

Mozambique A Country Guide Third Edition

Sean Connolly, Philip Briggs

Mozambique A Country Guide Third Edition:

Mozambique Philip Briggs, 2017-08-14 This new seventh edition of Bradt's Mozambique remains the most established and only standalone guide to this alluring country. Complete with in-depth coverage of transport, wildlife, history, culture, and accommodation, plus invaluable practical advice and regional and local maps, this honest handbook will help you plan the perfect visit. Particularly useful is the selection of reputable local tour operators. Mozambique is very much a country of two halves. The tourism-savvy south offers palm-lined tropical beaches, luxury lodges, and diving to rank with the best in the world, plus the capital Maputo, a city oozing with Afro-Mediterranean flair. The undeveloped northern mainland, by contrast, is one of Africa's last frontiers, with thrillingly vast game reserves and stunning coastal panoramas that draw intrepid travellers to those hankering after barefoot luxury. With economy-boosting oil and natural gas potential on the horizon, Mozambique is on its way to reclaiming its standing as one of Africa's top destinations. However, despite being one of Africa's fastest-developing tourist countries, it still offers the opportunity to experience the quintessential Africa. Having once stood in the ranks with South Africa over twenty years of post-civil war development, and one of Africa's highest growth rates, are drawing tourists back to its 2 500km of pristine palm-fringed coastline. Best visited between May and October, Mozambique is dotted north to south with natural, historical, cultural, and architectural wonders, remnant of its varied and notable past history of exploration, trade, and cultural fusion. Highlights include the UNESCO world heritage site Ilha de Moambique, a 16th-century Arab and Portuguese trading post, ancient rock art at Chindamapere Hill, tea plantations, and an exploration of Mount Namuli from the highland mountain town of Guru, while the coast, home to more than 2 000 species of marine fish and five of seven endangered sea turtle species, boasts a plethora of delights from windsurfing in Pemba and surfing in Tofo to diving and snorkelling off the islands of Bazaruto Archipelago. Bazaruto National Park, not to mention some of the richest coral reefs in the world, home to over 1 200 species and five of seven endangered sea turtles. With in-depth coverage and practical advice for all budgets, the Bradt guide leads the way. The Natural History of Man ... Third edition, enlarged, etc James Cowles

Prichard, 1855 The Gambia Sean Connolly, Philip Briggs, 2024-01-30 Co-authored by regional expert Sean Connolly and Philip Briggs, the world's foremost guidebook writer on Africa, this third edition of Bradt's The Gambia remains the most comprehensive guide available to mainland Africa's smallest country. This new edition integrates recent developments from recently opened restaurants and hotels to the new roads and bridges that make circumnavigating the country easier than ever. The guide provides detailed coverage of ecolodges and camps, information on festivals, music, workshops, and opportunities to experience local culture, plus advice about birdwatching possibilities in a country popular with first-time birders to Africa. As well as encompassing popular coastal resorts, the guide provides information required to explore the relatively undeveloped interior and proposes excursions into neighbouring Senegal, making it ideal for visitors on organised holidays and independent travellers alike. Bradt's The Gambia reveals all the practical information needed to explore this

welcoming and safe country not for nothing is it nicknamed the Smiling Coast with its plethora of beach resorts catering to all tastes and budgets that line the 80km stretch of tropical coastline running from the capital Banjul to the remote southern border Small in size but rich in character The Gambia offers perhaps the closest English speaking winter sun destination from Europe Justifiably popular with birdwatchers the lush mangrove and jungle fringed River Gambia is also home to crocodiles hippos rehabilitated chimpanzees and various monkeys The Gambia offers rich heritage tourism for moderately adventurous travellers from the mysterious megalithic stone circles at Wassu and Ker Batch to fortified Kunta Kinteh James Island and the former slave trading village of Juffureh the heart of novelist Alex Haley's Roots country and part of two UNESCO World Heritage Sites And why not enhance your visit further by experiencing colourful local markets witnessing kankurang spirit masquerades or joining a kayak cruise from the sleepy river port of Janjanbureh or paying homage to The Gambia's inspiring journey towards democracy and reconciliation at Memory House All in all Bradt's The Gambia is the perfect companion for discovering this safe welcoming and tourist friendly English speaking country which provides an ideal short stay introduction to West Africa's unique atmosphere

