Role Of Inflection In Scandinavian Syntax:

The Role of Inflection in Scandinavian Syntax Anders Holmberg, Christer Platzack, 1995-06-29 In this book Holmberg and Platzack present a theory of the role which subject verb agreement and case morphology play in syntax Their theory is based mainly on a detailed comparison and inflectional properties in the various Scandinavian languages although many other languages are discussed as well The theoretical issues discussed include abstract vs morphological case functional heads verb second null subjects and other empty categories pronouns and clitics various impersonal constructions long distance reflexives and the double object construction Probably the most detailed and comprehensive study to date of the interplay of case subject verb agreement and other grammatical properties in the syntax of related languages this book offers important insights for professional linguists and students with an interest in generative grammar typology comparative grammar or Scandinavian and Germanic languages

The Role of Inflection in Scandinavian Syntax Anders Holmberg, Christer Platzack, 1995 In this book Holmberg and Platzack present a theory of the role which subject verb agreement and case morphology play in syntax Their theory is based mainly on a detailed comparison and inflectional properties in the various Scandinavian languages although many other languages are discussed as well The theoretical issues discussed include abstract vs morphological case functional heads verb second null subjects and other empty categories pronouns and clitics various impersonal constructions long distance reflexives and the double object construction Probably the most detailed and comprehensive study to date of the interplay of case subject verb agreement and other grammatical properties in the syntax of related languages this book offers important insights for professional linguists and students with an interest in generative grammar typology comparative grammar or Scandinavian and Germanic languages

Issues in Germanic Syntax Werner Abraham, Wim Kosmeijer, Erich Reuland, 2011-06-01 TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language The series publishes state of the art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science TRENDS IN LINGUISTICS considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints High quality standards are ensured through anonymous reviewing

Studies in Comparative Germanic Syntax H. Haider, S. Olsen, S. Vikner, 2013-03-09 o

COMPARATIVE GERMANIC SYNTAX This volume contains 13 papers that were prepared for the Seventh Workshop on Comparative Germanic Syntax at the University of Stuttgart in November 1991 In defining the theme both of the workshop

and of this volume we have taken comparative in comparative Germanic syntax to mean that at least two languages should be analyzed and Germanic to mean that at least one of these languages should be Germanic There was no requirement as such that the research presented should be situated within the framework known as Principles and Parameters Theory previously known as Government and Binding Theory though it probably is no accident that this nevertheless turned out to be the case Within this theory it is seen as highly desirable to be able to account for several differences on the surface by deriving them from fewer underlying differences The reason is that in order to explain the ease with which children acquire language it is assumed that not all knowledge of any given language is the result of learning but that instead children already possess part of this knowledge at birth the innate part of linguistic knowledge will obviously be the same for all human beings and thus this theory also provides an explanation of language universals The fewer real i e

Studies in Comparative Germanic Syntax C. Jan-Wouter Zwart, Werner Abraham, 2002-12-31 This volume presents a collection of articles reporting on new research carried out within the theoretical framework of generative grammar on the comparative syntax of the Germanic languages Divided in four main sections the book focuses on issues of subordination and complementation with emphasis on German Dutch and Danish displacement phenomena discussed in relation with richness of morphology with special attention to English German Dutch and Norwegian as well as presenting more general discussion of the issue language variation and change studying historical English syntax and Frisian contact dialects and the syntax semantics interface viewed from a Germanic perspective addressing ellipsis reflexivity and the behavior of quantifiers

Icelandic Morphosyntax and Argument Structure Jim Wood, 2015-01-05 This book provides a detailed study of Icelandic argument structure alternations within a syntactic theory of argument structure Building on recent theorizing within the Minimalist Program and Distributed Morphology the author proposes that much of what is traditionally attributed to syntax should be relegated to the interfaces and adapts the late insertion theory of morphology to semantics The resulting system forms sound meaning pairs by generating hierarchical structures that can be translated into morphological representations on the one hand and semantic representations on the other The syntactic primitives however underdetermine both morphophonology and semantics Without appealing to special stipulations the theory derives constraints on the external argument of causative alternation verbs interpretive restrictions on nominative objects and the optionally agentive interpretation of verbs denoting self directed motion

