in their ministry and at the same time see their family flourish In the light of the dearth of research regarding the ministry family journey this book investigates how ministers and their spouses perceive that their involvement in ministry affects their family lives It further reveals the components that contribute toward the spiritual well being of their family while fulfilling their unique ministry responsibilities Keeping the Vow Donald Paul Sullins,2016 Based on one hundred fifteen interviews augmented by biographical survey and historical research Keeping the Vow tells the story of married priests and their wives their unusual and difficult journey from Anglicanism and their life in the Catholic Church The book combines

personal narratives and sociological analysis to provide a clear view of the priesthood's collective features and discusses the implications of the married priesthood for the future of the Church
