Portmanteau and Plays by Stuart Walker Stuart Walker, 2014-03 This Is A New Release Of The Original 1919 Edition

Portmanteau and Plays by Stuart Walker Stuart Walker, Edward Hale Bierstadt, 2014-03 This Is A New Release Of The Original 1919 Edition Portmanteau Plays Stuart Walker, 1919 Four one act plays by the director and inventor of the Portmanteau Theatre an independent repertory theatre company The plays were designed for a portable stage reminiscent of a Japanese N theatre which was packed away in large cases for travel to the next appearance Minimal decor and props encourage the audience to join the drama of imagination **More Portmanteau Plays** Stuart Walker, 1919 **More Portmanteau Plays** Stuart Walker, 2018-05-09 During the period which has elapsed between the publication of Portmanteau Plays and that of the present volume our country entered upon the greatest war in history and emerged victorious It is far too early to estimate what effect that war has had or may have upon all art in general and upon the dramatic and theatric arts in particular but there is every indication that the curtain is about to rise on the great romantic revival which we have watched and waited for and of which Stuart Walker has been one of the major prophets During the actual period of the war many of the creative and interpretative artists of the theater were engaged either directly in army work or in one of its auxiliary branches It is amusing to recall that the present writer met Schuyler Ladd serving as Mess Sergeant for a Base Hospital in France Alexander Wollcott late dramatic critic of the New York Times attached to the Stars and Stripes in Paris and Douglas Stuart the London producer in an English hospital at Etretat the while he himself was serving as an enlisted man on the staff of the same hospital These are minor instances but when they have been multiplied several hundred times one begins to see how closely the actor the critic and the producer were involved in the struggle Again the problem of providing proper entertainment for the troops was and still is a serious one In the great number of cases it seems highly probable that the entertainment along such lines done by the men themselves was far more effective than that provided by outside organizations More than once however it appeared to the writer that here was a field especially suited to the Portmanteau Theater and to its repertory The question of transportation always a crucial point with such a venture was no more difficult than that presented by many companies already in the field and doing immensely inferior work My return to America put me in possession of the facts of the matter and without desiring in any way to cast blame much less to indict or to emphasize unduly a relatively unimportant point it seems only fitting that there should be included in this record the reasons for what has seemed to many of us a lost opportunity They are at least much more brief than the apologia which precedes them **Portmanteau Plays (Classic Reprint)** Stuart Walker, 2015-06-30 Excerpt from Portmanteau Plays About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an
