Trapnell,2001-02-22 Explores the work of spiritual leader and writer Bede Griffiths who envisioned a union of Eastern and Western spirituality **The Joy of Encountering Christ** Hoan Moses Chung,2025-09-23 The Joy of Encountering Christ Thomas Merton and Zen is based on Merton s pioneering work of integrating Christian spirituality with Eastern religions especially Zen Buddhism The author espouses perennial philosophy which says that human beings have an identical dynamism of the spirit oriented to God Christ is equivalent to Atman in Advaita Vedanta and the Buddha nature in Zen We don t have an individual life apart from Christ our true self is Christ who lives within us Merton s spirituality is summarized using the thirteenth century Buddhist philosopher Dogen s dictum To know Christ is to know true self To know the true self is to know the false self To know the false self is to cast off the body and mind by means of contemplation Merton single handedly lifted up Christian spirituality and made

contemplation a household word by firmly establishing that Zen provides the epistemological and structural impetus for directly experiencing God Contemplation is the process of manifesting the hidden wholeness body mind and spirit by emptying the ego self so that Christ takes ownership of our interior selves Without the wisdom and insights from Asian religious traditions the Christian proclamation fails to convey its full meaning and remains divided between God and man heaven and earth and mind and body Meditation and Communion with God John Jefferson Davis,2012-09-13 John Jefferson Davis summons the resources of traditional biblical meditation for a culture lost in the cloud He establishes the trinitarian view of God s real presence in Scripture and then ushers readers through three successive stages of meditation consummating in a method for deep assimilation of the Christian worldview *Bede Griffiths* Brother Wayne Teasdale,2012-10-18 One of today s foremost mystics introduces readers to the thought of one of the most important spiritual teachers of the past century Bede Griffiths English Benedictine monk and lifelong friend of C S Lewis who was his tutor at Oxford wrote in 1955 to a friend I m going out to India to seek the other half of my soul There he explored the intersection of Hinduism and Christianity and was a driving force behind the growth of interspiritual awareness so common today yet almost unheard of a half century ago Wayne Teasdale a longtime personal friend and student of Griffiths provides readers with an intriguing view into the thoughts beliefs and life of this champion of interreligious acceptance and harmony This volume is the first in depth study of Bede Griffiths contemplative experience and thought Fully exploring the antecedents and development of Griffiths theory that the Christian mystery can be expressed through the worldview of Hinduism Bede Griffiths An Introduction to His Interspiritual Thought is a vital starting point for any spiritual seeker who wants to understand the shared territories of these two great faiths **The Devout Christian's Help to Meditation on the Life of Our Lord Jesus Christ, and the Apostolic Church** Thomas Thellusson Carter,1868 *The Christian Remembrancer* ,1849 **Spirit, Soul, Body** Cyprian Consiglio,2015 A perennial problem for spiritual traditions of all sorts is dualism either a positing of a false distance between the Divine and the created or a rejection of creation and the human body Many contemporary spiritual seekers have sensed this problem and sought to remedy it through myriad solutions drawn from various spiritual traditions and secular wisdom both Eastern and Western Cyprian Consiglio OSB Cam explores Christianity s contribution to the discussion He offers a revisioning and rearticulation of this teaching based on the prophetic seminal work of Bede Griffiths toward a practical and integral spirituality that reverences all aspects of our being human spirit soul and body Pneumatology and the Christian-Buddhist Dialogue Amos Yong,2012-07-26 Recent thinking in Christian theology of religions has taken a pneumatological turn which asks how the doctrine of the Holy Spirit can contribute to the interreligious dialogue and to the emerging discourse of comparative theology Pneumatology and the Christian Buddhist Dialogue Does the Spirit Blow through the Middle Way tests the viability of this approach as applied to the Christian Buddhist dialogue Various Christian and Buddhist traditions are compared and contrasted within a pneumatological framework Is the Holy Spirit to be

found along the Buddha's middle way. Some Christians say yes while others demur. The thesis of this volume is that such a pneumatological perspective opens up possibilities for the deepening and transformation of Christian theology in the religiously plural world of the twenty-first century. *The Christian remembrancer; or, The Churchman's Biblical, ecclesiastical & literary miscellany*, 1849 **Context, Culture and Worship** Paul M. Collins, 2006 **Church Disputes Mediation** James Behrens, 2003 **Meditation for Christians** Bradley Dean Stephan, 2001 **My Morning Meditation** Bill Strain, 2022-04-05

My heart I believe is what I prayed when I got saved and that is Lord Jesus used me to bring hope, peace, and life to my family, friends, and all I come in contact with. God gave me a verse when I first got saved: You did not choose Me, but I chose you and appointed you that you should go and bear fruit, and that your fruit should remain that whatever you ask the Father in My name, He may give you. John 15:16 NKJV. My Morning Meditation with God is a year of everyday verses and what I believe God wanted me to share about that verse or verses God kept speaking to my heart, especially the closer I got to the end to write in a book. Time after time on my daily posts, I have had many comments like, "That is what I need." You helped me understand that verse and many other comments and thank yous. So I said okay to God, I pray each day that someone opens my book and God will speak to them and touch them. God loves you, my friend. My prayer is still God used me.

Christian Marriage and Family Michael G. Lawler, William P. Roberts, 1996. A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II. Rather than perceiving marriage as a contract whose primary purpose was the procreation of children, the council spoke of marriage as an intimate partnership of life and love. Then recapturing an earlier tradition, it went on to describe the family as a domestic church. In this book, seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology. Part One reflects on the sacramentality of marriage and on the family as a church of the home. Part Two examines the pastoral implications this has for marital and family ministry and spirituality.

This is a vital part of spiritual discipline that can lead to spiritual formation and development and yield great benefits in a Christian's spiritual growth, including the healing of the whole person. Dr. Samuel D. Lee's insightful book explains the inductive method of Bible study and the importance of meditation and confession. He explains very well the value of testimony writing. Meditation is prayerfully thinking about and sometimes writing about the contents of the Bible passage.
