Principles Of Scientific Socialism A Primer On Marxism Leninism:

Principles of Scientific Socialism Philip Sharnoff,1983 **Rotten Foundations** Peter W. Sperlich,2002-11-30
Sperlich examines the ideological foundations of the socialist regime of the former German Democratic Republic He provides a detailed analysis of the nature of the GDR s legitimating ideology and of the reasons why the ideology ultimately failed to legitimate the regime The study uses primary source documents extensively as well as the little existing secondary literature This is part of Sperlich s larger project dealing with the government society economy political participation and administration of the law and the system of courts of the GDR This definitive treatment of the GDR provides the background essential to an understanding of all communist systems of the twentieth century As such it is vital reading for scholars students and other researchers seeking to understand the rise and ultimate collapse of communist systems and in particular the decline of the German Democratic Republic **Redeemer Nation** Orrin Schwab,2004 In this book Dr Orrin Schwab develops the concept of the modern technocratic state as part of a global technocratic culture and civilization The author argues that technocratic cultural and institutional forms were and are part of a collective script for Western culture The American script combined the scientific commercial and technological aspects of the Enlightenment with the radical 17th century Protestant belief in America as a new Zion In the twentieth century the synthesis of mission along with global technocratic knowledge and institutions created the Wilsonian liberal technocratic order As the principal agent and protector of the modern capitalist international system America the self defined Redeemer Nation has moved through the controlled anarchy of international relations from one war and crisis to the next confirmed in its self defined role and mission **The Publishers' Trade List Annual** ,1985 **Journal of International Affairs** ,1984 *Economic Books* ,1984 *The Philosopher's Index* ,1995 An international index to philosophical periodicals **Public Administration Series--Bibliography** ,1987-03 *Subject Guide to Books in Print* ,1997 *American Book Publishing Record* ,1984-04
