Sacred Manhood Sacred Earth:

Sacred Manhood, Sacred Earth Joseph Jastrab, Ron Schaumburg, 1994 A firsthand account of the vision quest explores the rituals meaning and impact of this contemporary rite of passage that lies at the heart of the men's movement discussing the impact of various cultural teachings on the rite and its influence on participants **Sacred Manhood, Sacred Earth** Joseph Jastrab, Ron Schaumburg, 1995 **The Politics of Manhood** Michael Kimmel, 2009 A much needed often startling debate on the personal and political dimensions of masculinity [The Hidden Spirituality of Men \(Volume 1 of 3\) \(EasyRead Super Large 24pt Edition\)](#) , [The Hidden Spirituality of Men \(Volume 1 of 2\) \(EasyRead Large Bold Edition\)](#) , [D.H. Lawrence](#) Dolores LaChapelle, 1996 This book will change the way you think about D H Lawrence Critics have tried to define him as a Georgian poet an imagist a vitalist a follower of the French symbolists a romantic or a transcendentalist but none of the usual labels fit The same theme runs through all his work beginning with his very first novel *The White Peacock* and ending with the last line of his final book *Apocalypse* Always it is nature He said this over and over again and no one especially those who feared the old ways of harmonious and balanced living on the earth understood him *Home Inside the Globe* Gail Straub, 2025-06-10 A memoir taking you to far flung places across the globe and the inner realms of the soul *Home Inside the Globe* takes its place beside some of the best travel memoirs but it stands on its own as a new kind of reading experience Gail Straub's writing is infused with the pace of a poet and the grace of a mystic Elizabeth Lesser cofounder of Omega Institute and author of *Broken Open* In a world run amuck with seemingly irreparable differences and conflicts Gail Straub's memoir offers an antidote As a seeker on pilgrimage across the Sahara with indigenous Tuaregs trekking off the beaten trail high in the Himalayas the intrepid Straub seeks out all that is different so that she can become whole As an activist Gail becomes immersed in Gorbachev era Russia and Deng Xiaoping era China She empowers sex workers in India and Syrian refugees in Jordan Here out beyond man made political borders she finds a boundless realm where we connect as human beings transcending nationality skin color gender socio economic status and religion *Home Inside the Globe* is an invitation to awaken as individuals so that we can fully participate in creating a better world for all people Gail Straub is the author of eight award winning books As the co founder of the Empowerment Institute she is a leading authority on women's empowerment where her work to help women heal from violence and lead productive lives has impacted several million people throughout Africa India and the Middle East gailstraub.com *Healing the Male Psyche* John Rowan, 2020-04-03 John Rowan argues that if men are to escape from their old roles and the new pressures of social uncertainty they need to be initiated into a new kind of masculinity but that this process must be personal to each man He explores how therapy can help or hinder the process of transformation Written for men who are looking for a new way of understanding their predicament as well as psychotherapists and counsellors working with men *Healing the Male Psyche* is packed with useful information and exercises and supported by a wide range of references *From Boys to Men* Bret Stephenson, 2006-10-25 A guide to

restoring the successful models used by ancient cultures the world over to raise adolescent boys Explains the negative effects of Western youth culture and how it can be transformed Offers instructions for integrating basic rites of passage into modern family life and youth programs For tens of thousands of years all across the globe societies have been coping with raising adolescents Why is it then that native cultures never had the need for juvenile halls residential treatment centers mood altering drugs or boot camps How did they avoid the high incidence of teen violence America is experiencing and how did they prevent their youth from relying on drugs and alcohol the use of which has become so prevalent in Western society In From Boys to Men Bret Stephenson shows readers that older cultures didn't magically avoid adolescence instead they developed successful rituals and rites of passage for sculpting teen boys into healthy young men From Aleutian Eskimos to Polynesian Islanders from tribal Africans to Australian Aborigines each culture found archetypal ways to initiate their boys into the adult community Stephenson explains the basics of rites of passage and offers insight into how to reintroduce these successful practices and traditional understandings into modern family life and programs for youth He discusses the damaging effects of our youth culture and the negative teen products that are fueled by corporate America and reveals how we can counteract these negative forces by using meaningful rites of passage to create a society with happy and healthy adolescent boys
