Order Against Chaos Business Culture And Labor Ideology In America 1880 1915:

Order Against Chaos Sarah Watts, 1991-02-14 Historians now mark the years between 1880 and 1915 as the beginning of mass culture in the United States and its consolidation under the ideals and values of private corporations In this study Sarah Lyons Watts contends that modern American attitudes toward the relationship between labor and capital as well toward the place industrial labor was to occupy in the corporate state coalesced in the debates in popular business and professional literature in the decades around the turn of the century She illustrates how the magnitude and significance of changes in the transmission of cultural authority made these years critical in the evolution of industrialists labor ideas Following a detailed introduction that provides an overview of the period and a discussion of cultural hegemony Watts focuses on three case studies the Pullman strike an ideological struggle in which public opinion figured not just in the outcome of the strike but in the definition of labor s place in the corporate order modern management which sought to replace workers traditional definitions with its own and transform the ethos of modern factory work and the National Association of Manufacturers anti union campaign These case studies demonstrate how nationwide organizations of businessmen met the charges against concentrated capital made by unionists and reformers advancing arguments that linked the moral value of capital to civic services national honor and progress A concluding chapter recounting the dramatic social reorganization that was the ultimate product of this period and a selected bibliography complete the work This book will be a useful reference for courses in American business social and labor history as well as an important resource for public and academic libraries

The Response to Industrialism Samuel P. Hays, 2014-12-10 In this new edition Samuel P Hays expands the scope of his pioneering account of the ways in which Americans reacted to industrialism during its early years from 1885 to 1914 Hays now deepens his coverage of cultural transformations in a study well known for its concise treatment of political and economic movements Hays draws on the vast knowledge of America s urban and social history that has been developed over the last thirty eight years to make the second edition an unusually well rounded study He enhances the original coverage of politics labor and business with new accounts of the growth of cities the rise of modern values cultural conflicts with Native Americans and foreign nations and changing roles for women African Americans education religion medicine law and leisure The result is a tightly woven portrait of America in transition that underscores the effects of impersonal market forces and greater personal freedom on individuals and chronicles such changes as the rise of social inequality shifting power in the legal system the expansion of the federal government and the formation of the Populist Progressive and Socialist parties

Rough Rider in the White House Sarah Watts, 2003-10-15 In this book Sarah Watts probes this dark side of the Rough Rider presenting a fascinating psychological portrait of a man whose personal obsession with masculinity profoundly influenced the fate of a nation Drawing on his own writings and on media representations of him Watts attributes the wide appeal of Roosevelt s style of manhood to the way it addressed the hopes and anxieties of men of his time Like many of his

contemporaries Roosevelt struggled with what it meant to be a man in the modern era He saw two foes within himself a fragile weakling and a primitive beast The weakling he punished and toughened with rigorous manly pursuits such as hunting horseback riding and war The beast he unleashed through brutal criticisms of homosexuals immigrants pacifists and sissies anyone who might tarnish the nation s veneer of strength and vigor With his unabashed paeans to violence and aggressive politics Roosevelt ultimately offered American men a chance to project their longings and fears onto the nation and its policies In this way he harnessed the primitive energy of men s desires to propel the march of American civilization over the bodies of anyone who might stand in its way

BOOK JACKET *The Industrial Revolution* James S. Olson, Shannon L. Kenny, 2014-12-02 This concise guide zooms in on the period of American history known as the Industrial Revolution from its earliest beginnings in the mid 18th century to just after the First World War This book is a concise reference source on the era in American history known as the Industrial Revolution a period characterized by urbanization mass immigration organization of labor and an immense gap between wealthy industrialists and the poor It serves as an ideal resource for students preparing to take the AP U S history exam as well as being useful to undergraduates and anyone interested in this important period Using encyclopedic entries on important events key people and trends of the time the era is examined through the exploration of key themes such as agriculture business economy finance labor and politics Other features of the book include sample documents based essay questions rigorous thematic tagging of encyclopedic entries a detailed chronology and primary source documents all of which guide readers through the material and aid in their comprehension of the Industrial Revolution s historical significance Content covers factories mass production the progressive movement muckrakers populists laissez faire economics social Darwinism and robber barons among other topics

Order Against Chaos Sarah Watts, 1991-02-14 Historians now mark the years between 1880 and 1915 as the beginning

of mass culture in the United States and its consolidation under the ideals and values of private corporations In this study Sarah Lyons Watts contends that modern American attitudes toward the relationship between labor and capital as well toward the place industrial labor was to occupy in the corporate state coalesced in the debates in popular business and professional literature in the decades around the turn of the century She illustrates how the magnitude and significance of changes in the transmission of cultural authority made these years critical in the evolution of industrialists labor ideas Following a detailed introduction that provides an overview of the period and a discussion of cultural hegemony Watts focuses on three case studies the Pullman strike an ideological struggle in which public opinion figured not just in the outcome of the strike but in the definition of labor s place in the corporate order modern management which sought to replace workers traditional definitions with its own and transform the ethos of modern factory work and the National Association of Manufacturers anti union campaign These case studies demonstrate how nationwide organizations of businessmen met the charges against concentrated capital made by unionists and reformers advancing arguments that linked the moral value of capital to civic services national honor and progress A concluding chapter recounting the dramatic social reorganization that was the ultimate product of this period and a selected bibliography complete the work This book will be a useful reference for courses in American business social and labor history as well as an important resource for public and academic libraries

