Order And Artifice In Humes Political Philosophy:

Order and Artifice in Hume's Political Philosophy Frederick J. Whelan, 2017-03-14 Frederick G Whelan relates Hume's political theory to the other parts of his philosophy including his epistemology his account of human nature and his ethics emphasizing the unity of the whole Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Order and Artifice in Hume's Political Philosophy* Frederick G. Whelan, 2004 *Order and Artifice in Hume's Political Philosophy* Frederick G. Whelan, 1985-01-01 Opinion and Reform in Hume's Political Philosophy John B. Stewart, 2014-07-14 The picture of Hume clinging timidly to a raft of custom and artifice because poor skeptic he has no alternative is wrong writes John Stewart Hume was confident that by experience and reflection philosophers can achieve true principles In this revisionary work Stewart surveys all of David Hume's major writings to reveal him as a liberal moral and political philosopher Against the background of seventeenth and eighteenth century history and thought Hume emerges as a proponent not of conservatism but of reform Stewart first presents the dilemma over morals in the modern natural law school then examines the new approach to moral and political philosophy adopted by Hume's precursors Shaftesbury Mandeville Hutcheson and Butler Illuminating Hume's explanation of the standards and rules that should govern private and public life the author challenges interpretations of Hume's philosophy as conservative by demonstrating that he did not dismiss reason as a key factor determining right and wrong in moral and political contexts Stewart goes on to show that Hume viewed private property the market contracts and the rule of law as essential to genuine civilized society and explores Hume's criticism of contemporary British beliefs concerning government religion commerce international relations and social structure Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Hume: Political Essays David Hume, 1994-07-07 A fully annotated edition of Hume's most important political essays David Hume's Political Theory Neil McArthur, 2007-01-01 David Hume's Political Theory brings together Hume's diverse writings on law and government collected and examined with a view to revealing the philosopher's coherent and persuasive theory of politics **Reading Hume on the Principles of Morals** Jacqueline Taylor, 2020-03-19 Hume's Enquiry concerning the Principles of Morals is

one of the landmark works in the history of moral philosophy this volume presents a section by section study of the work in the form of new interpretative essays by leading Hume scholars The result is a comprehensive reassessment of Hume s recasting of his moral philosophy in this work Particular attention is given to the Enlightenment concepts of justice and benevolence as well as to the concept of humanity and moral sentiment Fifteen original chapters take the reader through the nine sections and four appendices of Hume s Enquiry as well as A Dialogue to assess critically the moral philosophy he presents How does it differ from the moral philosophy of the Treatise and how should we understand the significance of the arguments he advances Additional chapters examine the relation between Hume s mature moral philosophy and related subjects such as his epistemology his writings on religion beauty and criticism the passions and his own intellectual and philosophical development during the period in which he conceived and wrote the Enquiry *A Companion to Hume* Elizabeth S. Radcliffe, 2011-05-31 Comprised of twenty nine specially commissioned essays A Companion to Hume examines the depth of the philosophies and influence of one of history s most remarkable thinkers Demonstrates the range of Hume s work and illuminates the ongoing debates that it has generated Organized by subject with introductions to each section to orient the reader Explores topics such as knowledge passion morality religion economics and politics Examines the paradoxes of Hume s thought and his legacy covering the methods themes and consequences of his contributions to philosophy The Pragmatic Enlightenment Dennis C. Rasmussen, 2014 This is a study of the political and moral thought of the Enlightenment focusing on four key eighteenth century thinkers David Hume Adam Smith Montesquieu and Voltaire Dennis C Rasmussen argues that these thinkers exemplify a particularly attractive type of liberalism one that is more realistic moderate flexible and contextually sensitive than most other branches of this tradition *Locke, Hume, and the Treacherous Logos of Atomism* Robert J. Roecklein, 2015-10-08 Modern Philosophy Philosophy of Physics Philosophy of language Neurobiology Philosophy of Perception Modern Political Philosophy all share a common philosophical foundation atomism The theory of atomism that is developed in the writing of Einstein Bohr Schrodinger and Reichenbach shares the same metaphysical roots as the atomism of Gottlob Frege Ludwig Wittgenstein and Bertrand Russell These atomisms share the same foundation as the one developed by John Locke and David Hume Until now the full philosophic history and metaphysical foundations of this theory of atomism have not been presented Atomist theory not only contains cultural premises of great significance for the fate of public opinion but it is also an eminently political doctrine incompatible with the most modest degree of democracy The atomist theory happens to be false In this case the truth does matter *Foundations of American Constitutionalism* David A. J. Richards, 1989 In writing the constitution the Founders combined a Lockean theory of politically legitimate power with the political science they had learned from Machiavelli Harrington Hume and Montesquieu to articulate a new conception of constitutional argument Examining the Founders humanist analytical methods and working assumption this book combines history political philosophy and interpretive practice as it demonstrates an

