

Prisoner Reentry and Crime in America

Edited by Jeremy Travis and Christy Visser

Prisoner Reentry And Crime In America

Joan Petersilia

Prisoner Reentry And Crime In America:

Prisoner Reentry and Crime in America Jeremy Travis, Christy Visser, 2005-08 The contributors question the causes of public concern about the number of returning prisoners the public safety consequences of prisoners returning to the community and the political and law enforcement responses to the issue *When Prisoners Come Home* Joan Petersilia, 2009-04-21 Drawing on dozens of interviews with inmates former prisoners and prison officials Joan Petersilia convincingly shows us how the current system is failing to help the enormous numbers of jailed Americans reenter society Unwilling merely to sound the alarm Petersilia explores the harsh realities of prisoner reentry and offers specific solutions to prepare inmates for release reduce recidivism and restore them to full citizenship while never losing sight of the demands of public safety *Prisoner Reentry in the Era of Mass Incarceration* Daniel P. Mears, Joshua C. Cochran, 2014-10-27 Understanding and Improving Prisoner Reentry Outcomes Prisoner Reentry is an engaging and comprehensive examination of prisoner reentry and how to improve public safety well being and justice in the era of mass incarceration Renowned authors Daniel P Mears and Joshua C Cochran investigate historical trends in incarceration and punishment policy the salience of in prison and post prison contexts and experiences for reentry and the importance of understanding group differences in offending punishment and social context Using extensive reliance on both theory and empirical research the authors identify how reentry reflects criminal justice policy in America and at the same time has profound implications for crime prevention and justice Readers will develop a diverse foundation for current policies identify the implications of reentry for families community and society at large and gain a conceptual and empirical toolkit for analyzing and improving the lives of those released from prison *The Oxford Handbook of Prisons and Imprisonment* John D. Wooldredge, Paula Smith, 2018-03-09 Research on prisons prior to the prison boom of the 1980s and 1990s focused mainly on inmate subcultures inmate rights and sociological interpretations of inmate and guard adaptations to their environment with qualitative studies and ethnographic methods the norm In recent years research has expanded considerably to issues related to inmates mental health suicide managing special types of offenders risk assessment and evidence based treatment programs The Oxford Handbook of Prisons and Imprisonment provides the only single source that bridges social scientific and behavioral perspectives providing graduate students with a more comprehensive understanding of the topic academics with a body of knowledge that will more effectively inform their own research and practitioners with an overview of evidence based best practices Across thirty chapters leading contributors offer new ideas critical treatments of substantive topics with theoretical and policy implications and comprehensive literature reviews that reflect cumulative knowledge on what works and what doesn't The Handbook covers critical topics in the field some of which include recent trends in imprisonment prison gangs inmate victimization the use and impact of restrictive housing unique problems faced by women in prison special offender populations risk assessment and treatment effectiveness prisoner re entry and privatization The Oxford Handbook of

Prisons and Imprisonment offers a rich source of information on the current state of institutional corrections around the world on issues facing both inmates and prison staff and on how those issues may impede or facilitate the various goals of incarceration

The Oxford Handbook of Sentencing and Corrections Joan Petersilia, Kevin R. Reitz, 2015 This handbook surveys American sentencing and corrections from global and historical views from theoretical and policy perspectives and with attention to a number of problem specific issues

Rethinking America's Correctional Policies Anne S. Douds, Eileen M. Ahlin, 2017-06-02 Commonsense Choices from Uncommon Voices Rethinking America's Correctional Policies brings together the experiences of men who served time in prison with contemporary research on correctional policy This work combines a voyeuristic desire to observe evil and the consequences of the system of punishment with detached consideration of what those stories can tell us about who we are as a nation and how we treat those who have betrayed the social trust The authors simultaneously examine first person accounts of inmate experiences with the correctional system and what actually works in operation to promote the rehabilitative and restorative models of justice so many of our policymakers espouse Each chapter opens with a vignette a recollection of an event or series of events about an inmate's experience during the various phases of correctional processing These first hand accounts have been collected from men who served time in prison These men's stories are examined in their own right then extrapolated to a broader analysis of the underlying social and policy issues to which that vignette speaks All chapters follow the same structure a opening vignette about a former inmate b analysis which includes i identification of the underlying issue ii reflection and iii extrapolation to a larger policy issue and c recommendations from the field for enacting practice and crafting policy more responsive to the identified issue