Reform Or Repression Chad Pearson,2016 Examining the professional lives of a variety of businessmen and their advocates with the intent of taking their words seriously Chad Pearson paints a vivid picture of an epic contest between industrial employers and labor and challenges our comfortable notions of Progressive Era reformers

Corporate Policing, Yellow Unionism, and Strikebreaking, 1890-1930 Matteo Millan,Alessandro

Saluppo,2020-12-27 This book provides a comparative and transnational examination of the complex and multifaceted experiences of anti labour mobilisation from the bitter social conflicts of the pre war period through the epochal tremors of war and revolution and the violent spasms of the 1920s and 1930s It retraces the formation of an extensive market for corporate policing privately contracted security and yellow unionism as well as processes of professionalisation in strikebreaking activities labour espionage and surveillance It reconstructs the diverse spectrum of right wing patriotic leagues and vigilante corps which in support or in competition with law enforcement agencies sought to counter the dual dangers of industrial militancy and revolutionary situations Although considerable research has been done on the rise of socialist parties and trade unions the repressive policies of their opponents have been generally left unexamined This book fills this gap by reconstructing the methods and strategies used by state authorities and employers to counter outbreaks of labour militancy on a global scale It adopts a long term chronology that sheds light on the shocks and strains that marked industrial societies during their turbulent transition into mass politics from the bitter social conflicts of the pre war period through the epochal tremors of war and revolution and the violent spasms of the 1920s and 1930s Offering a new angle of

vision to examine the violent transition to mass politics in industrial societies this is of great interest to scholars of policing unionism and striking in the modern era The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9780429354243> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0

license **Theodore Roosevelt** Kathleen Dalton, 2007-12-18 He inherited a sense of entitlement and obligation from his family yet eventually came to see his own class as suspect He was famously militaristic yet brokered peace between Russia and Japan He started out an archconservative yet came to champion progressive causes These contradictions are not evidence of vacillating weakness instead they were the product of a restless mind bent on a continuous quest for self improvement In Theodore Roosevelt historian Kathleen Dalton reveals a man with a personal and intellectual depth rarely seen in our public figures She shows how Roosevelt's struggle to overcome his frailties as a child helped to build his character and offers new insights into his family life uncovering the important role that Roosevelt's second wife Edith Carow played in the development of his political career She also shows how TR flirted with progressive reform and then finally committed himself to deep reform in the Bull Moose campaign of 1912 Incorporating the latest scholarship into a vigorous narrative Dalton reinterprets both the man and his times to create an illuminating portrait that will change the way we see this great man and the Progressive Era

The Labor Question in America Rosanne Currarino, 2010-10-01 In The Labor Question in America Economic Democracy in the Gilded Age Rosanne Currarino traces the struggle to define the nature of democratic life in an era of industrial strife As Americans confronted the glaring disparity between democracy's promises of independence and prosperity and the grim realities of economic want and wage labor they asked What should constitute full participation in American society What standard of living should citizens expect and demand Currarino traces the diverse efforts to answer to these questions from the fledgling trade union movement to contests over immigration from economic theory to popular literature from legal debates to social reform The contradictory answers that emerged one stressing economic participation in a consumer society the other emphasizing property ownership and self reliance remain pressing today as contemporary scholars journalists and social critics grapple with the meaning of democracy in post industrial America

The Institutional Tradition in Labor Economics Dell P. Champlin, Janet T. Knoedler, 2018-10-24 While there are many economists in schools government unions and non profit organizations working in the institutionalist tradition there has been no book that describes this tradition until now Editors Champlin and Knoedler have brought together prominent labor economists highly respected institutional economists and newer scholars working on such compelling issues as immigration wage discrimination and living wages Their essays portray the institutionalist tradition in labor as it exists today as well as its historical and theoretical origins The result is a major contribution to the literature of labor economics institutionalist economics and the history of economic thought

