Goldner, 1975 *The Screen Chills Companion, 1931-1939* Chris Fellner, 2025-05-02 This first volume of a two volume set covers every film released during the first wave of Hollywood horror 1931 1939 providing 74 chilling entries with important historical context frightening facts and terrifying trivia Each entry supplies a detailed production history derived from trade publication reports contemporary press hype cast scenario critiques and behind the scenes production tidbits Postscripts detailing noteworthy events that followed a picture's theatrical run such as sequels or award nominations also are featured An appendix presents a full roster of horror films that came out of New York instead of Hollywood This complete history of the first wave of Hollywood horror is thoroughly illustrated and meticulously documented *The Art and Craft of Motion Pictures* Vincent LoBrutto, 2019-08-02 This volume can rightfully be called a film school in a single book Investigating and analyzing the elements and concepts of motion picture creation this book looks closely at 25 films that represent a wide range of styles and subjects Although most motion picture viewers have seen numerous movies in their lifetime few in the general public have a firm and deep understanding of how motion pictures are created or a grasp of the intricacies of cinematic storytelling and content By presenting 25 films American and international Hollywood and independent this book educates and enlightens readers about the details of the motion picture creation process Some readers will have viewed certain films in the volume but many will be introduced to major cinematic works within the canon of great and essential films for the very first time Topics explored include animation period films editing directorial style and non linear cinematic structure Readers will learn about the origin of the jump cut in *Breathless* time and space in *Hiroshima Mon Amour* and the editing in Orson Welles's essay film *F is for Fake* *The Art and Craft of Motion Pictures 25 Movies to Make You Film Literate* will educate the novice and avid moviegoer alike about the inner workings of this dynamic popular and culturally significant art form *King Kong* Ray Morton, 2005-11 Chronicling the making of all seven feature films in which King Kong has appeared including the Peter Jackson film due for release in December 2005 this book includes coverage of all the original films as well as the many variants and offshoots

Fear, Cultural Anxiety, and Transformation Scott A. Lukas, John Marmysz, 2010-01-01 The contributors to this volume explore the themes of fear cultural anxiety and transformation as expressed in remade horror science fiction and fantasy films While opening on a note that emphasizes the compulsion of filmmakers to revisit issues concerning fear and anxiety this collection ends with a suggestion that repeated confrontation with these issues allows the opportunity for creative and positive transformation **Spawn of Skull Island: The Making of King Kong** , *The Making of King Kong* , 1975

The Guide to United States Popular Culture Ray Broadus Browne, Pat Browne, 2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index *White Screens/Black Images* James Snead, 2016-07-22 Hollywood's representation of blacks has been consistently misleading promoting an artificially constructed mythology in place of historical fact But how James Snead asks did black skin on screen develop into a complex code for various types of white supremacist discourse In these essays completed shortly before his death in 1989 James Snead offers a thoughtful inquiry into the intricate modes of racial coding in Hollywood cinema from 1915 to 1985 Snead presents three major methods through which the racist ideology within film functions mythification in which black images are correlated in a larger scheme of semiotic valuation where the dominant I needs the marginal other in order to function effectively marking in which the color black is repeatedly over determined and redundantly marked as if to force the viewer to register the image's difference from white and omission the repetition of black absence from positions of autonomy and importance White Screens Black Images offers an array of film texts drawn from both classical Hollywood cinema and black independent film culture Individual chapters analyze Birth of a Nation King

Kong Shirley Temple in *The Littlest Rebel* and *The Little Colonel* Mae West in *I'm No Angel* Marlene Dietrich in *Blonde Venus* Bette Davis in *Jezebel* the racism of Disney's *Song of the South* and *Taxi Driver* Making skillful use of developments in both structuralist and post structuralist film theory Snead's work speaks not only to the centrality of race in Hollywood films but to its centrality in the formation of modern American culture [The Great Monster Magazines](#) Robert Michael "Bobb" Cotter, 2019-04-16 This is a critical overview of monster magazines from the 1950s through the 1970s Monster magazine is a blanket term to describe both magazines that focus primarily on popular horror movies and magazines that contain stories featuring monsters both of which are illustrated in comic book style and printed in black and white The book describes the rise and fall of these magazines examining the contributions of Marvel Comics and several other well known companies as well as evaluating the effect of the Comics Code Authority on both present and future efforts in the field It identifies several sub genres including monster movies zombies vampires sword and sorcery and pulp style fiction The work includes several indexes and technical credits *Golden Horrors* Bryan Senn, 2015-09-03 From the grindhouse oddities to major studio releases this work details 46 horror films released during the genre's golden era Each entry includes cast and credits a plot synopsis in depth critical analysis contemporary reviews time of release brief biographies of the principal cast and crew and a production history Apart from the 46 main entries 71 additional borderline horrors are examined and critiqued in an appendix *Music by Max Steiner* Steven C. Smith, 2020 In this biography the author interweaves the dramatic incidents of Steiner's personal life with an accessible exploration of his composing methods and experiences *Otherness in Hollywood Cinema* Michael Richardson, 2010-06-17 In *Otherness in Hollywood Cinema* Michael Richardson argues that the Hollywood system has been the only national cinema with the resources and inclination to explore images of others through stories set in exotic and faraway places He traces many of the ways in which Hollywood has constructed otherness and discusses the extent to which those images have persisted and conditioned today's understanding Hollywood was from the beginning teeming with people who had experienced cultural displacement Coaxing the finest talents from around the world and needing to produce films with an almost universal appeal Hollywood confounded American insularity while simultaneously presenting a vision of America to the world The book examines a range of genres from the perspective of otherness including the Western film noir and zombie movies Films discussed include *Birth of a Nation* *The New World* *The Searchers* *King Kong* *Apocalypse Now* *Blade Runner* *Jaws* and *Dead Man* Erudite and highly informed this is a sweeping survey of how the American film industry has portrayed the foreign and the exotic **Digital Imaging in Popular Cinema** Lisa Purse, 2013-01-07 To what extent has cinema been transformed by the advent of digital imaging Have digital solutions to production challenges begun to change our experience of films and their characters action and narratives And what impact does the inclusion of digital imaging in the film frame have on our interpretation and analysis of film texts *Digital Imaging in Popular Cinema* explores these issues through analysis of specific film moments and extended case studies of films including

Minority Report King Kong 300 and Hugo It discusses how digital imaging can mimic transform shape and generate both fantastical and mundane objects and phenomena from scratch and what the implications are for how we read films and explores how cultural ideas about digital imaging can influence meaning within a film a scene or even a single shot The increasingly widespread use of digital imaging in cinema means that we can no longer afford to ignore it when critically analysing and interpreting film texts This innovative and engaging book provides a blueprint for approaching digital imaging in contemporary film and is therefore essential reading for all those working in the field of Film Studies
