**Prison Discourse** A. Mayr, 2003-12-19 With unique and powerful data from within a big city prison this book clarifies the role that conversational analysis can have within a Critical Discourse Analysis perspective In a detailed linguistic analysis of the language use of prison officers and prisoners involved in a prison based course the author charts the shifting power relations of control and resistance and situates the findings in a broader sociological analysis of the prison as an institution The study will interest sociolinguists discourse analysts and researchers in communication studies criminology and counselling *The Language of Crime and Deviance* Andrea Mayr, David Machin, 2012-02-16 Looks at the study of crime and deviance through written spoken and visual representation **Theology, Empowerment, and Prison Ministry** Meins G.S. Coetsier, 2022-09-26 In *Theology Empowerment and Prison Ministry* Meins G S Coetsier offers a new scholarly account of Karl Rahner's theological anthropology and the prison pastorate with a contemporary expansion for meaning seeking an antidote to the suffering and isolation of those incarcerated with a theology of empowerment Drawing on prison ministry theorists and practitioners and on the experiences of Viktor Frankl Aleksandr Solzhenitsyn and Etty Hillesum the book argues that Rahner's views on prison ministry are significant and encouraging but limited regarding the needs and demands of 21st century prison ministry In a convincing perceptive and groundbreaking study Coetsier goes beyond Rahner with ecumenical and interreligious perspectives reminding us all of our human dignity of meaning and transformation of our liberation creativity hope and community *The Handbook of Discourse Analysis* Deborah Tannen, Heidi E. Hamilton, Deborah Schiffrin, 2018-02-28 The second edition of the highly successful *Handbook of Discourse Analysis* has been expanded and thoroughly updated to reflect the very latest research to have developed since the original publication including new theoretical paradigms and discourse analytic models in an authoritative two volume set Twenty new chapters highlight emerging trends and the latest areas of research Contributions reflect the range depth and richness of current research in the field Chapters are written by internationally recognized leaders in their respective fields constituting a Who's Who of Discourse Analysis A vital resource for scholars and students in discourse studies as well as for researchers in related fields who seek authoritative overviews of discourse analytic issues theories and methods *Language and Power* Paul Simpson, Andrea Mayr, 2009-10-16 Routledge English Language Introductions cover core areas of language study and are one stop resources for students Assuming no prior knowledge books in the series offer an accessible overview of the subject with activities study questions sample analyses commentaries and key readings all in the same volume The innovative and flexible two dimensional structure is built around four sections introduction development exploration and extension which offer self contained stages for study Each topic can also be read across these sections enabling the reader to build gradually on the knowledge gained *Language and Power* offers a comprehensive survey of the ways in which language intersects and connects with the social cultural and political aspects of power provides a comprehensive introduction to the history of the

field and covers all the major approaches theoretical concepts and methods of analysis in this important and developing area of academic study covers all the traditional topics such as race gender and institutional power but also incorporates newer material from forensic discourse analysis the discourse of new capitalism and the study of humour as power includes readings from works by seminal figures in the field such as Roger Fowler Deborah Cameron and Teun van Dijk uses real texts and examples throughout including advertisements from cosmetics companies newspaper articles and headlines websites and internet media and spoken dialogues such as a transcription from the Obama and McCain presidential debate is accompanied by a supporting website that aims to challenge students at a more advanced level and features a complete four unit chapter which includes activities a reading and suggestions for further work Language and Power will be essential reading for students studying English language and linguistics Paul Simpson is Professor of English Language in the School of English at Queen's University Belfast UK where he teaches and researches in stylistics critical linguistics and related fields of study Andrea Mayr is Lecturer in Modern English Language and Linguistics at Queen's University Belfast UK where she teaches and researches in media discourse and in multimodal critical discourse analysis

