**Christianity - the Simple Made Impossible** Alan G. Shinkfield, 2009-09-02 **The Most Important Decision You**

**Will Ever Make** Joyce Meyer, 2008-11-16 Many people are only concerned with what happens today or perhaps a few months down the road At best they may be concerned with what happens after retirement But what about life after death Are you prepared for it Although your physical body will die someday your spirit More will continue to live for eternity Whether your spirit resides in heaven or in hell depends on the choices you have made In this book best selling author Joyce Meyer outlines God's plan for salvation so you can make the right decision The Path Rev. Dr. Ebele Okonkwo Onuigbo, 2016-06-23

Decision making is a fundamental aspect of our daily lives shaping our paths through the resolutions we reach after careful consideration From the simplest choices to the most complex dilemmas individuals continuously navigate the terrain of decision making throughout their lifetimes These decisions serve as compass points guiding us toward the fulfillment of our goals and aspirations whether they lead to positive outcomes or negative consequences How many individuals truly take the time to thoroughly consider the available facts before diving into the decision making process Engaging in wise deliberation of facts prior to making a decision is crucial for ensuring that the resulting choice will have a meaningful impact whether on the individual themselves or the circumstances at hand So how does one go about making a wise decision It involves carefully weighing the available information considering potential consequences and evaluating the implications for both oneself and others in the surrounding community Ultimately the decisions we make not only shape our own lives but also have far reaching effects on the well being and experiences of those around us In the modern world we observe a striking dichotomy between Jesus purpose driven ethos and the prevalent self centered pursuits that often consume individuals Amidst the clamor for material possessions societal status and personal comfort many seem to lose sight of life's deeper significance While the pursuit of such desires is not inherently erroneous an excessive fixation on them can obscure individuals from fulfilling their higher calling *A Man's Decision to Change* Nathania Sledge, 2009-06-11

Mans Decision to Change tells the story of how much a man will change when he is looking for love The story surrounds the life of a man that is hiding from his past When he unexpectedly falls in love with someone that he has only known for a short period of time He falls in love without sharing the secret he has been keeping about his past life and his previous marriage That secret is going to lead to the ride of the heart that no one is ready to take Cynthia is the woman in the middle of it all as two men Isaac and Martin battle for her heart While the battle of love persist between the two men the love triangle gets bigger involving Mr X but he keeps holding onto his secret because he doesn't want to let go of his new lover Annette is co worker and friend of Martin's She discovers who Mr X is but because of a promise she made she is unable to tell anyone In the process she finds out that the man she loves is having an affair and is involved with Mr X While the two men continue to battle for Cynthia's love The divorce proceedings by two women Michelle and Francis becomes the dilemma that brings the walls of Mr X Cynthia and Isaac crashing down And Mr X's confessions will leave the courtroom and everyone in it in a frenzy especially Annette But Martin comes to Mr X's rescue and a murderer is left on the run because Cynthia chose the wrong man to love *Baha'i*

**The Healing Gods** Candy Gunther

Brown, 2013-07-30 The question typically asked about complementary and alternative medicine CAM is whether it works. However, an issue of equal or greater significance is why it is supposed to work. *The Healing Gods: Complementary and Alternative Medicine in Christian America* explains how and why CAM entered the American biomedical mainstream and won cultural acceptance even among evangelical and other theologically conservative Christians despite its ties to non-Christian religions and the lack of scientific evidence of its efficacy and safety. Before the 1960s, most of the practices Candy Gunther Brown considers—yoga, chiropractic, acupuncture, Reiki, Therapeutic Touch, meditation, martial arts, homeopathy, anticancer diets—were dismissed as medically and religiously questionable. These once suspect health practices gained approval as they were re-categorized as non-religious, though generically spiritual, health care, fitness, or scientific techniques. Although CAM claims are similar to religious claims, CAM gained cultural legitimacy because people interpret it as science instead of religion. Holistic health care raises ethical and legal questions of informed consent, consumer protection, and religious establishment at the center of biomedical ethics, tort law, and constitutional law. *The Healing Gods* confronts these issues, getting to the heart of values such as personal autonomy, self-determination, religious equality, and religious voluntarism.