Simulation Strategies to Reduce Recidivism Faye S. Taxman, April Pattavina, 2013-06-05 The use of simulation modeling in criminal justice dates back to the 1970s Early models were developed to capture the realities of the criminal justice system to identify what changes were needed and how small changes would affect the overall picture Significant time and effort were devoted to these projects and although they achieved some success the complex nature of the criminal justice system and the difficulties associated with improving and maintaining the models prohibited wide spread adoption in the field Some of the problems with early simulation projects were the lack of data to validate models the lack of technical skills needed by staff to design and build the models and the technical difficulties with software programming to transform models into computerized representations As simulation modeling has becoming a more popular technique across many disciplines and technology as well as the technical skills of researchers has improved this book revisits the concept of simulation modeling with new applications for the criminal justice system The wider availability of data has made for more opportunity to verify and validate models computing software has become more available and easier to use and the capacity for visualization and communication of models shows promise for the future of simulation in criminal justice The time has come to examine the past present and future contributions of simulation modeling to the field of criminal justice This work provides

a central resource of information for the current state of simulation modeling and overview of existing techniques and cases of success and directions for future development This work will be an important resource for researchers in criminal justice and related fields as well as those studying policy related topics

Prisons and Crime in Latin America Marcelo Bergman, Gustavo Fondevila, 2021-03-11 This groundbreaking work examines Latin America's prison crisis and the failure of mass incarceration policies As crime rates rose over the past few decades policy makers adopted incarceration as the primary response to public outcry Yet as the number of inmates increased crime rates only continued to grow Presenting new cross national data based on extensive surveys of inmates throughout the region this book explains the transformation of prisons from instruments of incapacitation deterrence and rehabilitation to drivers of violence and criminality Bergman and Fondevila highlight the impacts of internal drug markets and the dramatic increase in the number of imprisoned women Furthermore they show how prisons are not isolated from society they are sites of active criminal networks with many inmates maintaining fluid criminal connections with the outside world Rather than reducing crime prisons have become an integral part of the crime problem in Latin America

Prisoner Reentry in the 21st Century Keesha M. Middlemass, Calvin John Smiley, 2019-11-04 This groundbreaking edited volume evaluates prisoner reentry using a critical approach to demonstrate how the many issues surrounding reentry do not merely intersect but are in fact reinforcing and interdependent The number of former incarcerated persons with a felony conviction living in the United States has grown significantly in the last decade reaching into the millions When men and women are released from prison their journey encompasses a range of challenges that are unique to each individual including physical and mental illnesses substance abuse gender identity complicated family dynamics the denial of rights and the inability to voice their experiences about returning home Although scholars focus on the obstacles former prisoners encounter and how to reduce recidivism rates the main challenge of prisoner reentry is how multiple interdependent issues overlap in complex ways By examining prisoner reentry from various critical perspectives this volume depicts how the carceral continuum from incarceration to reentry negatively impacts individuals families and communities how the criminal justice system extends different forms of social control that break social networks and how the shifting nature of prisoner reentry has created new and complicated obstacles to those affected by the criminal justice system This volume explores these realities with respect to a range of social community political and policy issues that former incarcerated persons must navigate to successfully reenter society A springboard for future critical research and policy discussions this book will be of interest to U S and international researchers and practitioners interested in the topic of prisoner reentry as well as graduate and upper level undergraduate students concerned with contemporary issues in corrections community based corrections critical issues in criminal justice criminal justice policies and reentry

Caught Marie Gottschalk, 2016-02-16 A major reappraisal of crime and punishment in America The huge prison buildup of the past four decades has few defenders yet reforms to reduce the numbers of those

incarcerated have been remarkably modest Meanwhile an ever widening carceral state has sprouted in the shadows extending its reach far beyond the prison gate It sunders families and communities and reworks conceptions of democracy rights and citizenship posing a formidable political and social challenge In *Caught* Marie Gottschalk examines why the carceral state remains so tenacious in the United States She analyzes the shortcomings of the two dominant penal reform strategies one focused on addressing racial disparities the other on seeking bipartisan race neutral solutions centered on reentry justice reinvestment and reducing recidivism With a new preface evaluating the effectiveness of recent proposals to reform mass incarceration *Caught* offers a bracing appraisal of the politics of penal reform

Prisoner Reentry And Crime In America Introduction

In today's digital age, the availability of Prisoner Reentry And Crime In America books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Prisoner Reentry And Crime In America books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Prisoner Reentry And Crime In America books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Prisoner Reentry And Crime In America versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Prisoner Reentry And Crime In America books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Prisoner Reentry And Crime In America books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Prisoner Reentry And Crime In America books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Prisoner Reentry And

Crime In America books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Prisoner Reentry And Crime In America books and manuals for download and embark on your journey of knowledge?

FAQs About Prisoner Reentry And Crime In America Books

What is a Prisoner Reentry And Crime In America PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Prisoner Reentry And Crime In America PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Prisoner Reentry And Crime In America PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Prisoner Reentry And Crime In America PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Prisoner Reentry And Crime In America PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out

forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
