culture is shifting as well Grandparents are becoming their own figures on television and film programs including reality shows Others have been thrust into the public eye across social media Marketers have realized the power of this new consumer subgroup and have begun to direct marketing campaigns to grandparents Yet despite the pervasive images of grandparents some of which present empowered figures grandparent representation in popular media continues to mimic many of the stereotypes commonly associated with aging encouraging people to laugh at versus laugh with these figures The Third Act Grandparenting in a Digital Age examines grandparenting through history interviews and popular culture to study the changing image of grandparents in society Let's Make a Memory Gloria Gaither, Shirley Dobson, 1994 Let's Make a Memory is so packed with usable ideas for making memories that it's become a tradition in itself Create meaningful memories in your own family