The Handbook of Contemporary Syntactic Theory Mark Baltin, Chris Collins, 2008-04-15 This volume provides a comprehensive view of the current issues in contemporary syntactic theory Written by an international assembly of leading specialists in the field these 2 original articles serve as a useful reference for various areas of grammar Contains 23 articles written by an international assembly of specialists in the field The lucidly written articles grant accessibility to crucial areas of syntactic theory Contrasting theories are represented Contains an informative introduction and extensive bibliography which serves as a reference tool for both students and professional linguists

Morphology-Driven Syntax Bernhard

Wolfgang Rohrbacher, 1999-06-15 This book argues that syntactic parameters are set in a principled fashion on the basis of overt functional morphology The main focus of the book is on the different positions of the finite verb in the Germanic SVO languages In addition other syntactic phenomena null subjects transitive expletive constructions and object shift and other language families Romance Semitic and Slavic are discussed A common explanation for all of the discussed phenomena is proposed If and only if the features for person are distinctively marked by the agreement morphology the agreement affixes are listed separately in the lexicon and project phrases of their own in syntax where they attract the verb to the head positions and allow the specifier positions to be filled by various phonologically un realized elements Special attention is given to issues of historical development and child language acquisition The Oxford Handbook of Comparative Syntax Guglielmo Cinque, Richard S. Kayne, 2008-10-16 Its twenty one commissioned chapters serve two functions they provide a general and theoretical introduction to comparative syntax its methodology and its relation to other domains of linguistic inquiry and they also provide a systematic selection of the best comparative work being done today on those language groups and families where substantial progress has been achieved This volume will be an essential resource for scholars and students in formal linguistics Jacket **Verb Movement and the Syntax of Kashmiri** R.M. Bhatt, 2013-03-09 3 1 Kashmiri is not non Configurational 45 3 1 1 Agreement 51 3 1 2 Binding Theory 52 3 1 3 Distribution of PRO 56 3 1 4 Additional Evidence 57 3 1 4 1 Weak Crossover WCO 57 3 1 4 2 Constituent Fronting 60 3 1 4 3 Superiority Like Effects 62 3 2 Word Order Constraints Kashmiri Phrase Structure 64 3 2 1 N complements 65 3 2 2 Postpositions 67 3 2 3 Adjectives 67 3 2 4 The Structure of VP 68 3 3 The Functional Projections 71 3 4 Complement ki clauses 74 3 5 Summary 79 4 Verb Second V2 Phenomena 80 4 0 Introduction 80 4 1 Kashmiri Vo rfe ld 84 4 1 1 V2 Clauses 85 4 1 1 1 Main Clauses 85 4 1 1 2 ki Clauses 98 4 1 2 V3 Clauses 102 4 1 2 1 Declarative Clauses 102 4 1 2 2 Interrogative Clauses 107 4 2 Some Exceptional Orders 116 vm 4 2 1 VI Order 116 4 2 1 1 Declaratives 116 4 2 1 2 Yes No Questions 120 V Final Order 4 2 2 121 4 2 2 1 Relative Clauses and Adverbial Clauses 121 4 2 2 2 Nonfinite Clauses 126 4 3 Summary 129 5 Motivating Verb Movement 131 5 0 Introduction 131 5 1 The Standard Account 131 5 2 Yiddish and Icelandic 136 5 2 1 Diesing 1990 138 5 2 2 Weerman 1989 141 5 2 3 Vikner 1991 146 5 **Narrow Syntax and Phonological Form** Gema Chocano, 2007 Scrambling the kind of word order variation found in West Germanic languages has been commonly treated as a phenomenon completely unrelated to North Germanic Object Shift This book questions this view and defends a unified analysis on the basis of strictly syntactic and phonological evidence Given that its main conclusions are drawn from German data it also sheds light on several problematic aspects of the grammar of this language which have traditionally resisted a principled account Prominent among these are the inconsistent behaviour of German coherent infinitives with respect to extraction of their internal arguments the existence of a less liberal type of Scrambling within topicalised VPs the link between reordering possibilities and headfinalness the asymmetry exhibited by monotransitive and ditransitive structures with respect to the interaction between

