

NATURE OF LANGUAGE:

- *Speech = language. (priority of speech over writing). Why?*
- *A child first learns how to speak*
- *Most people speak more than write*
- *Some lgs have no writing system*

Spoken language comes before written language
= *oral language is prioritised over writing. Writing should be postponed.*

- Each language has its own unique structure and rule system. (the theory of Structural linguistics)
- *Focus on the structure. Vocabulary will be learnt later.*

Principles Of Structural Linguistics

Wenbin Ji

Principles Of Structural Linguistics:
