The Oxford Companion to the American Musical Thomas S. Hischak, 2008-06-02 From the silver screen to the Great White Way small community theatres to television sets the musical has long held a special place in America's heart and history Now in *The Oxford Companion to the American Musical* readers who flocked to the movies to see *An American in Paris* or *Chicago* lined up for tickets to *West Side Story* or *Rent* or crowded around their TVs to watch *Cinderella* or *High School Musical* can finally turn to a single book for details about them all For the first time this popular subject has an engaging and authoritative book as thrilling as the performances themselves With more than two thousand entries this illustrated guide offers a wealth of information on musicals performers composers lyricists producers choreographers and much more Biographical entries range from early stars Fred Astaire Bing Crosby Mary Martin and Mae West to contemporary show stoppers Nathan Lane Savion Glover and Kristin Chenoweth while composers Irving Berlin George Gershwin Richard Rodgers and Andrew Lloyd Webber all have articles and the choreography of Bob Fosse *Tommy* *Tune* and Debbie Allen receives due examination The plays and films covered range from modern hits like *Mamma Mia* and *Moulin Rouge* to timeless classics such as *Yankee Doodle Dandy* and *Show Boat* Also numerous musicals written specifically for television appear throughout and many entries follow a work *Babes in Toyland* for example as it moves across genres from stage to film to television The Companion also includes cross references a comprehensive listing of recommended recordings and further reading a useful chronology of all the musicals described in the book plus a complete index of Tony Award and Academy Award winners Whether you are curious about *Singin' in the Rain* or *Spamalot* or simply adore *The Wizard of Oz* or

Grease this well researched and entertaining resource is the first place to turn for reliable information on virtually every aspect of the American musical Multiculturalism and the Mouse Douglas Brode,2005 Douglas Brode s spirited defence of Disney entertainment argues that Disney paved the way for today s multicultural values through its positive portrayal of women ethnic minorities gays and non Christian spirituality and it was this portrayal of difference that promoted diversity decades before the 1990s **New York Magazine** ,1991-08-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Cumulative Book Index* ,1975 A world list of books in the English language **Disney Stories** Krystina Madej,Newton Lee,2020-10-20 The second edition of Disney Stories Getting to Digital will be of interest to lovers of Disney history and also to lovers of Hollywood history in general The first edition was planned as a short history of the companies evolution from analog storytelling to a digital online presence that closed the chapter on early Disney films with the release of the groundbreaking Snow White The purpose of the new edition is to bring to readers a more complete view of the analog digital story by including three new chapters on film that cover key developments from the live animation hybrids of the 1940s to CAPS and CGI in the 1990s and VR in the 2010s It also includes in the discussion of cross media storytelling the acquisition of the exceptional story property Star Wars and discusses how Disney has brought the epic into the Disney Master Narrative by creating Galaxy s Edge in its US theme parks Krystina Madej s engaging portrayal of the long history of Disney s love affair with storytelling and technology brings to life the larger focus of innovation in creating characters and stories that captivate an audience and together with Newton Lee s detailed experience of Disney during the crucial 1995 2005 era when digital innovation in online and games was at its height in the company makes for a fast paced captivating read Disney Stories first edition explored the history of Disney both analog and digital It described in detail how Walt Disney used inventive and often ground breaking approaches in the use of sound color depth and the psychology of characters to move the animation genre from short visual gags to feature length films with meaningful stories that engaged audience s hearts as well as tickled their funny bones It showed Walt s comprehensive approach to engaging the public across all media as he built the Disney Master Narrative by using products books comics public engagements fan groups such as the Mickey Mouse club TV and of course Disneyland his theme park Finally it showed how after his passing the company continued to embrace Walt s enthusiasm for using new technology to engage audiences through their commitment to innovation in digital worlds It describes in detail the innovative storybook CD ROMs their extensive online presence the software they used and created for MMORGs such as Toontown and the use of production methods such as agile methodology This new edition provides insight on major developments in Disney films that moved

them into the digital world Swordsmen of the Screen Jeffrey Richards, 2014-03-26 This fascinating study of the genre of swashbuckling films received wide critical acclaim when it was first published in 1977 Jeffrey Richards assesses the contributions to the genre of directors designers and fencing masters as well as of the stars themselves and devotes several chapters to the principal subjects if the swashbucklers pirates highwaymen cavaliers and knights The result is to recall however fleetingly the golden days of the silver screen Reviews of the original edition An intelligent scholarly well written account of adventure films this work is sensitive both to cinema history and to the literary origins of the swashbuckler Essential for any library with books on film it may very well be the definitive book on its subject Library Journal **Disney Film Facts** Ethan Parker, AI, 2025-02-24 Disney Film Facts unveils the captivating world of Disney animated films revealing hidden depths within these beloved classics The book explores the intentional artistry and craftsmanship that have shaped culture and influenced generations Discover how subtle Easter eggs and hidden messages enrich the viewing experience and explore how discarded deleted scenes and alternate storylines shaped the final masterpieces The book reveals how Walt Disney Animation Studios has evolved and the artistic techniques behind instantly recognizable characters Consider the multiplane camera a groundbreaking invention that added unparalleled depth to animated scenes or the evolution of character design over decades Each chapter builds upon the last starting with an introduction to key animation principles and progressing through hidden messages deleted scenes and concluding with Disney s enduring legacy Through behind the scenes documentaries animator interviews and concept art archives this book provides a unique glimpse into the creative process It s a valuable resource for Disney enthusiasts film students animation fans and anyone eager to explore the magic behind these iconic movies offering a fresh perspective on the power of storytelling Disney A to Z: The Official Encyclopedia, Sixth Edition Steven Vagnini, Dave Smith, 2023-09-26 If you re curious about The Walt Disney Company this comprehensive newly revised and updated encyclopedia is your one stop guide Filled with significant achievements short biographies historic dates and tons of trivia worthy tidbits and anecdotes this newly updated collection covers all things Disney from A to Z through more than nine thousand entries and two hundred images across more than a thousand pages The sixth edition includes all the major Disney theme park attractions restaurants and shows summaries of ABC and Disney television shows and Disney series rundowns on all major films and characters the latest and greatest from Pixar Marvel and Lucasfilm key actors songs and animators from Disney films and shows and so much more Searching for more ways to celebrate Disney 100 Explore these books from Disney Editions The Story of Disney 100 Years of Wonder The Official Walt Disney Quote Book Walt Disney An American Original Commemorative Edition *The Disney Middle Ages* T. Pugh, S. Aronstein, 2012-12-10 For many the middle ages depicted in Walt Disney movies have come to figure as the middle ages forming the earliest visions of the medieval past for much of the contemporary Western and increasingly Eastern imagination The essayists of *The Disney Middle Ages* explore Disney s mediation and re creation of a fairy tale and fantasy past not to

lament its exploitation of the middle ages for corporate ends but to examine how and why these medieval visions prove so readily adaptable to themed entertainments many centuries after their creation What results is a scrupulous and comprehensive examination of the intersection between the products of the Disney Corporation and popular culture s fascination with the middle ages
