opportunities **Information Sources in Information Technology** David Haynes, 2013-02-07 The aim of each volume of
this series Guides to Information Sources is to reduce the time which needs to be spent on patient searching and to
recommend the best starting point and sources most likely to yield the desired information The criteria for selection provide
a way into a subject to those new to the field and assists in identifying major new or possibly unexplored sources to those
who already have some acquaintance with it The series attempts to achieve evaluation through a careful selection of sources
and through the comments provided on those sources Cataloged Serial Holdings National Defense University. Library,
