New Faces Of 195:

The New Faces of Organizations in the 21st Century Mohammad Ali Sarlak,2010 **Hollywood Sex Comedies, 1953-1964** Hal Erickson,2024-06-27 The Hollywood sex comedy a feature length film in which sex motivates the storyline and the laughs are triggered by sexual situations came into its own with the 1953 release of the once controversial *The Moon Is Blue* That film received very positive critical and audience response despite being denied a seal of approval from the Production Code Administration and receiving a Condemned rating from the Legion of Decency These two formidable watchdog agencies would continue to be challenged and audiences would continue to be convulsed by the abundance of sex comedies still to come The present informal survey focuses on 25 selected examples of the genre released between 1953 and 1964 Along with such familiar works as *The Seven Year Itch* *The Tender Trap* *Pillow Talk* and *Kiss Me Stupid* several lesser known sex comedies like *I Married a Woman* *The Tunnel of Love* *Happy Anniversary* and *Period of Adjustment* are documented analyzed and placed in context with their times Some are masterpieces others mildly amusing and a few downright awful but all are fascinating artifacts of a bygone era in popular entertainment , **Intelligent Information and Database Systems** Ngoc Thanh Nguyen,Tien Khoa Tran,Ualsher Tukayev,Tzung-Pei Hong,Bogdan Trawiński,Edward Szczerbicki,2022-12-08 This book constitutes the refereed proceedings of the 14th Asian Conference on Intelligent Information and Database Systems ACIIDS 2022 held Ho Chi Minh City Vietnam in November 2022 The 113 full papers accepted for publication in these proceedings were carefully reviewed and selected from 406 submissions The papers of the 2 volume set are organized in the following topical sections data mining and machine learning methods advanced data mining techniques and applications intelligent and contextual systems natural language processing network systems and applications computational imaging and vision decision support and control systems and data modeling and processing for industry 4 0 The accepted and presented papers focus on new trends and challenges facing the intelligent information and database systems community **The New Face of War** Malcolm W. Browne,1968 One of the definitive books on the war in Vietnam by the Pulitzer Prize reporter in a completely new and revised edition dust jacket *Encyclopedia of African American Actresses in Film and Television* Bob McCann,2022-09-23 The first work of its kind this encyclopedia provides 360 brief biographies of African American film and television actresses from the silent era to 2009 It includes entries on well known and nearly forgotten actresses running the gamut from Academy Award and NAACP Image Award winners to B film and blaxploitation era stars Each entry has a complete filmography of the actress s film TV music video or short film credits The work also features more than 170 photographs some of them rare images from the Schomburg Center for Research in Black Culture **A Most Tolerant Little Town** Rachel Louise Martin,2024-07-23 An intimate portrait of a small Southern town living through tumultuous times this propulsive piece of forgotten civil rights history about the first school to attempt court ordered desegregation in the wake of *Brown v Board* will forever change how you think of the end of

racial segregation in America In graduate school Rachel Martin volunteered with a Southern oral history project One day she was sent to a small town in Tennessee in the foothills of the Appalachians where locals wanted to build a museum to commemorate the events of August 1956 when Clinton High School became the first school in the former Confederacy to undergo court mandated desegregation After recording a dozen interviews Rachel asked the museum's curator why everyone she'd been told to gather stories from was white Weren't there any Black residents of Clinton who remembered this history A few hours later she got a call from the head of the oral history project the town of Clinton didn't want her help anymore For years Rachel Martin wondered what it was the white residents of Clinton didn't want remembered So she went back eventually interviewing sixty residents including the surviving Black students who'd desegregated Clinton High to piece together what happened back in 1956 the death threats and beatings picket lines and cross burnings neighbors turned on neighbors and preachers for the first time at a loss for words The national guard had rushed to town followed by national journalists like Edward Murrow and even evangelist Billy Graham And still tensions continued to rise until white supremacists bombed the school In *A Most Tolerant Little Town* Rachel Martin weaves together a dozen disparate perspectives in an intimate and yet kaleidoscopic portrait of a small town living through a tumultuous turning point for America The result is a propulsive piece of forgotten civil rights history that reads like a ticking time bomb and illuminates the devastating costs of being on the frontlines of social change You may have never before heard of Clinton but you won't be forgetting the town anytime soon *The Nineteenth Century and After*, 1917 *The Woman in Red. A Romance* William Stephens Hayward, 2024-05-13 Reprint of the original first published in 1881 **Harold Prince** Carol Ilson, 2000 The story of Prince's career is inseparable from the history of the American musical theatre for the past 40 years In depth accounts of musicals *Fiddler on the Roof* *West Side Story* *Cabaret* *Company* and *Sweeney Todd* will be of interest to any musical theatre buff American Theatre *The Clockmaker, Or, The Sayings and Doings of Samuel Slick of Slickville* Thomas Chandler Haliburton, 1840 *Nineteenth Century and After*, 1917 *The Woman in Red: a Romance* Joseph Stirling Coyne, 1864 *The Nineteenth Century*, 1917 **The United States of the United Races** Greg Carter, 2013-04-22 This provocative ambitious and important book rewrites U.S. history placing foundational leaders unheralded prophets insurgent social movements pivotal judicial decisions and central cultural values within an unfolding story of ongoing appeals to interracial mixing as a positive good Deeply researched deftly argued and impressively able to move beyond the two categories of black and white *The United States of the United Races* makes the mixed race movements of the recent past resonate with their many antecedents showing the complex ways in which an emphasis on mixture has both deployed and destabilized racial categories David Roediger co-author of *The Production of Difference* Barack Obama's historic presidency has re-inserted mixed race into the national conversation While the troubled and pejorative history of racial amalgamation throughout U.S. history is a familiar story *The United States of the United Races* reconsiders an understudied optimistic tradition one which

has praised mixture as a means to create a new people bring equality to all and fulfill an American destiny In this genealogy Greg Carter re envisions racial mixture as a vehicle for pride and a way for citizens to examine mixed America as a better America Tracing the centuries long conversation that began with Hector St John de Crevecoeur s Letters of an American Farmer in the 1780s through to the Mulitracial Movement of the 1990s and the debates surrounding racial categories on the U S Census in the twenty first century Greg Carter explores a broad range of documents and moments unearthing a new narrative that locates hope in racial mixture Carter traces the reception of the concept as it has evolved over the years from and decade to decade and century to century wherein even minor changes in individual attitudes have paved the way for major changes in public response The United States of the United Races sweeps away an ugly element of U S history replacing it with a new understanding of race in America Greg Carter is Assistant Professor of History at the University of Wisconsin Milwaukee
