Robin Hood And The Great Train Robbery:

Robin Hood - The New Evidence Geoff Wilson,2019-04-30 The story of Robin Hood is very well known Writers and historians have been reading and rewriting it analysing and altering it since Ritson published his version in 1795 more than 200 years ago The story has been published in many forms including books films TV and radio programs articles held in the World Wide Web and probably many others As far as can be ascertained they all have two things in common they all contain many errors and they all fail to explain a number of mysteries In his book Geoff Wilson has corrected many of the errors and has explained many of the mysteries This he has done by accessing many surprising sources of evidence including for example the British Geological Survey aerial photography and by following on foot several of Robin Hood s journeys described in the ballads Practical tests were also carried out The author s sons both quite young at the time were encouraged to shout at the top of their voices in one particular location to test if sounds do in fact echo in the valleys They do Among the mysteries solved are the identities of Sir Richard at the Lee and the location of Velrysdale and the Village of Lee The fayre castell described in the Gest is also identified as is the chapel in Barnsdale dedicated to Mary Magdalene and described in stanza 440 of the Gest One mystery which remains unresolved however is the identity of Robin himself Perhaps he is after all just a yeoman named Robin Hood although the claims of an alternative candidate are seriously considered *They Promised Me the Gun Wasn't Loaded* James Alan Gardner,2018-11-06 Award winning author James Alan Gardner returns to the superheroic fantasy world of All Those Explosions Were Someone Else s Fault with *They Promised Me The Gun Wasn't Loaded* Only days have passed since a freak accident granted four college students superhuman powers Now Jools and her friends who haven't even picked out a name for their superhero team yet get caught up in the hunt for a Mad Genius s misplaced super weapon But when Jools falls in with a modern day Robin Hood and his band of super powered Merry Men she finds it hard to sort out the Good Guys from the Bad Guys and to figure out which side she truly belongs on Especially since nobody knows exactly what the Gun does At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **1968: Those Were the Days** Brian Williams,2017-10-20 1968 was the year when humans first glimpsed the far side of the Moon but also the year the world was shocked by assassination by the crushing of hope for reform and by wars that showed no sign of ever ending To the old there seemed too much change too quickly with youth in revolt though against what no one was entirely sure Hey Jude sang the Beatles with a refrain that lingered long into the summer night Don't make it bad take a sad song and make it better *Killing Goldfinger* Wensley Clarkson,2017-06-01 *KILLING GOLDFINGER* charts the extraordinary rise and spectacular bullet riddled fall of John Palmer the richest most powerful criminal ever to have emerged from the modern British underworld During the late 1990s Palmer was rated as rich as The Queen by the Sunday Times Rich List Palmer earned his nickname Goldfinger after smelting in his back garden tens of millions of pounds worth of stolen gold bullion from the 20th century s most lucrative heist the Brink's Mat robbery Palmer

then used his share of the millions to become the vicious overlord of a vast illegal timeshare property empire in Tenerife At the same time Goldfinger financed huge international drugs shipments as well as some of the most notorious UK robberies of the past 30 years including the 50m Securitas heist in Kent in 2006 and many believe the Hatton Garden heist in 2015 Palmer vowed to hunt down all his underworld enemies But in the end it was those same criminals who decided to bring his life to an end Murdered in June 2015 with charges of fraud money laundering and worse pending this book tells his murky story for the first time As outrageous and bullet riddled as the hit Netflix series Narcos Killing Goldfinger tells the true story of Britain s underworld kingpin who turned the sunshine holiday island of Tenerife into his very own Crime Incorporated and then paid the ultimate price **Five Short Plays - With Audio Level 1 Oxford Bookworms Library** Martyn

Ford,2015-03-05 A level 1 Oxford Bookworms Library graded reader This version includes an audio book listen to the story as you read Written for Learners of English by Martyn Ford What do you do if you have a boring job in a restaurant serving fast food to people who have no time to eat Smile and do your best Perhaps it s better to find a place where time doesn t matter so much What if you dream of travelling to other countries but your friends just laugh Do you stay at home with them Or do you decide to be more adventurous Perhaps you hear that someone has bought the last bag of salt in town Do you buy a bag from him at a high price Or try to make him give you a bag Our world is full of these kinds of problems They make life interesting and sometimes very funny These five short plays show people trying to decide what to do in unexpected or difficult situations **Hammer Complete** Howard Maxford,2019-11-08 Think you know everything there is to know about

Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company s less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate adventures This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail including budgets shooting schedules publicity and more along with all the actors supporting players writers directors producers composers and technicians Packed with quotes behind the scenes anecdotes credit lists and production specifics this all inclusive reference work is the last word on this cherished cinematic institution Oxford Bookworms Library Level 1: Five Short Plays Martyn Ford,2025-03-01 A wide range of classic and modern fiction non fiction and plays Original and adapted texts from beginner to advanced level Age Secondary CEFR level A1 to C1 **The Ultimate Heist** Ronald Weinert,2024-10-12

Discover the Thrilling World of Daring Bank Robberies Delve into the shadowy domain of cunning thieves illustrious heists and the relentless pursuit of justice The Ultimate Heist Unraveling the Mysteries of Bank Robberies immerses readers in the electrifying world of high stakes bank robberies detailing the intricate ballet between criminal masterminds and law enforcement From the historical roots of bank heists to the modern methods employed by today s most sophisticated criminals each chapter offers an adrenaline pumping journey through time and tactics Grasp the evolution of these audacious

crimes as you explore their beginnings and the ingenious strategies employed in planning and execution Feel the suspense of the infamous Great Train Robbery the meticulous planning behind the Brink s Job and the notorious Lufthansa Heist Each tale rich with drama and detail captures the peril and excitement of these outlaw legends Peek into the minds of notorious criminals like Jesse James John Dillinger and the enigmatic Pink Panthers whose psychological profiles reveal the motivations and madness behind their infamous deeds Understand how their calculated maneuvers and audacious escapades have cemented their places in criminal history Witness the duel between these heist architects and the tireless law enforcement agents determined to thwart them Gain insights into FBI strategies evolving security measures and the cultural impacts of these high profile crimes portrayed vividly in film and literature Beyond the thrill grapple with the ethical and legal questions these crimes pose from the pursuit of justice to the rights of the accused Learn from detailed case studies in prevention showcasing both triumphant interventions and instructive failures Finally ponder the future of bank robberies in the era of digital currency and emerging technologies Will the digital age spell the end of the classic bank heist or merely transform it For those enticed by tales of cunning courage and consequence this book offers an unparalleled investigation into one of the most riveting facets of criminal lore

Film Genre for the Screenwriter Jule Selbo,2014-07-25 Film Genre for the Screenwriter is a practical study of how classic film genre components can be used in the construction of a screenplay Based on Jule Selbo s popular course this accessible guide includes an examination of the historical origins of specific film genres how and why these genres are received and appreciated by film going audiences and how the student and professional screenwriter alike can use the knowledge of film genre components in the ideation and execution of a screenplay Explaining the defining elements characteristics and tropes of genres from romantic comedy to slasher horror and using examples from classic films like Casablanca alongside recent blockbuster franchises like Harry Potter Selbo offers a compelling and readable analysis of film genre in its written form The book also offers case studies talking points and exercises to make its content approachable and applicable to readers and writers across the creative field

The Social History of the American Family Marilyn J. Coleman, Lawrence H. Ganong,2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of The Social History of the American Family explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual s development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time to reflect changing mores changing living standards and lifestyles and increased levels of social heterogeneity Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families

and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader s Guide Chronology of American Families Resource Guide Glossary and thorough index The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions

Alternative Business Martin Parker,2013-03-01 From Robin Hood to Jack Sparrow from Pirates of the Caribbean outlaws have been a central part of 800 years of culture These are characters who criticise the power of those in the castle or the skyscraper and earn their keep by breaking the law Outlaws break categories too They are fact and fiction opposition and product culture and economy natural justice and organized crime Beginning with Robin Hood stealing from the rich and covering along the way pirates smugglers highwaymen the Wild West the Mafia and many others Martin Parker offers a fresh and exciting insight into the counter culture of the outlaw one that rebels against the more dominant and traditional forms of economy and organization and celebrates a life free from wage slavery Alternative Business is a highly readable entertaining book that will prove a helpful study tool for all students and lecturers working on organizations cultural studies and criminology

