and goodness of God that leads us to make good decisions and allows us to surrender our lives to him As we strive to mature spiritually and lead lives pleasing to God we all want more faith Hebrews 6 12 says that we are to be imitators of those who through faith and patience inherit the promises One of the best ways to grow in faith is to imitate the lives of people who have shown great faith Hebrews 11 guides us through the lives of men and women like Abel Enoch Noah Abraham Sarah Moses Rahab David and others who have done just that Real people with real lives and real problems who had faith in a great God and trusted him at pivotal moments in their lives By drawing on some of the greatest lives of faith in the Bible readers will come to see that God was worthy of these men s and women s trust and faith during biblical times in the same way that he is worthy of ours today      **God Made Me** Zach Alexander,2017-07-12 My oldest child Alex came home from school one day upset that all the children at his school were a different color than him He lay on the floor of our house sad and almost crying I tried to explain to him that there were lots of different colors at his school but he persisted that he was the only one of his color He seemed to be ashamed of himself So I looked to my faith in God and explored the biblical teaching about why we are all different colors      Trusting God's Timing Steven Stoffelsen,2017-01-17 Many times Christians excitedly receive a promise or vision from God From that moment forward they want to tell the whole world what God is going to do in and through them It s so exciting to have a promise from God The Bible says Where there is no vision the people perish Proverbs 29 18 But when God gives us a promise or vision it takes time to see it fulfilled Rarely is the vision for tomorrow or even the next year It s for a certain time set by God He shows it to you early but He still wants to prepare you for the journey ahead Many Christians get discouraged during this process and walk away from God But so many people in the Bible like Abraham Joseph and David had to go through years of preparation before they saw their visions fulfilled They waited a long time probably longer than most of us Be encouraged and don t let a thing called time destroy you before you even start God is for you and what He s promised He will bring to pass      *Making Life-Changing Decisions* Victor Chukwu,2023-04-17 Are you feeling lost amid life s endless distractions and competing voices Do you struggle to make life changing decisions that align with your dreams and values If so you re not alone In today s fast paced world staying true to yourself and following the path that s meant for you can be challenging But fear not this inspiring and compelling book is a beacon of hope and guidance In *Making Life Changing Decisions* the author takes you on a transformative journey to help you discover your purpose and seek God s will for your life Through personal stories and practical advice this book offers a roadmap to navigate the twists and turns of daily living and decision making It shares valuable insights on dreaming big pursuing excellence waiting on God s timing and maintaining faith in uncertainty You will discover the power of making firm decisions and staying focused on your goals even when the road ahead seems daunting Whether you re standing at a crossroads in your career relationships or personal life this book s timeless wisdom can help you make confident choices take bold steps toward your dreams unlock your true potential and live a life that honors God      Following King Jesus Scot McKnight,Becky Castle Miller,2019-04-16

perspectives As a result very little constructive work has been done on the interconnections between Open Theism and the natural sciences Given the central place of sciences in today s world any perspective that hopes to have a broad impact must necessarily address such disciplines in a sustained and constructive manner To date such engagements from the Openness perspective have been rare God in an Open Universe addresses this deficiency This book demonstrates that Open Theism makes a distinctive and highly fruitful contribution to the conversation and constructive work occurring between philosophy theology and the sciences The various essays explore subjects ranging from physics to prayer from special relativity to divine providence from metaphysics to evolution and from space time to God All who work at the intersection of theology and the sciences will benefit greatly from these essays that break new ground in this important conversation     *Christian Faith and Life* ,1926     **Michigan Christian Advocate** ,1919     *The 10 Best Decisions a Single Can Make* Bill Farrel,Pam Farrel,2011-02-01 Bill and Pam Farrel bestselling authors of Men Are Like Waffles Women Are Like Spaghetti more than 260 000 copies sold and The 10 Best Decisions a Couple Can Make now lead single men and women through the ten most influential decisions they can make to embrace faith fulfillment and purpose With candor and humor the Farrels present ten decisions that will help singles live a full life instead of a life on hold choose celibacy for the purpose of ultimate fulfillment choose community and activity over isolation or self focus wake up to the significance of their life and the opportunities ahead give their dreams relationships careers and decisions to God Biblical insights and life examples offer spiritual encouragement and practical guidance for those desiring a complete life as a single and as a person who is open to God s plan for their future
