Biblical Leadership Development Stuart W. Boyer, 2018-11-16 This book examines the principles and procedures implemented by Moses for developing leaders Using Exodus 18 as the basis the author explores how leadership skills are best developed in small group settings The author then delves into contemporary leadership principles such as authentic leadership and how organizations can develop leaders at every level of the organization Issues such as accountability ethics and trust will be discussed at length with an examination of the expected outcomes of training leaders at all levels This book will be a valuable addition to the leadership literature in showing how biblical leadership principles can be used in contemporary organizations

Leadership in the Age of Narcissism Rickardo Bodden, 2020-09-01 God needs you to lead This leadership development guidebook offers a practical antidote to the poison of narcissism It is filled with biblical principles and methods for implementing leadership modeled by Jesus Christ God wants to develop you into a better representation of him I believe self leadership is the basis for all leadership so your personal development is crucial God wants more Christian leaders to impact lives and influence culture He has designed the church his people to lead You are challenged to look at the inner you The focus is not about things leaders need to do but on how to be In this training manual you will find answers to what godly leadership is learn solid biblical values and discover thought provoking lessons to apply to your life now Do not put off your growth any longer This book will transform your life

Social-Cultural Anthropology

George Allan Phiri, 2009-09-01 Effective communication with the African society in the field of missions church planting and social development work has been and continues to be a great challenge particularly to people from western cultural and language orientation Africans are a we rather than I and a depended on rather than independent of society The worldview of a traditional African in terms of society relationships and communication is communal Certainly the African perception of communalism affects how they communicate with the people of different cultural orientation Africa has several cultures and people differ in their communication depending on their cultural orientation However there are universal African cultures that act as a framework for understanding key aspects of communication with Africans for successful missions church planting and social development work This book therefore provides a strategy of understanding communication with the African society The discussions in this book provide readers with different cultural orientations unique perception of the African society as s he may be planning to communicate with the African society for missions church planting and social development work even doing humanitarian ministry in African society Although literacy levels have improved tremendously in most African countries most of Africa is not a reading society It is imperative to understand that most Africans still communicate orally and are not time conscious Hence effective communication in African societies ought to be based on storytelling rather than literature distribution although this is in transition In fact Africans are oratory and good listeners Thus this book provides an understanding to people of different cultural orientations when they plan to communicate with the people in Africa