Radicalism in American Silent Films, 1909-1929 Michael Slade Shull, 2015-09-03 This work identifies 436 American silent films released between 1909 and 1929 that engaged the issues of militant labor and revolutionary radicalism It begins with an extended introduction and analytical chapters that investigate the ways in which the American motion picture industry portrayed the interrelationships between labor radicals exploitative capitalists socialist idealists and Bolsheviks during this critical twenty year period Each entry contains a detailed plot synopsis citations to primary sources coding indicating the presence or absence of 14 predominant discernible biases including anti and pro capitalism socialism revolution and labor and subject coding keyed to 64 related terms and concepts including agitators Bolshevism bombs female radicals militias mobs political refugees and strikes These statistical data included in the filmography are presented in a series of charts and are fully integrated into the historical critical text Total number and percentage statistics for the instances of these coded biases and traits are given per year per era and overall The Revolutionary Mission Thomas F. O'Brien, 1999-11-13 This is the first book to explore the impact of American corporate culture on Latin American societies in the decades before World War II **Encyclopedia of American Social Movements** Immanuel Ness, 2015-07-17 This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women's equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice

Contesting the New South Order Clifford M. Kuhn, 2003-01-14 In May 1914 workers walked off their jobs at Atlanta's Fulton Bag and Cotton Mills launching a lengthy strike that was at the heart of the American Federation of Labor's first major attempt to organize southern workers in over a decade In its celebrity the Fulton Mills strike was the regional contemporary of the well known industrial conflicts in Lawrence Massachusetts and Ludlow Colorado Although ultimately unsuccessful the strike was an important episode in the development of the New South and as Clifford Kuhn demonstrates its story sheds light on the industrialization urbanization and modernization of the region Drawing on an extraordinary collection of sources including reports from labor spies and company informants photographs federal investigations oral histories and newly uncovered records from the old mill's vaults Kuhn vividly depicts the strike and the community in which it occurred He also chronicles the struggle for public opinion that ensued between management workers union leaders and other interested parties Finally Kuhn reflects on the legacy of the strike in southern history exploring its complex ties to the

evolving New South **The Challenge of Interracial Unionism** Daniel Letwin,1998 This study explores a tradition of interracial unionism that persisted in the coal fields of Alabama from the dawn of the New South through the turbulent era of World War I Daniel Letwin focuses on the forces that prompted black and white miners to colla Debating God's Economy Craig R. Prentiss,2010-11 What would a divinely ordained social order look like Pre labor unions class consciousness and economic power were the watchwords of the day This was a time of immense social change and especially in the light of the monumental social and economic upheavals in Russia and Europe in the early twentieth century Catholics found themselves taking sides Catholic subcultures across America sought to legitimize or in theological parlance sanctify diverse economic systems that were at times mutually exclusive While until now the faithful both scholars and nonscholars have typically spoken of the Catholic Social Tradition as if it were an established prescription for curing social ills Prentiss maintains that the tradition is better understood as a debate grounded in a common mythology that provides Catholics with a distinctive vocabulary and touchstone of authority **The SAGE Handbook of Power** Mark Haugaard,2009-03-12 Power is arguably one of the key concepts within the social sciences The SAGE Handbook of Power is the first touchstone for any student or researcher wishing to initiate themselves in the state of the art Internationally acclaimed Stewart R Clegg and Mark Haugaard have joined forces to select a collection of papers written by scholars with global reputations for excellence These papers bridge different conceptual and theoretical positions and draw on many disciplines including politics sociology and cultural studies The sweep and richness of the resulting handbook will help readers contextualise and grow their understanding of this dynamic and important subject area Unto a Good Land David Edwin Harrell,Edwin S. Gaustad,John B. Boles,Sally Foreman Griffith,2005-08-23 Introducing a New U S History Text That Takes Religion Seriously Unto a Good Land offers a distinctive narrative history of the American people from the first contacts between Europeans and North America s native inhabitants through the creation of a modern nation to the 2004 presidential election Written by a team of highly regarded historians this textbook shows how grasping the uniqueness of the American experiment depends on understanding not only social cultural political and economic factors but also the role that religion has played in shaping U S history While most United States history textbooks in recent decades have expanded their coverage of social and cultural history they still tend to shortchange the role of religious ideas practices and movements in the American past Unto a Good Land restores the balance by giving religion its appropriate place in the story This readable and teachable text also features a full complement of maps historical illustrations and In Their Own Words sidebars with excerpts from primary source documents

Order Against Chaos Business Culture And Labor Ideology In America 1880 1915 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Order Against Chaos Business Culture And Labor Ideology In America 1880 1915 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Order Against Chaos Business Culture And Labor Ideology In America 1880 1915 has opened up a world of possibilities. Downloading Order Against Chaos Business Culture And Labor Ideology In America 1880 1915 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Order Against Chaos Business Culture And Labor Ideology In America 1880 1915 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Order Against Chaos Business Culture And Labor Ideology In America 1880 1915. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Order Against Chaos Business Culture And Labor Ideology In America 1880 1915. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Order Against Chaos Business Culture And Labor Ideology In America 1880 1915, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Order Against Chaos Business Culture And Labor Ideology In America 1880 1915 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize

personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