SSC Junior Engineer Mechanical Recruitment Exam Guide 3rd Edition Disha Experts, SSC Junior Engineer Mechanical Engineering Recruitment Exam Guide 3rd Edition is a comprehensive book for those who aspire to excel in SSC Paper 1 and Paper 2 for Jr Engineer Mechanical post The book now comes with the thoroughly revised updated Technical section The book now contains 2016 2015 2014 Solved Papers The book has been divided into three sections namely Mechanical Engineering General Intelligence Reasoning and General Awareness each subdivided into ample number of solved problems designed on the lines of questions asked in the exam All the chapters contain detailed theory along with solved examples Exhaustive question bank at the end of each chapter is provided in the form of Exercise Solutions to the Exercise have been provided at the end of each chapter Solved Question paper of Another unique feature of the book is the division of its General Awareness section into separate chapters on History Geography Polity Economy General Science Miscellaneous topics and Current Affairs

Sierra Leone James Knight, Katrina Mason, Sean Connolly, 2017-11-27 This new thoroughly updated third edition of Bradt's Sierra Leone remains the only English language guide dedicated to this unique West African destination one of only three countries where the elusive pygmy hippo can be found and where coastal mountains and sheltered beaches are the stuff of daydreams and postcards With Bradt's Sierra Leone you can explore the infamous diamond mines and rainforest covered mountains go in search of pygmy hippos or relax on the country's beaches and islands Offering significantly more coverage than any other guide it is an ideal companion for tourists volunteers and international workers alike and also covers newly declared eco tourist sites as well as the trans boundary peace park of Gola Forest National Park shared with neighbouring Liberia This new edition also covers Freetown's new beach music festival as well as details of everything from where to visit rescued chimpanzees to touring the traditional wooden board homes of the Krio people descendants of repatriated slaves from the Americas and Europe Sierra

Leone continues to be one of the best beach destinations in West Africa and also one of the region's best trekking destinations given the varied topography and the presence of Mount Bintumani West Africa's highest peak. The country has seen a heartening recovery since emerging from civil war a decade ago and the Bradt guide is the first to take stock of the country's post Ebola travel situation. Sierra Leone is proudly back on the tourism map for the adventurous beach loving jungle exploring mountain scaling and curious of heart traveller.

Atlas of Travel Medicine and Health Jane Chiodini, Lorna Boyne, 2014-05-14 This third edition of the Atlas of Travel Medicine and Health provides the latest travel health information in a visual format that will aid the healthcare professional when discussing travel health and educating the traveler regarding the risks and precautions that should be considered before and during travel in disease risk areas. The authors have extensive experience in travel medicine and both are engaged in clinical practices in the field. Carefully drawn maps and icons provide much information at a glance in this attractive reference. The Atlas is organized around three sections: Section 1 General Travel Advice on topics such as water food personal hygiene accidents animal and insect bites parasitic infection sun and heat casual sex altitude and medical coverage and insurance; Section 2 Travel Related Diseases and Their Global Distribution for diseases such as malaria hepatitis A hepatitis B influenza cholera typhoid yellow fever meningitis schistosomiasis Bilharzia infection dengue polio Japanese B encephalitis tick borne encephalitis rabies and traveler's diarrhea and several more; Section 3 Country Specific Advice Maps and Weather which includes immunization recommendations malaria advice and precautions and other health considerations. Sections 1 and 2 are written with the healthcare professional in mind and Section 3 serves as a resource for both the professional and the traveler. The Atlas is filled with up to date easily accessed travel health information.

Regional Guide to International Conflict and Management from 1945 to 2003 Jacob Bercovitch, Judith Fretter, 2004-11-23 Regional Guide to International Conflict Management from 1945 to 2003 provides global regional and specific information on the over 350 international conflicts that have occurred since World War II. At the heart of the book are comprehensive regional sections each of which includes an essay providing regional context and highlighting the interrelation of countries and conflict in that area. Summaries of each conflict in the region arranged chronologically and covering history circumstances players management and outcome. References for further research. Introductory chapters examine global patterns and trends in international conflict and how conflict is managed including ethnic conflict and the expanded role of the United Nations. Tables figures maps and a comprehensive index round out this valuable resource. Regional Guide to International Conflict and Management from 1945 to 2003 gives readers the tools and content necessary for understanding and analyzing international conflict in today's world. Perfect for political science comparative government politics international relations and world history programs.
