Song of Brooklyn Marc Eliot,2008-06-10 The voices of Brooklyn I m a Brooklyn guy it s in my bones and it s there in Brooklyn There s a certain rhythm you get growing up there Every Brooklyn kid has it Always on the right beat The Bronx no Queens you were out of it but Brooklyn that was it Mel Brooks Williamsburg Everyone got along because we had one major thing that held everyone in Brooklyn together the emergence of big time sports that happened after World War I You could be an Irishman an Italian and a Jew and you could all be in Ebbets Field sitting together rooting for the Dodgers Pete Hamill Park Slope I never really saw anyplace in the world as a kid except Brooklyn so to me Brooklyn was the world Every avenue was another country It was a rough place to be sure You could say the wrong thing make the wrong turn and be rubbed or killed and I guess I was lucky because I had a talent that enabled me to get out A part of me will always be that kid shooting hoops with a dream in my hand as much as a basketball Stephon Marbury Coney Island Both my parents were hard hands on workers and that was the foundation of everything for me Their work ethic was just over the top and as a result of that I worked hard no matter what level job I had in the media I was that tough Brooklyn girl pushing my way to the front which eventually became the top I was never afraid of hard work I was always a go getter and that was something that came directly out of being born in Brooklyn I cherish that as I cherish my entire upbringing in Brooklyn Maria Bartiromo Bay Ridge A captivating oral portrait of America s favorite borough in the words of those who know Brooklyn best Mel Brooks Spike Lee Arthur Miller Joan Rivers Norman Mailer Cousin Brucie Maria Bartiromo Pete Hamill and many other current and former inhabitants Song of Brooklyn gathers the oral testimony of nearly one hundred Brooklynites past and present famous and unknown about a mythic borough that is also an indisputably real place These witnesses speak eloquently of what it was like back then when the Dodgers played in Ebbets Field later when the borough fell on hard times and now when it has come roaring back on the tracks of a real estate boom giving it celebrity chic and hipster cred With this surprising and inspiring renaissance in full swing the story of Brooklyn is one of the great and still ongoing chapters of the American urban experience and Song of Brooklyn sings that tune in pitch perfect key