Young Thoughts of a Man John Clegg,2025-01-16 The book opens with early 1950 s life as viewed through the eyes of a child up until the age of seven when out flow the memories of growing up in Ludlow South Shropshire in the late1950 s early 1960 s capturing a mode of existence now lost in the mists of time In the two main streets featured only one house had a phone prior to the late 50 s only one had a TV set laundry was done in sink or boiler before being wrung through a mangle most family vegetables were grown in the back garden there was no central heating the only take away was the downtown chip shop over half a mile away the nearest thing to an off licence was a service hatch at the local there were two main grocery stores but no supermarkets no domestic refrigerators plastic in the shape of buckets bowls and bags had yet to make an impact most mothers wore corsets and most men didn t use deodorant The small market town of approximately 6 000 souls boasted twenty eight pubs but Chinese and Indian restaurants were as yet unheard of There were two cinemas seven butchers four bakeries and two newsagents but no hint of titillation along the top shelves for shudder the thought even the sexual mysteries of life were rarely explained Compared to today things were certainly Spartan but underlying all was a sense of immense fun as the locals forged a fresh start emerging victorious from the Second World War The food had far more flavour beer was the equivalent of less than half the price of a pint today the Sunday joint was succulent and would last well into the following week there was no real need to lock house doors children invented their own games roaming far and wide without their parents fretting the family doctor would visit for something serious but for the

usual round of colds flu mumps measles or chicken pox mothers took care of things Play clothes were often hand me downs courtesy of family and friends and if a neighbour needed help it was soon forthcoming Very few owned cars making the family bike essential and with money being tight holidays were often taken by staying with relatives Amongst all this was a small gang of lads playing out the parts of their sporting and movie heroes inventing games of dare exploring as far as their legs would take them building camps in trees and hedgerows and often puzzling over the mysteries of a sexual nature Much of the humour is contained in the fact they considered themselves far more grown up and in control than they actually were leading to many glorious failures This book is a tribute to those I shared those escapades with for we literally had the time of our lives and yes I've published other works but It has taken years to come up with a style that hopefully captures the fun and innocence of those days Basically this is the book I've always wanted to write *The Films of Sean Connery* Lee Pfeiffer, Philip Lisa, 2001 For 40 years Sean Connery has been among the world's most admired and popular actors This edition is both an in depth biography of this international superstar and a complete filmography with 400 photos rare production stills movie posters and lobby cards *Sean Connery* Andrew Spicer, 2022-06-21 Sean Connery was one of cinema's most iconic stars Born to a working class family in Edinburgh he held jobs as a milkman and an artist's model before making the move into acting The role of James Bond earned him global fame but threatened to eclipse his identity as an actor This book offers a new perspective on Connery's career It pays special attention to his star status while arguing that he was a risk taking actor who fashioned an impressive body of work Beginning with Connery's early appearances on stage and television including well received performances in Shakespeare and Tolstoy the book goes on to explore the Bond phenomenon and Connery's long struggle to reinvent himself An Oscar winning performance in *The Untouchables* marked the beginning of a second period of stardom during which Connery successfully developed the character of the father mentor Ten years after his retirement from acting he was still rated as the most popular British star among American audiences Exploring how Connery's performances combine to form an all encompassing screen legend the book also considers how the actor embodied national identity both on screen and through his public role as an activist campaigning for Scottish independence *The World's Worst Prisons* Karen Farrington, 2019-03-28 Incarceration has a long and inglorious history from dungeons in the bowels of castles to oppressive penal colonies in Australia Karen Farrington brings this history up to the 21st century exploring some of the world's worst prisons from Alcatraz to Pollsmoor and the unending battles that rage between convicts and warders Inside the prison walls gangs rule guards devise sadistic punishments and newcomers suffer abuse at the hands of experienced tormentors *The World's Worst Prisons* is packed with shocking accounts of prison breakouts drug smuggling and life on death row It also explores the politics of incarceration including the harsh labour camps of North Korea and controversies surrounding private management of prisons With prison populations rising each year questions surrounding incarceration are all the more pertinent Whether focusing on punishment containment or

rehabilitation the prison system is imperfect and *The World's Worst Prisons* examines this dysfunction through some of the most dangerous jails on earth 21st Century Criminology: A Reference Handbook J. Mitchell Miller, 2009-08-06

