Peace and World Order Studies Barbara J. Wien,1978-01-01 **Studies in International Affairs** ,1974 **The Korean Straits** Chi Young Pak,2024-09-02 **Maritime Claims in the Arctic** Erik Franckx,2023-12-28 With the fundamental changes which occurred in the political structure of Europe and improved East West relations in general the Arctic has increasingly become the focal point of international attention during the last few years Scientific research and environmental protection are areas which have already witnessed some form of international cooperation in the area With this particular evolution in mind a new look at the legal regime of navigation in the Arctic seems to be justified While several other countries border on the Arctic Canada and Russia have the most extensive shorelines and have shown keen interest in ensuring that their proper share of this area is not encroached by other countries This book is thus generally restricted to an examination of the maritime boundaries that these states are claiming and the extent to which other states have recognized them It also explores the need for greater international cooperation in this area not only between the two main contenders but also with other countries that have shown a special interest in Arctic navigation and in the exploitation of resources of this area

Major Issues of the Law of the Sea David L. Larson,1976 **India's Role in the Indian Ocean Region in the 21st Century** Tomasz Łukaszuk,2025-07-25 The book explores India's role as a normative power with solid credentials based on a long history of thalassic experience of states of South India It examines how India has been interpreting international law and rules for the exploitation of living and non living resources in her way The book presents an analysis of India's activities in four key areas of maritime governance and a description of its roles in the Indian Ocean Region It highlights India as a maritime security and sustainable maritime development model alternative to the Chinese The volume also showcases a holistic interdisciplinary picture of India's maritime policy and thoroughly explains its historical and semiotic background Further it discusses India's endeavours as a new version of the ASEAN cooperation model combined with the US hub and spoke system adapted to new time and place conditions Researchers interested in India the Indian Ocean and maritime affairs in general would find the book informative and systematising knowledge about maritime governance in the Indian Ocean Region The book will be useful to students researchers and teachers from the departments of international relations political science economics public policy and administration and defence studies It will especially be a useful read for diplomats policy analysts think tank members and those interested in international law of the sea and maritime research centres It also offers practical insights for those interested in Indian foreign policy the Indian Ocean Region and maritime governance in general and scholars researching the role of states in international relations the instruments of foreign policies of emerging powers in the Global South and the maritime strategies of developing countries **Transportation** ,1975-07-23

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1976 **China's Diplomacy Responding to World Transformation in the New Era** Honghua Men,2025-07-25 This book delves into the innovative

thinking new and key agendas and practical evolution of China's diplomacy in the new era. As the world has entered a new epoch, the once-in-a-century world transformation is accelerating and great power rivalry becomes increasingly prominent with the Sino-US strategic competition emerging as the driving force behind the tremendous shifts in international relations. The interaction between China and the world has undergone significant changes and China's diplomatic adjustments have captured global attention. This book elucidates the underlying logic behind these diplomatic adjustments, summarizes the manifestations of China's diplomatic concepts and innovative practices, highlights the numerous new issues arising from China's interaction with the world, analyzes the challenges and dilemmas faced by Chinese diplomacy and explores new directions for China's diplomatic breakthroughs. This book serves as a theoretical guide for professional researchers including experts, scholars, research personnel and students while also offering a systematic understanding for a wide range of readers interested in China-related issues including those in the business world, policy circles and international activists. The translation was done with the help of artificial intelligence. A subsequent human revision was done primarily in terms of content.

Geopolitical Orientations, Regionalism and Security in the Indian Ocean Dennis Rumley, Sanjay Chaturvedi, 2015-07-24. First published in 2004, this book is the inaugural volume of the Indian Ocean Research Group (IORG) and is based on a selection of papers presented at the IORG launch in Chandigarh in November 2002. The volume emphasizes the complexity and historical and contemporary geopolitical significance of the Indian Ocean Region (IOR). It also propagates the necessity for increased intra-regional cooperation, especially in terms of economic and environmental security, maritime boundaries, sea lane security and ocean management in the spirit of open regionalism in order to ensure a more secure IOR. In addition, the volume initiates an agenda for future social science policy-oriented research. The book should be of particular interest to policy makers, business people and academics as well as citizens of the IOR.

A Subject Index to Current Literature Australian Public Affairs Information Service, Domestic Politics and International Relations in US-Japan Trade Policymaking C. Meyerson, 2003-10-14. To what extent does domestic politics affect the agreement reached in an international trade negotiation? In order to address this question, Christopher C. Meyerson develops an approach to analyzing the relationship between domestic politics and international relations in trade policymaking. This approach is used to analyze both American and Japanese trade policymaking and US-Japan trade negotiations, especially during the GATT Uruguay Round agriculture negotiations that occurred between 1986 and 1994. Meyerson not only develops an innovative approach to the analysis of the relationship between domestic politics and international relations in trade policymaking but also using publicly available GATT documents and publications. US

Congressional hearings and Japanese language sources provides a strong narrative description of the roles of the United States and Japan in the GATT Uruguay Round agriculture negotiations *Navies and Foreign Policy (Routledge Revivals)* Ken Booth, 2014-06-27 First published in 1977 this study offers a comprehensive systematic and integrated survey of the important relationship between navies and the making and execution of foreign policy Ken Booth explains the functions navies can perform in both war and peace the influence they have on particular situations and how the relevant organisations can affect the character of naval actions Ultimately navies are regarded as indispensable instruments of the state by a number of countries whilst all countries with a coast find some need to threaten a degree of force at sea This book provides students and academics with the intellectual framework with which to assess the changing character of the navy APAIS 1991: Australian public affairs information service , The National Interest and the Human Interest Robert C. Johansen, 2014-07-14 In an effort to determine the extent to which the United States contributes to the creation of a preferred system of world order Robert Johansen considers the country's performance against a framework of four major global values peace economic wellbeing social justice and ecological balance Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Greek-Turkish Relations Since 1955* Tozun Bahcheli, 2021-11-28 Bahcheli analyzes the dispute over Cyprus from its emergence in the 1950s to the coup against President Makarios which brought Greece and Turkey to war in 1974 He considers the Cyprus issue within the narrow context of Greek Turkish relations and the broad context of international relations *Nominations* United States.