Scrambling and the unmarked word order and finally certain anomalies in the reordering of the lower arguments of ditransitive predicates that assign inherent case

Case Absorption and WH-Agreement A. Watanabe, 2012-12-06 This book is an extensively revised version of the core part of my 1993 MIT doctoral dissertation which seeks to provide a Minimalist theory of Case absorption and support it through empirical investigation The central idea pursued is that impoverishment of phrase structure is responsible for Case absorption and that the right theory of Case checking should derive this property Although the basic line of research on Case absorption and wh agreement remains the same this book incorporates a lot of new results A principled theory of Case checking and Case absorption has been worked out in Chapter 1 Treatment of participial constructions in Chapter 3 and wh agreement in Chapter 4 is far more systematic and comprehensive Chapter 2 is also streamlined together with refinements of the analysis of Romanian The product I hope is a more convincing defense of the strength of the Minimalist approach I would like to thank my thesis committee members Ken Haie Noam Chomsky and Howard Lasnik under whose guidance this project started

Sentential Complementation and the Lexicon Dany Jaspers, Yvan Putseys, Wim Klooster, Pieter Seuren, 2019-11-18 No detailed description available for Sentential Complementation and the Lexicon

Argument Structure Eric J. Reuland, Tanmoy Bhattacharya, Giorgos Spathas, 2007 Recent developments in the generative tradition have created new interest in matters of argument structure and argument projection giving prominence to the discussion on the role of lexical entries Particularly the more traditional lexicalist view that encodes argument structure information on lexical entries is now challenged by a syntactic view under which all properties of argument structure are taken up by syntactic structure In the light of these new developments the contributions in this volume provide detailed empirical investigations of argument structure phenomena in a wide range of languages The contributions vary in their response to the theoretical questions and address issues that range from the role of specific functional heads and the relation of argument projection with syntactic processes to the position of argument structure within a broader clausal architecture and the argument structure properties of less studied categories

The Blackwell Companion to Syntax Martin Everaert, Henk Van Riemsdijk, 2008-04-15 Pre Order The Wiley Blackwell Companion to Syntax second edition publishing December 2017 Find out more at www.companiontosyntax.com This long awaited reference work marks the culmination of numerous years of research and international collaboration by the world's leading syntacticians There exists no other comparable collection of research that documents the development of syntax in this way Under the editorial direction of Martin Everaert and Henk van Riemsdijk this 5 volume set comprises 70 case studies commissioned specifically for this volume The 80 contributors are drawn from an international group of prestigious linguists including Joe Emonds Sandra Chung Susan Rothstein Adriana Belletti Jim Huang Howard Lasnik and Marcel den Dikken among many others A unique collection of 70 newly commissioned case studies offering access to research completed over the last 40 years Brings together the world's leading syntacticians to provide a large and diverse number of case studies

in the field Explores a comprehensive range of syntax topics from an historical perspective Investigates empirical domains which have been well documented and which have played a prominent role in theoretical syntax at some stage in the development of generative grammar Serves as a research tool for not only theoretical linguistics but also the various forms of applied linguistics Contains an accessible alphabetical structure with an index integral to each volume featuring keywords and key figures Each multi volume set is also accompanied by a CD Rom of the entire Companion Like the prestigious Blackwell Handbooks in Linguistics series this multi volume work in the new The Wiley Blackwell Companions to Linguistics series can be relied upon to deliver the quality and expertise with which Blackwell Publishing's linguistics list is associated

