Popes Battalions Santamaria Catholicism And The Labor Split

John Laurent

Popes Battalions Santamaria Catholicism And The Labor Split:

The Pope's Battalions Ross Fitzgerald, Adam James Carr, William J. Dealy, 2003 A prophet whose confident prophecies were frequently proved wrong B A Santamaria profoundly affected 20th century Australian political life Although he rarely gave interviews and never held elected office Santamaria became widely known through his regular commentaries in the Australian and in his magazine News Weekly Building on his battle against Communist influence in the trade unions Santamaria boldly attempted to capture the ALP and transform it into a European style Christian Democrat party The ensuing split was disastrous demoralising the ALP and casting Santamaria out of the Labor fold for all time **B.A.**

Santamaria Bartholomew Augustine Santamaria, 2008 B A Santamaria was a political activist and traditionalist Catholic layman prominent in public affairs in 20th century Australia He was a key figure in the disastrous split in the Australian Labor Party in 1954 one of the key events in Australian polit **Secular Conversions** Damon Mayrl, 2016-08-30 This book reveals how taken for granted political structures have shaped the fate of religion in Australian and American public life

Neither Power Nor Glory Paul Strangio, 2012-06-01 When Frank Hardy published *Power Without Glory* his notorious novel about corruption and venality in the Victorian Labor Party it quickly came to be seen as a true account of the party Until now there has been no authoritative chronicle of the struggles of political Labor in Victoria from its origins in the mid nineteenth century through to the calamitous split of the 1950s By conventional measures these were fallow years Ensnared by the colony s powerful liberal protectionist tradition in the late nineteenth century Victorian Labor then found itself hindered by a grossly unfair electoral system and the lack of a constituency outside Melbourne s industrial suburbs But exile from government also meant that the party developed its own distinctive traditions and culture It was a unique and intriguing species among the state Labor parties Meticulously researched and elegantly written *Neither Power Nor Glory* fills an important gap in Australian political history and our understanding of the Labor Party It is also a timely antidote to nostalgia about Labor s past In Victoria at least that past was anything but golden **WINNER OF THE 2013 HENRY MAYER PRIZE**

Catholicism in Modern Italy John Pollard, 2008-06-30 John Pollard s book surveys the relationship between Catholicism and the process of change in Italy from Unification to the present day Central to the book is the complex set of relationships between traditional religion and the forces of change In a broad sweep *Catholicism in Modern Italy* looks at the cultural social political and economic aspects of the Catholic church and its relationship to the different experiences across Italy over this dramatic period of change and modernisation *Of Labour and Liberty* Race Mathews, 2018-02-28 What will the future of work social freedom and employment look like In an era of increased job insecurity and social dislocation is it possible to reshape economics along democratic lines in a way that genuinely serves the interests of the community *Of Labour and Liberty* arises from Race Mathews s half century and more of political and public policy involvement It responds to evidence of a precipitous decline in active citizenship resulting from a loss of confidence in politics politicians parties and

parliamentary democracy the rise of lying for hire lobbyism increasing concentration of capital in the hands of a wealthy few and corporate wrongdoing and criminality It also questions whether political democracy can survive indefinitely in the absence of economic democracy of labor hiring capital rather than capital labor It highlights the potential of the social teachings of the Catholic Church and the now largely forgotten Distributist political philosophy and program that originated from them as a means of bringing about a more equal just and genuinely democratic social order It describes and evaluates Australian attempts to give effect to Distributism with special reference to Victoria And with an optimistic view to future possibilities it documents the support and advocacy of Pope Francis and ownership by some 83 000 workers of the Mondragon cooperatives in Spain This book will interest scholars and students of Catholic social teaching history economics industrial relations and business and management The Comprehensive Public High School G. Sherington, Craig Campbell, 2006-02-04 This book traces the decline of the public comprehensive high school New educational markets emphasized school diversity and parental choice rather than social equity through common schooling and they were criticized for declining standards The book also considers government education policies and their regional manifestations

Minorities and Reconstructive Coalitions Willie Gin, 2017-07-06 Through comparative and historical analysis the book shows that reconstructive coalitions such as labor and pan Christian moral movements affect minority incorporation and bring Catholics and Protestants together under new identities and significantly improving Catholic standing It provides overviews of the history of Catholics in Australia Canada and the United States while at the same time advancing unique arguments about the impact of coalitions on minority politics **Australia's Boldest Experiment** Stuart

Macintyre, 2015-06-01 In this landmark book Stuart Macintyre explains how a country traumatised by World War I hammered by the Depression and overstretched by World War II became a prosperous successful and growing society by the 1950s An extraordinary group of individuals notably John Curtin Ben Chifley Nugget Coombs John Dedman and Robert Menzies re made the country planning its reconstruction against a background of wartime sacrifice and austerity The other part of this triumphant story shows Australia on the world stage seeking to fashion a new world order that would bring peace and prosperity This book shows the 1940s to be a pivotal decade in Australia At the height of his powers Macintyre reminds us that key components of the society we take for granted work welfare health education immigration housing are not the result of military endeavour but policy planning politics and popular resolve **Henry George's Legacy in Economic Thought**

