Earl Hamner James E. Person (Jr.), James E. Person, 2005 Since Spencer's Mountain I have followed Earl Hamner's career with much interest and much satisfaction having picked a winner Harper Lee author of To Kill a Mockingbird Earl Hamner one of America's best loved storytellers has never been the subject of a full length study Earl Hamner From Walton's Mountain to Tomorrow fills that gap A native Virginian Hamner once said Even though families are said to be shattered these days and God is said to be dead if people can revisit the scenes and places where these values did exist possibly they can come to believe in them again or to adapt some kind of belief in God or faith in the family unit or just getting home again This vision of what makes for a whole life permeates all of Hamner's work It is present in the novel Spencer's Mountain upon which The Waltons was loosely based and in his screenplays such as the work he is perhaps most proud of Charlotte's Web It is even present in such unlikely places as the eight scripts he contributed to the classic television series The Twilight Zone and the tales of cold blooded betrayal and boundless ambition depicted on Falcon Crest In Earl Hamner From Walton's Mountain to Tomorrow readers will discover the integrated nature of his career finding that there is no real conflict between the warm folksiness of The Waltons the offbeat fantasies of his Twilight Zone scripts the unscrupulous ethics displayed on Falcon Crest and the myriad other novels and scripts he has written and TV programs he has produced Instead readers will find that there is a pervasive theme running throughout Hamner's work that of a man forever taking a backward glance at his roots for direction in finding what makes life worthwhile Upon learning that this book was being written Hamner told one of his friends I can't imagine anyone wanting to read a book about me much less write one about me Readers of this book will find Hamner's doubts indeed misplaced They will also discover a delightful individual who has enjoyed a long accomplished career as a storyteller laboring for a worthy goal that posterity may know of an age and a people whose legacy has not through silence been permitted to pass away as if a dream John Williams Tim Greiving, 2025-08-01 John Williams is the most famous film composer of all time He wrote as many universally well known tunes as the Beatles or Beethoven if not more his themes for Jaws Star Wars Indiana Jones E T Jurassic Park and Harry Potter are beloved around the world by multiple generations This is the first major biography achieved with unprecedented access to Williams and new interviews with Steven Spielberg and Yo Yo Ma among many others **Filmed Television Drama, 1952-1958** William

Hawes,2002-01-09 This work examines the change from live to filmed television dramas during the period 1952 1958 and the characteristics and programs that are most associated with filmed television drama Along with many technical changes that had to be made in the industry in order to convert live television to filmed television came an interesting social one The American society in general was developing a growing interest in the lives of ordinary people and television moved with them offering more programs that concentrated on the middle and lower classes Because of the inherent qualities of filming television began to feature more documentary like realism began to broaden its interpretation of traditional romantic escapism to include more outer space and supernatural science fiction began to better fulfill materialistic desires through well designed enjoyable commercials and began to offer the best dramas and most popular personalities often leading viewers to greater self appreciation and richer lives This work focuses on the important anthology programs and specials that were on the air from 1952 to 1958 such as Kraft Television Theatre Philco Television Playhouse and The Hallmark Hall of Fame filmed serials like Colgate Theatre Amos n Andy and I Love Lucy and the challenges of converting from live to filmed television drama