The Function of Function Words and Functional Categories Marcel den Dikken, Christina Tortora, 2005-01-01 LC number 2005048395 *Diachronic Clues to Synchronic Grammar* Eric Fuß, Carola Trips, 2004-10-13 This volume emphasizes a new line of thinking in generative grammar which acknowledges that certain synchronic properties of languages can only be fully understood if diachronic data is taken into consideration The central topics addressed in this collection of papers are 1 a critical assessment of the hypothesis that certain apparently synchronic generalizations are actually the result of the mechanisms of language change 2 an inquiry into how diachronic data can be used to evaluate and shape formal analyses of particular synchronic phenomena Reviving the interest in diachronic explanations for synchronic data the contributions provide novel and original diachronic accounts of phenomena that up to now have escaped a deeper synchronic explanation including the nature of EPP features gaps in the distribution of complementizer agreement and counterexamples to the generalization that rich verbal inflection correlates with verb movement Verb Movement David Lightfoot, Norbert Hornstein, 1994-03-31 Work on the movement of phrase categories mostly Noun Phrases has been a central element of syntactic theorizing almost since the earliest work on generative grammar Work on the movement of lexical elements heads has been much less central until recent years Verb movement is now however the center of current research in syntax Parallel to the theoretical interest has been the attention focused on the description of verb second languages and on the movement operations that place the verb in its second position This volume represents the latest work from many of the leading researchers in an important field and draws on analyses from a wide range of languages It will have a significant impact on its field **Main Clause Phenomena** Lobke Aelbrecht, Liliane Haegeman, Rachel Nye, 2012-06-27 Main Clause Phenomena New Horizons takes the study of Main Clause Phenomena MCP into the 21st century without neglecting the origins of the topic It brings together work by both established and up and coming scholars who present analyses for a wide range of MCP from a variety of languages with a particular focus on particles and agreement markers complementizers and verb second and the licensing of MCP in different types of clauses Besides enriching the empirical domain this volume also engages with the theoretical question of how best to capture the distribution of MCP and in particular to what extent they are embeddable and why The diverse patterns and analyses presented challenge the idea that MCP constitute a

homogeneous class Main Clause Phenomena New Horizons is of interest not just to scholars specializing in the study of MCP but to all linguists interested in the syntax and or semantics of the clause Towards a Derivational Syntax Michael T. Putnam, 2009-07-29 This volume explores recent advancements in the Minimalist Program that adopt Stroik's 1999 2009 Survive Principle as the principle means of accounting for displacement phenomena in earlier versions of generative theory. These contributions bring to light many advantages and challenges that beset the Survive minimalist framework including topics such as the lexicon syntax relationship coordinate symmetries scope ellipsis code switching and probe goal relations. Despite the diverse broad range of topics discussed in this volume the papers are connected by a renewed investigation of Frampton Gutmann's 2002 vision of a crash proof syntax. This volume provides new and interesting perspectives on theoretical issues that have challenged the Minimalist Program since its inception and will provide ample food for thought for syntacticians working in the Minimalist tradition and beyond.

Yeah, reviewing a books **Role Of Inflection In Scandinavian Syntax** could grow your close contacts listings. This is just one of the solutions for you to be successful. As understood, feat does not suggest that you have astonishing points.

Comprehending as skillfully as understanding even more than extra will come up with the money for each success. neighboring to, the declaration as without difficulty as insight of this Role Of Inflection In Scandinavian Syntax can be taken as well as picked to act.

Role Of Inflection In Scandinavian Syntax Introduction

In the digital age, access to information has become easier than ever before. The ability to download Role Of Inflection In Scandinavian Syntax has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Role Of Inflection In Scandinavian Syntax has opened up a world of possibilities. Downloading Role Of Inflection In Scandinavian Syntax provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Role Of Inflection In Scandinavian Syntax has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Role Of Inflection In Scandinavian Syntax. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Role Of Inflection In Scandinavian Syntax. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Role Of Inflection In Scandinavian Syntax, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Role Of Inflection In Scandinavian Syntax has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have

become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Role Of Inflection In Scandinavian Syntax Books

1. Where can I buy Role Of Inflection In Scandinavian Syntax books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Role Of Inflection In Scandinavian Syntax book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Role Of Inflection In Scandinavian Syntax books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Role Of Inflection In Scandinavian Syntax audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media.

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Role Of Inflection In Scandinavian Syntax books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