alternative exegesis of the Constitution It clarifies a wide range of interpretive issues of federalism enumerated rights religious liberty and free speech unenumerated rights the constitutional right to privacy and equal protection *David Hume* Claudia M. Schmidt,2010-11-01 In his seminal *Philosophy of David Hume* 1941 Norman Kemp Smith called for a study of Hume for Hume specialists as a unified and intriguing interpretation of his thought for philosophers generally as a synthesis of recent developments in Hume scholarship and for scholars in other disciplines as a guide to Hume s contributions to their own fields **Melancholy Duty** S.P. Foster,2013-03-09 This book studies the complementary features of the thought of David Hume and Edward Gibbon in the complete range of its confrontation with eighteenth century Christianity The ten chapters explore the iconoclasm of these two philosophical historians Hume as the premier philosopher Gibbon as the consummate historian as they labored to naturalize the study of Christianity particularly with attention to its social and political dimensions No other work deals as comprehensively or thoroughly with the attempt of philosophical history s challenge to Christianity Belief in miracles and the afterlife the dimensions of fanaticism and superstition and the nature of religious persecution were the themes that occupied Hume and Gibbon in the making of their critique of Christianity This book makes a valuable contribution to scholarship in a number of fields including the history of ideas religious studies and philosophy It will be of interest to philosophers of religion historians of ideas eighteenth century intellectual historians scholars of the Scottish Enlightenment and Hume and Gibbon scholars **Hume's Politics** Andrew Sabl,2015-09-08 Hume s Politics provides a comprehensive examination of David Hume s political theory and is the first book to focus on Hume s monumental *History of England* as the key to his distinctly political ideas Andrew Sabl argues that conventions of authority are the main building blocks of Humean politics and explores how the *History* addresses political change and disequilibrium through a dynamic treatment of coordination problems Dynamic coordination as employed in Hume s work explains how conventions of political authority arise change adapt to new social and economic conditions improve or decay and die Sabl shows how Humean constitutional conservatism need not hinder and may in fact facilitate change and improvement in economic social and cultural life He also identifies how Humean liberalism can offer a systematic alternative to neo Kantian approaches to politics and liberal theory At once scholarly and accessibly written Hume s Politics builds bridges between political theory and political science It treats issues of concern to both fields including the prehistory of political coordination the obstacles that must be overcome in order for citizens to see themselves as sharing common political interests the close and counterintuitive relationship between governmental authority and civic allegiance the strategic ethics of political crisis and constitutional change and the ways in which the biases and injustices endemic to executive power can be corrected by legislative contestation and debate **The Cambridge Companion to Hume** David Fate Norton,Jacqueline Taylor,2008-12-08 Although best known for his contributions to the theory of knowledge metaphysics and philosophy of religion Hume also influenced developments in the philosophy of mind psychology ethics political and

economic theory political and social history and aesthetic theory The fifteen essays in this volume address all aspects of Hume's thought The picture of him that emerges is that of a thinker who though often critical to the point of scepticism was nonetheless able to build on that scepticism a constructive viable and profoundly important view of the world Also included in this volume are Hume's two brief autobiographies and a bibliography suited to those beginning their study of Hume This second edition of one of our most popular Companions includes six new essays and a new introduction and the remaining essays have all been updated or revised