Criminology has experienced tremendous growth over the last few decades evident in part by the widespread popularity and increased enrollment in criminology and criminal justice departments at the undergraduate and graduate levels across the U S and internationally Evolutionary paradigmatic shift has accompanied this surge in definitional disciplinary and pragmatic terms Though long identified as a leading sociological specialty area criminology has emerged as a stand alone discipline in its own right one that continues to grow and is clearly here to stay Criminology today remains inherently theoretical but is also far more applied in focus and thus more connected to the academic and practitioner concerns of criminal justice and related professional service fields Contemporary criminology is also increasingly interdisciplinary and thus features a broad variety of ideological orientations to and perspectives on the causes effects and responses to crime *21st Century Criminology: A Reference Handbook* provides straightforward and definitive overviews of 100 key topics comprising traditional criminology and its modern outgrowths The individual chapters have been designed to serve as a first look reference source for most criminological inquiries Both connected to the sociological origins of criminology i e theory and research methods and the justice systems response to crime and related social problems as well as coverage of major crime types this two volume set offers a comprehensive overview of the current state of criminology From student term papers and masters theses to researchers commencing literature reviews *21st Century Criminology* is a ready source from which to quickly access authoritative knowledge on a range of key issues and topics central to contemporary criminology This two volume set in the SAGE 21st Century Reference Series is intended to provide undergraduate majors with an authoritative reference source that will serve their research needs with more detailed information than encyclopedia entries but not so much jargon detail or density as a journal article or research handbook chapter 100 entries or mini chapters highlight the most important topics issues questions and debates any student obtaining a degree in this field ought to have mastered for effectiveness in the 21st century Curricular driven chapters provide students with initial footholds on topics of interest in researching term papers in preparing for GREs in consulting to determine directions to take in pursuing a senior thesis graduate degree career etc Comprehensive in coverage major sections include The Discipline of Criminology Correlates of Crime Theories of Crime Justice Measurement Research Types of Crime and Crime the Justice System The contributor group is comprised of well known figures and emerging young scholars who provide authoritative overviews coupled with insightful discussion that will quickly familiarize researchers students and general readers alike with fundamental and detailed information for each topic Uniform chapter structure makes it easy for students to locate key information with most chapters following a format of Introduction Theory Methods Applications Comparison Future Directions Summary Bibliography Suggestions for Further Reading and Cross References Availability in print and electronic formats provides students with convenient easy access

wherever they may be **The Illustrated Guide to Film Directors** David Quinlan,1983-01-01 To find more information about Rowman and Littlefield titles please visit [www rowmanlittlefield com](http://www.rowmanlittlefield.com) **Raiders** Noel 'Razor' Smith,2007-08-02 Over the years both inside and out though mainly in he met and associated with many armed robbers and in Raiders he tells their amazing stories Like Big Bad Bob the Scotsman who raided bureaux de change armed only with a water pistol Steve the Saint who risked the best relationship of his life on one last big one in the West End and ended up getting a life sentence and the members of the Little Firm who terrorized south London till their addictions got the better of them The heyday of the armed bank robber may have passed as security has become all but watertight and sentences draconian But there are some still prepared to risk it for the thrills as well as the money But be warned if you are stupid enough to take up bank robbery as a career you will be going to prison It s odds on Just read this book **Nicolas Winding Refn and the Violence of Art** Justin Vicari,2014-04-04 Nicolas Winding Refn has emerged as a uniquely talented international filmmaker with an eye for visceral iconic images A 21st century mythmaker from his cult Pusher trilogy to the award winning Drive and Only God Forgives Refn infuses a sophisticated avant garde sensibility with the grit of exploitation cinema This book relates Refn s films to the ideas of Nietzsche Canetti Blanchot and others and to aesthetic theory in general It also asks why the West has become a largely artificial society unable to generate new communal mythologies Instructors considering this book for use in a course may request an examination copy here **New York Magazine** ,1979-04-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
