CHAPTER X GENERAL CONCLUSIONS 241 The title of this division The Ethics of Individual Life has excited a publicly expressed curiosity respecting the possible nature of its contents Nothing beyond prudential admonitions could it was thought be meant and there was evident surprise that ethical sanction should be claimed for these The state of mind thus implied is not I believe exceptional Ordinary individual life when it is such as not directly to affect others for good or evil is supposed to lie outside the sphere of ethics or rather there is commonly entertained no thought about the matter Ethics as usually conceived having made no formal claim to regulate this part of conduct is assumed to be unconcerned with it It is true that now and then come expressions implying a half conscious belief to the contrary You ought not to have overtaxed your strength by so great an exertion you ought not to have gone so long without food are not unfrequent utterances You were quite right to throw up the situation if your health was giving way is said to one while on another is passed the criticism He is wrong in idling away his time wealthy though he may be And we occasionally hear insistence on the duty of taking a

holiday to avoid an illness especially in view of responsibilities to be discharged That is to say the words ought right wrong duty are used in connexion with various parts of private conduct and such uses of these words which in other cases have ethical significance implies that they have ethical significance in these cases also Moreover as pointed out in the opening chapter there are some modes of individual life concerning which ethical convictions of the most pronounced

The Principles of Ethics, Vol. 1 of 2 Herbert Spencer, 2015-06-24 Excerpt from The Principles of Ethics Vol 1 of 2 The divisions of which this work consists have been published in an irregular manner Part I was issued in 1879 Part IV in 1891 Parts II and III forming along with Part I the first volume were issued in 1892 and Parts V and VI concluding the second volume were along with Part IV issued in 1893 The reasons for this seemingly eccentric order of publication primarily caused by ill health will be found stated in the respective prefaces of the parts and the volumes as originally published but as the contained explanations are no longer needed I now suppress them with the exception of the first which has a permanent significance It was there said that the establishment of rules of conduct on a scientific basis is a pressing need Now that moral injunctions are losing the authority given by their supposed sacred origin the secularization of morals is becoming imperative Those who reject the current creed appear to assume that the controlling agency furnished by it may safely be thrown aside those who defend the current creed allege that in the absence of the guidance it yields no guidance can exist divine commandments they think the only possible guides Dissenting from both of these beliefs my primary purpose has been to show that apart from any supposed supernatural basis the principles of Ethics have a natural basis In the two volumes which here follow this natural basis is set forth and its corollaries elaborated About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Development of Ethics: Volume 1 Terence Irwin, 2007-09-20 The Development of Ethics is a selective historical and critical study of moral philosophy in the Socratic tradition with special attention to Aristotelian naturalism its formation elaboration criticism and defence It discusses the main topics of moral philosophy as they have developed historically including the human good human nature justice friendship and morality the methods of moral inquiry the virtues and their connexions will freedom and responsibility reason and emotion relativism subjectivism and realism the theological aspect of morality This volume examines ancient and medieval philosophy up to the sixteenth century Volumes 2 and 3 will continue the story up to Rawls s Theory of Justice The present volume begins with Socrates the Cyrenaics and Cynics and Plato and then offers a fuller account of Aristotle stressing the systematic naturalism of his position The Stoic position is compared with the Aristotelian at some length

Epicureans and Sceptics are discussed more briefly Chapters on early Christianity and on Augustine introduce a fuller examination of Aquinas revision elaboration and defence of Aristotelian naturalism The volume closes with an account of some criticisms of the Aristotelian outlook by Scotus Ockham Machiavelli and some sixteenth century Reformers The emphasis of the book is not purely descriptive narrative or exegetical but also philosophical Irwin discusses the comparative merits of different views the difficulties that they raise and how some of the difficulties might be resolved The book tries to present the leading moral philosophers of the past as participants in a rational discussion that is still being carried on and tries to help the reader to participate in this discussion **The Principles of Ethics Volume 2** Herbert
