What to Do When College Is Not the Best Time of Your Life David Leibow,2010-08-17 If college

is supposed to be the best time of our lives why are so many students unhappy What causes a well adjusted and academically successful high school graduate to suddenly flounder when he reaches college Why might she start to skip classes binge on alcohol or engage in unsatisfying hook ups Where does the anger and self doubt come from and why is it directed at loving parents or the student himself Drawing on years of experience treating college age youth David Leibow M D provides fresh honest and realistic answers to these and other important questions Instead of adventure liberation and a triumphant march into adulthood many college students experience shame regression and social and academic failure Yet by understanding themselves better and making reasonable changes students can grow from these challenges and turn bad choices into wiser personal and educational decisions Leibow focuses on issues common to college settings anxiety and depression drug and alcohol abuse laziness and work avoidance body image problems and unhealthy relationships detailing coping strategies and professional resources that best respond to each crisis His intimate knowledge of campus life and its unique challenges adds credibility and weight to his advice Reorienting the expectations of parents and students while providing the tools for overcoming a variety of hurdles Leibow shows how college can still become one of the best times of our lives

Zombie Movies Glenn Kay, 2008 *Zombie Movies* is an essential purchase for all those who love or fear horror cinema's most popular and terrifying creation. This thorough and authoritative yet uproarious guide reviews and rates nearly 300 zombie films from Bela Lugosi's *White Zombie* (1932) to George A. Romero's *Diary of the Dead* (2008), tracing the evolution of the zombie over the decades from voodoo slave to brain-eating undead to raging infected. It lays out what makes a zombie a zombie as opposed to a ghost, ghoul, vampire, mummy, pod person, rabid sicko, or Frankenstein's monster. It includes a detailed and chilling journal from the filming of *Land of the Dead*, lists the oddest and most gruesome things ever seen in undead cinema, covers not only mainstream American movies but also small independent productions, Spanish and Italian exploitation pictures, and bizarre offerings from Japan and Hong Kong. It provides a detailed rundown of the 25 greatest zombie films ever made, features in-depth interviews with actors, directors, makeup effects wizards, and other zombie experts. For serious fans and casual moviegoers alike, *Zombie Movies* will provide plenty of informative and entertaining brain food.
