The Marshall Mission to China, 1945-1947 Roger B. Jeans, 2011-08-28 This book breaks new ground in our understanding of a pivotal period in the history of American foreign policy the early Cold War and the struggle for dominance in China between the Nationalists and Communists The famous Marshall Mission to China has been the focus of intense scrutiny ever since General George C Marshall returned home in January 1947 and full scale civil war consumed China Yet until recently there was little new to add to the story of the failure to avert war between the Chinese Nationalists under Chiang Kai shek and the Chinese Communists led by Mao Zedong Drawing on a newly discovered insider's account Roger B Jeans makes an invaluable contribution to our understanding of Marshall's failed mediation effort and the roles played by key Chinese figures Working from the letters and diary of U S Army Colonel John Hart Caughey Jeans offers a fresh

interpretation of the mission From beginning to end Caughey served as Marshall s executive officer in effect his right hand man assisting the general in his contacts with the Chinese and drafting key documents for him Through his writings Caughey provides a rare behind the scenes view of the general s mediation efforts as well as intimate glimpses of the major Chinese figures involved including Chiang Kai shek Madame Chiang and Zhou Enlai In addition to daily contact with Marshall Caughey often rubbed shoulders with these major Nationalist and Communist figures As a meticulous eyewitness to history in the making Caughey offers crucial insight into a key moment in post World War II history The Soldier Image and State-Building in Modern China, 1924-1945 Yan Xu,2019-02-15 Based on groundbreaking research this book is the first of its kind to provide a close examination in English of the extensive imagery of the soldier figure in the war culture of early twentieth century China This study moves away from the traditional military history perspectives and focuses on the neglected cultural aspect of the intersection of war and society in China during a crucial period that led to the eventual victory of the Chinese Communist Party over the Nationalist Party Integrating history literature and arts this appealing narrative reveals multiple meanings of the soldier figure created by different political social and cultural forces in modern China Drawing from a wide range of sources including government documents speeches newspaper articles memoirs military textbooks and yangge drama Yan Xu recounts stories of unforgettable Chinese political leaders including Chiang Kai shek and Mao Zedong She also examines the wartime experiences of previously marginalized social groups including women soldiers wounded soldiers student soldiers military writers and vocational education professionals giving voice to those largely forgotten by military historians This book opens up a new area in modern Chinese history and Chinese military history by revealing that the cultural discourse on the soldier image is essential to understanding Chinese nationalism state building and civil military relations in the early twentieth century Twentieth Century China James H. Cole,2004 Emphasizing reference works published since 1964 these volumes cover books periodicals and inclusions i e chapters in edited volumes on the 1911 Revolution the Republic of China 1949 post 1911 Taiwan post 1911 Hong Kong and Macao and post 1911 overseas Chinese Information Sources of Political Science Stephen W. The Allure of the Nation Tze-ki Hon,2015-03-20 Covering half a century from 1895 to 1945 The Allure of the Nation examines three interlocking aspects of Chinese nationalist modernity 1 the quest to balance global connectivity and ethnic authenticity 2 the desire to balance national unity and local autonomy 3 the drive to balance history s place as a tool of political propaganda and as a weapon used to critique orthodoxy and political suppression By viewing the nation as a cluster of spatial temporal relations that link individuals to a territorial state this book provides a different view of early twentieth century China where the party state did not have full control of political and cultural affairs and alternative political perspectives such as local self government and democratic aristocracy could be freely expressed *The History of China* ,

Culture, Music Education, and the Chinese Dream in Mainland China Wai-Chung Ho,2018-01-04 This book focuses on the rapidly changing sociology of music as manifested in Chinese society and Chinese education It examines how social changes and cultural politics affect how music is currently being used in connection with the Chinese dream While there is a growing trend toward incorporating the Chinese dream into school education and higher education there has been no scholarly discussion to date The combination of cultural politics transformed authority relations and officially approved songs can provide us with an understanding of the official content on the Chinese dream that is conveyed in today s Chinese society and how these factors have influenced the renewal of values based education and practices in school music education in China

The Politics of Historical Production in Late Qing and Republican China Tze-ki Hon,Robert Culp,2007-08-13 By examining various forms of historical production happening outside the mainstream of academic history in early 20th century China this book shows how historical writings were central to the Chinese debate on the nation elite authority and active citizenry

Confucian Concord Federico Brusadelli,2020-09-25 In Confucian Concord Federico Brusadelli offers an intellectual analysis of the Datong Shu Written by Kang Youwei 1858 1927 and conceived as his most esoteric and comprehensive legacy to posterity the book was eventually published posthumously in 1935 considered too advanced for the times in Kang s own opinion Connecting Datong Shu to its author s intellectual biography and framing it within the intellectual and political debate of the time Brusadelli investigates the conceptual and philosophical implications of Kang s global prophecy showing how an apparently utopian and escapist piece of literature was actually an attempt to save at least ideally the imperial political order updating the traditional Confucian universalism to a new modern world

Securitizing Balance of Power Theory Ilai Z. Saltzman,2011-12-22 *Securitizing Balance of Power Theory* A Polymorphic Reconceptualization by Ilai Z Saltzman examines different reactions to changes in the balance of power and the way different states formulate their grand strategies in order to engage these changes Saltzman offers a neoclassical realist interpretation of the balance of power theory making the case for a more inclusive theory which considers balance of security as well The text empirically examines this new theory using two sets of historical cases the British and Soviet responses to Nazi Germany

and the American and Chinese responses to the rise of Imperialist Japan both during the interwar period The second set of cases considers the Russian North Korean Chinese and European Union s response to post Cold War America