**Christian Dogmatics** Carl E. Braaten, Robert W. Jenson, 2011-07 Volume 1 discusses dogmatics: the Trinity, the identity of God, creation, sin, and Christology.

**What Would Moses Say?** Pamela Susanne Snyder, 2023-11-27 *What Would Moses Say* is a carefully researched and crafted book. The author began with the premise that Moses's Law, in fact, much of Old Testament history, is nonbinding for today's believer. Her journey and findings brought a surprising revelation: that all of God's word is useful for our spiritual growth. As she explored each of the Ten Commandments, the truth became even clearer. The moral principles that God had established as a standard for the Israelites still hold true for today. In fact, as society continues to break down with prevailing lawlessness, there has never been a better time than now to address our application of God's commandments. Could it be that a careless disregard for the obsolete law is the reason for the lukewarm state of many believers in the twenty-first century? Decreased church attendance, high divorce rates, disobedient children, loss of young adults to secular pursuits, and an absence of God's name in day-to-day conversation all characterize the problem. Could it be that good people who call themselves Christian could benefit from a deeper look at the Ten Commandments? According to the findings, the answer is yes. The evidence points to the need for a new or renewed relationship with God's appointed head of the church, Jesus Christ. There cannot be any substantial law-keeping in the absence of the lawgiver. We must first love God, the first commandment, before we can love others. The worldliness of today's church has impacted Christianity as we know it. There is no other answer than to be unique and separate. This book was written for readers in all stages of their spiritual journey. It promises to be interesting, challenging, enlightening, and instructional. Use it for personal reading or a group study.

**Morning Serenity** , *Attacks on Christendom in a World Come of Age* Matthew D. Kirkpatrick,2011-08-19 Though Soren Kierkegaard and Dietrich Bonhoeffer both made considerable contributions to twentieth century thought they are rarely considered together Against Kierkegaard s melancholic individual Bonhoeffer stands as the champion of the church and community In *Attacks on Christendom* Matthew D Kirkpatrick challenges these stereotypical readings of these two vital thinkers Through an analysis of such concepts as epistemology ethics Christology and ecclesiology Kirkpatrick reveals Kierkegaard s significant influence on Bonhoeffer throughout his work Kirkpatrick shows that Kierkegaard underlies not only Bonhoeffer s spirituality but also his concepts of knowledge being and community So important is this relationship that it was through Kierkegaard s powerful representation of Abraham and Isaac that Bonhoeffer came to adhere to an ethic that led to his involvement in the assassination attempts against Hitler However this relationship is by no means one sided *Attacks on Christendom* argues for the importance of Bonhoeffer as an interpreter of Kierkegaard drawing Kierkegaard s thought into his own unique context forcing Kierkegaard to answer very different questions Bonhoeffer helps in converting the obscure obdurate Dane into a thinker for his own unique age Both Kierkegaard and Bonhoeffer have been criticized and misunderstood for their final works that lay bare the religious climates of their nations In the final analysis *Attacks on Christendom* argues that these works are not unfortunate endings to their careers but rather their fulfilment drawing together the themes that had been brewing throughout their work

*The Vows of Religious Life in a Secular Society* Judith A. Merkle,2025-08-21 This book investigates religious vows shedding light on the type of faith that can sustain humanity in secular times It examines the personal impact of religious life as well as its potential to foster a sense of completeness within society at large Unbelief in today s society can be partially rooted in the shallowness of the sort of religion that the secular can abandon Such a religion characterized as magical shallow illusory or rooted solely in external rituals lacks the depth required to thrive in a secular society It fails to address the profound aspects of human existence the authentic freedom of the spirit and the enduring obedience of faith This study of religious vows uncovers their deeper meanings in light of these challenges It invites us to consider whether religious life despite contemporary criticisms can be seen as touching wholeness This book does not only delve into the theological foundations of these vows but also key areas which impact their understanding and living in new contexts It surveys sociological landscapes and goes beyond to encompass shifts in science psychology theology Religious life in this sense is part of the renewal of the church as well as an agent in it By focusing briefly on each vow Judtih A Merkle illustrates how religious life serves as a bridge connecting the secular and the sacred It is a life focused on love of God and service of others which is a witness to the coming of Kingdom of God and values which

truly matter in contemporary society
