will find the stories and poems are not numbered I began writing short stories and poems before I started my book Then after a few stories I figured it would be a good way to write a book So this is it for good or ill and I am not an author with an extensive vocabulary by any stretch of the imagination I hope you ll forgive that They so I m told are quite interesting and easy reading Take them like vitamins one or two a day I hope you will laugh and cry and enjoy The stories poems musings and thoughts in this book are the product of but not limited to a lifetime of memories love life pain and laughter It is a labor of love in an effort to sing the praises of those that deserve it the most and not for the writer For it was the people that this work was dedicated to that I have to thank for almost all the memories If it weren t for the people there would be absolutely no need for writing this book

supposed to do with the rest of her life On her way to figuring it out her daughter suggested that she write a book about her life Don t worry about writing a best seller Mom Just write it from the heart Write it for your grandsons Five years later Ms Dube began writing this book the story of her life She tells the story of her life from the earliest recollections of childhood through the sometimes rough years of adulthood all with a few purposes in mind She wants to tell her grandsons about her history their history and to relate all her adult experiences some good some bad some easy some tough all with the purpose of showing them that they too are survivors like their Memere Her message Life may indeed be a roller coaster but nothing is impossible Somewhere along the line writing this book became Lorraine s therapy She began to make peace with and sense of the chronic pain that gripped her and kept her from leading the life she wanted the life she expected After all her golden years were supposed to be her happiest This b American Homoeopathist ,1885 **Billboard** ,1950-03-11 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Billboard** ,1926 **Billboard Music Week** ,1907 *One Soul's Journey* Louise V. and the cult She conquers her fears in order to provide a better life for her and her children Over the next 10 years Sophias family endures a journey of chaos and triumph as they fight to integrate back into society With little money they have to figure out how to live their new life At the same time Elizabeth shows them the important things in life knowing that you dont need money to have a loving home The family is determined to overcome tremendous hardship They have to adapt and survive as they are faced with emotional social and financial challenges Elizabeth teaches them strong will and that their circumstances are only temporary Sophias experiences are tragic during her younger years but inspirational as she grows into an adolescent and young adult Roller Skating for Gold David H.