**Language and Power** Andrea Mayr, 2008-08-21 How language is used in institutions and how institutions generate language is a key concern of both sociolinguistics and social theory This readable and comprehensive introduction to language and power in institutions combines theoretical reflection with a strong analytical focus Covering a range of institutional discourses and settings each chapter in Language and Power closely examines institutional discourse practices and provides detailed steps to the critical analysis of institutional discourse both linguistic and multimodal This book is a long overdue contribution to the analysis of the way that institutions have the power to shape our thinking and understanding of the world and to construct identities Key Features This book contains fascinating examples from a variety of institutional contexts including academia prison media and the military It brings together insights from multimodal critical discourse analysis social theory media studies and corpus analysis It is essential reading for advanced undergraduates and postgraduates doing sociolinguistics media studies communication and cultural studies

**Prisoners of the Sumatra Railway** Lizzie Oliver, 2017-12-14 Prisoners of the Sumatra Railway is the first book to detail the experiences of British former prisoners of war POWs who were forced to construct a railway across Sumatra during the Japanese occupation It is also the first study to be undertaken of the life writing of POWs held captive by the Japanese during the Second World War and the transgenerational responses in Britain to this period of captivity This book brings to light previously unpublished materials including Exceptionally rare and detailed diaries notebooks and letters from the railway Memoirs from Sumatra including detailed recollections and post war statements written by key personnel on the railway such as Medical Officers and interpreters Remarkable original artwork created by POWs on Sumatra Contemporaneous photographs taken inside the camps Employing theories of life writing memory and war representation including transgenerational transmission Lizzie Oliver focuses particularly on what these

documents can tell us about how former POWs tried to share preserve and make sense of their experiences It is a wholly original study that is of great value to Second World War scholars and anyone interested in 20th century Southeast Asian history or war and memory      *Language and the Construction of Multiple Identities in the Nigerian Novel* Romanus Aboh,2018-12-28 Language and the construction of multiple identities in the Nigerian novel examines the multifaceted relation between people and the various identities they construct for themselves and for others through the context specific ways they use language Specifically this book pays attention to how forms of identities ethnic cultural national and gender are constructed through the use of language in select novels of Adichie Atta and Betiang Employing an interdisciplinary approach this book draws analytical insights from critical discourse analysis literary discourse analysis and socio ethno linguistic analysis This approach enables the author to engage with the novels to illuminate the link between the ways Nigerians use language and the identities they construct Being a context driven analysis this book critically scrutinises literary language beyond stylistic borders by interrogating the micro and macro levels of language use a core analytical paradigm frequently used by discourse analysts who engage in critical discourse analysis      **The Prison at the Crossroads** Anastasia Karamalidou, Alison Spurgeon-Dickson,2019-07-22 This volume was first published by Inter Disciplinary Press in 2015 The contributors to this volume highlight the immanence of the pains of imprisonment documentign their evolution as well as their differing expressions and manifestations with regards to a diversity of prisoner groups and national prison systems and explore ways of humanising the prison experience and normalising prison life      Society and Language Use Jürgen Jaspers, Jan-Ola Östman, Jef Verschueren,2010-09-10 The ten volumes of Handbook of Pragmatics Highlights focus on the most salient topics in the field of pragmatics thus dividing its wide interdisciplinary spectrum in a transparent and manageable way While the other volumes select specific philosophical cognitive grammatical cultural variational interactional or discursive angles this seventh volume underlines the mutually constitutive relation between society and language use It highlights a number of the most prominent approaches of this relation and it draws attention to a selected number of topics that the study of language in its social context has characteristically brought to bear Despite their theoretical and methodological differences each of the chapters in this book assumes that it is necessary to look at society and language use as interdependent phenomena and that by attending to microscopic linguistic phenomena one is also keeping a finger on the pulse of broader macroscopic social tendencies that at the same time facilitate and constrain language use The introduction provides a sketch of the intellectual antecedents of the volume s two mother disciplines viz linguistics and social theory before pointing at recent common ground in the rising attention for discourse and what has come to be called late modernity
