Making A Difference In Your Life:

Making Sense of the Men in Your Life Kevin Leman, 2001-04-10 What really goes on in a man's mind? How does he perceive the world and how does that perception differ from a woman's view of reality? And how can knowing what a husband, son, father, or male colleague is really like help a woman succeed in her relationships with the male half of the species? Dr. Kevin Leman gives women an up-close and personal look at how the other half thinks, feels, and behaves. Topics include understanding the male sex drive, understanding the boy your husband once was and in some ways still is, and what makes a husband fulfilled, working with the male ego, advice for single and divorced women, and building a stronger relationship with your father. Leman says, "This is a hard-hitting book that finally tells it like it is. Half the women who read it probably won't believe it, but the half who take it to heart will have very grateful husbands who will return the love tenfold." *Making a Difference by Being Yourself* Gregory E. Huszycz, 2010-07-16 What does making a difference mean to you? How do you find your true purpose in life? There are hundreds of ways to make a difference in the world, and we are all hard-wired to seek purpose and happiness. The expression of that purpose, however, differs from person to person. Whereas one person may find fulfillment in volunteering, another may create an impact by being an authentic leader. The question is, what works for you? *Making a Difference by Being Yourself* deconstructs the puzzle by homing in on how your unique personality type frames the actions you take to impact others. Building on the powerful fundamentals of the Myers-Briggs Type Indicator assessment, Greg Huszycz's dynamic framework identifies four types of individuals: Stabilizers, Harmonizers, Catalysts, and Visionaries, and combines research and stories from more than 500 people to chart a journey of self-discovery and beyond. With dozens of exercises, assessment tools, and examples, *Making a Difference by Being Yourself* delivers a complete toolkit to take personal insight and awareness to the next level, to live life consciously, and to use your strengths and talents in ways that make a meaningful difference at work and in your relationships. *Feel the Good in Your Life* Pasquale De Marco, 2025-05-09 *Feel the Good in Your Life* is a transformative guide that will help you unlock the hidden potential within you and live a life of purpose, fulfillment, and joy.
