Making Lemonade:

Making Lemonade Martin Mazorra, 2007-06-12 Over the past twenty two years Mr Mazorra has helped literally hundreds of investors design and maintain their long term portfolios and in the process has discovered the secret to long term investment success And you won't find it in a financial magazine at a seminar or on one of the popular financial news networks The beauty of this secret is its simplicity It's not some groundbreaking concept or complicated strategy in a word it's behavior How investors behave when it comes to their money will inevitably determine their degree of investment success Inspired by the hopes fears dreams and aspirations of his clients this little book is a compilation of client newsletters and newspaper articles on the subjects of investing and the economy that Mr Mazorra has authored over the years These brief essays written during times of euphoria and times of despair will illustrate for you how becoming a successful long term investor may just be one of the easiest things you'll ever do *Making Lemonade* Jodi Seidler, 2009-07-23 *Making Lemonade* A Guidebook for Life After Divorce By Jodi Seidler This Guidebook dissects explores and gleans the experiences out of 15 years of single parenting weaving them into 88 pages of insights with prose and hard core facts It's a quick study manual for all single parents starting a new life Nothing was worse than not getting asked to prom And then you had to deal with the bar circuit and dating in your 20s Then your 30s roll around and you wonder why you are still single when you are finally secure with who you are And then you get married and have children and your Prince Charming turns out not to be so charming after 10 years of marriage so you depart with the pumpkin And now you are in your 40s and back on the dating circuit teenage child in tow How do you not just survive but prosper as a single parent and also prove to yourself you're still a catch in today's market When we first realize we are on our own life can feel surreal Maybe we got used to someone else pumping our gas cooking our meals paying our bills cleaning our house Perhaps we could not wait to leave the relationship but no one told us the challenges and feelings we would be experiencing We ask ourselves whose life is this anyway Well turns out it's your NEW life and it's time to buckle your seat belt and experience YOUR new life head on Jodi Seidler shares tips tidbits prose and inspiration on what it's like to be a divorced single parent in today's world Jodi is The Mother of Re Invention and Founder of the internet's first single parenting site back in 1997 www.makinglemonade.com The Single Parent Network and Creator of the whimsical HIP community www.hipsterclub.com for people who have had a hip replacement *Harriet Martineau* Michael R.