Hume and Machiavelli Frederick G. Whelan, 2004-01-01 Hume and Machiavelli compares the political thought of David Hume usually seen as a classical liberal theorist of the Enlightenment and Niccolò Machiavelli the founder of modern political realism Through an extensive survey of the two authors' approaches to political science domestic and foreign statecraft political ethics and historical interpretation Frederick G. Whelan demonstrates the presence of numerous Machiavellian themes in Hume including both borrowings and similar patterns of analysis and judgment These similarities indicate that Hume's political theory grounded as it is in the real world of historical experience and moral complexity may be characterized as a realist variant of liberalism standing in contrast to better known rationalist and ideal oriented liberal theories The book concludes with a general account of realist liberalism with illustrations from the Federalist Papers and several recent political philosophers in addition to Hume

David Hume Richard Whatmore, 2017-05-15 This volume on Hume's politics brings together essays that have been formative of the scholarly and more general debate about Hume's political thought Unlike many theorists who express their thought in terms of system Hume uses the incidental genre of the essay as the vehicle for his writing and his mode of presentation is a reflection indeed an expression of his belief in the limited power of reason to give any over all shape to human life Hume's politics are particularly suited for discussion of a wide range of viewpoints The possibilities of seeing in Hume both the conservative and the liberal are pursued along with Hume's sophisticated analysis of party politics His acute and pioneering theorisation of perhaps the most central issue for 18th century political observers that of commerce and politics is brought out in the context of his ideas of the international order His fundamental theory of justice is discussed in its connection with law property and government

Philosophy and Religion in Enlightenment Britain Ruth Savage, 2012-04-26 Philosophy and Religion in Enlightenment Britain explores some of the themes and issues that exercised thinkers concerned with religion and philosophy and their interrelatedness in the period known as the long eighteenth century while illustrating the techniques and style of intellectual history as practised in the early twenty first century The volume will encourage further understanding of the influences that were current at the time that some of the most significant works in western philosophy were written and use primary materials to achieve this The essays presented here have been specially commissioned from both established distinguished collaborators and young up and coming scholars to illustrate the breadth and diversity of philosophy in the late seventeenth and eighteenth centuries This was a period when ideas were being formed and developed

against a background of evolving views in science politics and religion and in light of their implications for traditional religious belief and thought The figures examined range from Locke and Hume to lesser known personalities who provide a different perspective on the intellectual environment of the time such as Samuel Halliday Martin Clifford and Henry Scougal In addition the volume contains new transcriptions of two revealing works by Hume a letter illustrating his later attitude to political theory and an early essay on ethics and chivalry *Fifty Major Political Thinkers* Ian Adams,R.W. Dyson,2004-03-01

Fifty Major Political Thinkers introduces the lives and ideas of some of the most influential figures in Western political thought from ancient Greece to the present day The entries provide a fascinating introduction to the major figures and schools of thought that have shaped contemporary politics including Aristotle Simone de Beauvoir Michel Foucault Mohandas Gandhi Jurgen Habermas Machiavelli Karl Marx Thomas Paine Jean Jacques Rousseau Mary Wollstonecraft Fully cross referenced and including a glossary of theoretical terms this wide ranging and accessible book is essential reading for anyone with an interest in the evolution and history of contemporary political thought *Jeremy Bentham* Frederick Rosen,2017-11-30

Jeremy Bentham s 1748 1832 writings in social and political thought were both theoretical and practical As a theorist he made important contributions to the modern understanding of the principle of utility to ideas of sovereignty liberty and justice and to the importance of radical reform in a representative democracy As a reformer his ideas regarding constitutionalism revolution individual liberty and the extent of government have not only played an important role in eighteenth and nineteenth century debates but also together with his theoretical work remain relevant to similar debates today This volume includes essays from leading Bentham scholars plus an introduction surveying recent scholarship by Frederick Rosen formerly Director of the Bentham Project and Professor Emeritus of the History of Political Thought University College London

Artifice In Humes Political Philosophy full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Order And Artifice In Humes Political Philosophy eBooks, including some popular titles.

FAQs About Order And Artifice In Humes Political Philosophy Books

What is a Order And Artifice In Humes Political Philosophy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Order And Artifice In Humes Political Philosophy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Order And Artifice In Humes Political Philosophy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Order And Artifice In Humes Political Philosophy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Order And Artifice In Humes Political Philosophy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