John Laurent, 2005-01-01 Henry George's Legacy in Economic Thought will appeal in particular to upper level students and scholars of the history of economic thought and the public sector but also to economists more widely *Historical Dictionary of Australia* Norman Abjorensen, James C. Docherty, 2014-12-05 Australia's development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has

demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia **Evatt** John Murphy,2016-09-01 John Murphy s Evatt A life is a biography of Australian parliamentarian and jurist HV Evatt Remembered as the first foreign minister to argue for an independent Australian policy in the 1940s and for his central role in the formation of the UN Evatt went on to be the leader of the Labor party in the 1950s the time of the split that resulted in the party being out of power for a generation Evatt traces the course of Evatt s life and places him in the context of a long period of conservatism in Australia It treats Evatt s inner personal life as being just as important as his spectacular controversial and eventual tragic public career Murphy looks closely at Evatt s previously unexamined private life and unravels some of the puzzles that have lead Evatt to be considered erratic even mad Bert Evatt remains a polarising figure still considered by many in Labor as the man who split the party and by many conservatives as unreliable and dangerous **Remembering Social Movements** Stefan Berger,Sean Scalmer,Christian Wicke,2021-05-12 Remembering Social Movements offers a comparative historical examination of the relations between social movements and collective memory A detailed historiographical and theoretical review of the field introduces the reader to five key concepts to help guide analysis repertoires of contention historical events generations collective identities and emotions The book examines how social movements act to shape public memory as well as how memory plays an important role within social movements through 15 historical case studies spanning labour feminist peace anti nuclear and urban movements as well as specific examples of memory activism from the 19th century to the 21st century These include transnational and explicitly comparative case studies in addition to cases rooted in German Australian Indian and American history ensuring that the reader gains a real insight into the remembrance of social activism across the globe and in different contexts The book concludes with an epilogue from a prominent Memory Studies scholar Bringing together the previously disparate fields of Memory Studies and Social Movement Studies this book systematically scrutinises the two way relationship between memory and activism and uses case studies to ground students while offering analytical tools for the reader **Seeking Meaning, Seeking Justice in a Post-Cold War World** Judith Keene,Elizabeth Rechniewski,2018-03-27 The challenge for historians as for individuals and nations has been to make sense of the Cold War past without recourse to the obsolete frameworks of a dichotomous world The editors of Seeking Meaning Seeking Justice in the Post Cold War World Judith Keene and Elizabeth Rechniewski have brought together contributions that address the diverse modes by which the Cold War is being assessed with a major

focus on countries on the periphery of the Cold War confrontation These approaches include developments in historiography as new intellectual and cultural frame are applied to old debates Authors also consider the universal principles and moral discourses including that of human rights on which judgements have been based and judicial processes instigated and the forms of memorialisation that have sought to come to terms and perhaps achieve reconciliation with a Cold War past Contributors are Ann Curthoys Philip Deery Katherine Hite Michael Humphrey Su kyong Hwang Perry Johansson Judith Keene Betty O Neill Peter Read Elizabeth Rechinowski Estela Valverde Adrian Vickers and Marivic Wyndham

The to Z of Australia James C. Docherty, 2010-04 The A to Z of Australia relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through *Human Rights in Twentieth-Century Australia* Jon Piccini, 2019-10-10 Human rights in Australia have a contested and controversial history the nature of which informs popular debates to this day Alan the Red Fox Reid Ross Fitzgerald, Stephen Holt, 2010 Arguably Australia s most influential political journalist Alan The Red Fox Reid covered Australian politics from the 1930s to the 1980s During his career he was both a chronicler of and a player in Australian politics In this book Ross Fitzgerald and Stephen Holt take us into a Machiavellian behind the scenes world of recurrent plots crises and leadership challenges and show how it was possible for a skilled journalist to help shape both public perceptions and actual outcomes of political power plays

Transnational Perspectives on Modern Irish History Niall Whelehan, 2014-10-03 This book explores the benefits and challenges of transnational history for the study of modern Ireland In recent years the word transnational has become more and more conspicuous in history writing across the globe with scholars seeking to move beyond national and local frameworks when investigating the past Yet transnational approaches remain rare in Irish historical scholarship This book argues that the broader contexts and scales associated with transnational history are ideally suited to open up new questions on many themes of critical importance to Ireland s past and present They also provide an important means of challenging ideas of Irish exceptionalism The chapters included here open up new perspectives on central debates and events in Irish history They illuminate numerous transnational lives follow flows and ties across Irish borders and trace networks and links with Europe North America the Caribbean Australia and the British Empire This book provides specialists and students with examples of different concepts and ways of doing transnational history Non specialists will be interested in the new perspectives offered here on a rich variety of topics particularly the two major events in modern Irish history the Great Irish Famine and the 1916 Rising

My Name Is Ross Ross Fitzgerald, 2010-10 Brutally honest and inspiring this narrative tells the story of a well known writer s life as an alcoholic and his struggle to become and stay sober Beginning with his first drink at the age of 14 this unique account traces the author s relationship with alcohol taking readers on a journey from substance abuse and despair to hope and courage Both heart wrenching and enlightening this chronicle is a strong personal story of

triumph over substance abuse that will grip readers from the start **Cold War Mary** Peter Jan Margry, 2021-01-28 One hardly known but fascinating aspect of the Cold War was the use of the holy Virgin Mary as a warrior against atheist ideologies After the Second World War there was a remarkable rise in the West of religiously inflected rhetoric against what was characterised as godless communism The leaders of the Roman Catholic Church not only urged their followers to resist socialism but along with many prominent Catholic laity and activist movements they marshaled the support of Catholics into a spiritual holy war In this book renowned experts address a variety of grassroots and Church initiatives related to Marian politics the hausse of Marian apparitions during the Cold War period and the present day revival of Marian devotional culture By identifying and analysing the militant side of Mary in the Cold War context on a global scale for the first time Cold War Mary will attract readers interested in religious history history of the Cold War and twentieth century international history

The Enigmatic Realm of **Popes Battalions Santamaria Catholicism And The Labor Split**: Unleashing the Language is Inner Magic
