Making Gods Word Work A Guide To The Mishnah:

Making God's Word Work Jacob Neusner, 2004-01-22 The central theme of *Making God's Word Work* is that throughout the rules and norms of the Mishnah and beneath their surface is a governing theological pattern which defines the detail relating to social conduct and brings to the fore a coherent system of analysis thought and argument **Establishing Boundaries** F. j. e. Boddens Hosang, 2010 Council texts from the eastern and western Mediterranean allow us to see how close relations were between Christians and Jews in late antiquity These texts give precise descriptions of the continuing close relations between the ordinary faithful Christians and Jews on a daily basis Moses Maimonides' Treatise On Resurrection Fred Rosner, 1997-04-01 One of Maimonides classic works the *Treatise on Resurrection* is an extended discussion of resurrection the immortality of the soul the mysteries of the Messianic Age and the World to Come The *Treatise on Resurrection* was controversial in its day for its departure from accepted Jewish theology Despite opposition to his ideas Maimonides defended his view with skill and confidence Fred Rosner's notes provide the background necessary to fully understand Maimonides position and his translation is an articulate rendering of this influential text which validates resurrection as one of the cardinal principles of Judaism *The Pluralistic Halakhah* Paul Heger, 2010-11-05 This study examines by a meticulous analysis of abundant rabbinic citations the pluralism of the Halakhah in the pre 70 period which stands in contrast to the fixed Halakhah of later periods The Temple's destruction provoked for political motives the initiation of this significant shift which protracted itself in developmental stages for a longer period The transition from the Tannaitic to the Amoraic era was a consequential turning point on the extended path from flexibility to rigidity in Jewish law
