Nelson, 1998 Is there a third party in our political future Our constitution separated the legislative judicial and executive powers within the government believing that a weaker government meant more freedom and prosperity for its citizens however we now have bureaucrats writing legislation determining guilt and exacting punishment Judges have taken upon themselves all three functions of government and several of our recent Presidents have engaged us in wars in violation of the Constitution We are turning our rights over to foreign powers and the Congress sits idly watching allowing the loss of those freedoms The Joys of Heaven Gwendolyn Cotterell-Eidukonis, 2017-07-21 In July of 2016 Jesus spoke to Gwendolyn in a vision saying I have placed some books inside of you You will need to vomit them up In another vision Jesus gave crystal clear cylinder glasses of water to Gwendolyn and her daughter and gave them the urgent command Quick We need to get these to everyone in order for them to be caught up in the rapture In The Joys of Heaven a two book series Gwendolyn poured out these books proclaiming the power of the cross and of Jesus great love which heals and transforms lives In Part 1 Faith For Change In America the first of these very powerful and inspirational books she appeals to the unsaved to make Jesus their Lord while empowering the believer to move forward by faith She also discusses several revelations of staggering events to come that will affect the immediate future of mankind In Part II A Closer Walk with God Gwendolyn challenges believers to step up to a higher standard of holiness to experience a deeper fellowship with Jesus to take back the power that belongs to the church and to march onward and upward to victory She charges them to walk in the power of the Holy Spirit and to once again experience the power of God to do the miraculous among us **Hormonal Imbalance** Terry Dorian, 1999 Christian Broadcasting Network is offering a six cassette special edition of Dr Dorian s book Gives vital information that helps both men and women understand and avoid the horrors of hormonal imbalance due to menopause impotence lack of stamina etc
