**Frederick Vaughan, Osgoode Society
for Canadian Legal History**

Mr Attorney The Attorney General For Ontario In Court Cabinet And Legislature 1791 1899:

The Law Society of Upper Canada and Ontario's Lawyers, 1797-1997 Christopher Moore, 1997-12-15 At the end of the eighteenth century when ten lawyers gathered in what is now Niagara on the Lake to form the Law Society of Upper Canada they were creating something new in the world a professional organization with statutory authority to control its membership and govern its own affairs Today s Law Society of Upper Canada with more than 25 000 members still wields these powers Marking the bicentennial of the society s foundation Christopher Moore s history begins by exploring the unprecedented step taken in 1797 and follows the evolution of lawyers work and the idea of professional autonomy through two hundred years of growth and change The Law Society of Upper Canada and Ontario s Lawyers is a broad ranging story of the growth and development of the Law Society and the legal profession from the days when horseback barristers travelled the backwoods by horseback through the reforms of the late nineteenth century to the period of reaction between the two world wars and the long struggle of women and minorities for access to and equity in the legal profession Writing in a style that is scholarly as well as entertaining Moore traces to the present a story rich in personalities and shows how after a period of tremendous growth and change questions of governance legal aid and practice insurance triggered a series of crises that rocked the society to its foundations This is the first study to be based on full access to the society s two hundred years of historical records Moore who has organized his research into themes and periods to illuminate the story also includes new material on the lives and careers of Ontario lawyers and on the place of the Law Society in professional and public life Readable and extensively illustrated The Law Society of Upper Canada and Ontario s Lawyers shows that such issues as professional autonomy and the internal organization at the forefront of debate at the society s inception continue to dominate discussions today *Crime and Punishment in Upper Canada* Janice Nickerson, 2010-09-20 Crime and Punishment provides genealogists and social historians with context and tools to locate sources on criminal activity and its consequences during the Upper Canada period of Ontario s history through engravings maps charts documents and case studies **Canadian State Trials, Volume I** Frank Murray Greenwood, Barry Wright, 1996-12-15 State trials reveal much about a nation s insecurities and shed light on important themes in political constitutional and legal history In Canada perceived and real threats to the state have ranged from dissent disaffection and the emergence of threatening ideologies to insurrection riot violent protest and military invasion The Canadian State Trials series will explore the role of the law in regulating such threats from the period of early European settlement to 1971 The first volume and the planned series as a whole present a great deal of new material by prominent Canadian historians and legal scholars Although certain Canadian political trials and security crises have received scholarly attention in the past there has never been a comprehensive and systematic examination of the country s surprisingly rich record in this area The eighteen essays in Volume I examine this record for the period 1608 1837 covering proceedings in New France the four Atlantic colonies the Old Province of Quebec

and the two Canadas They highlight security law during the American revolution the wars against revolutionary Napoleonic France and the War of 1812 comparative treason law and the trials of David McLane Robert Gourlay Francis Collins and Joseph Howe among others The essays which extensive use of primary sources the most illuminating of which appear in a documentary appendix place the examination of the law and its administration during these events in socio political and comparative context **Magistrates, Police and People** Donald Fyson, Osgoode Society for Canadian Legal

History, 2006-01-01 Based on extensive research in judicial and official sources Donald Fyson offers the first comprehensive study of the everyday workings of criminal justice in Quebec and Lower Canada Focusing on the justices of the peace and their police Fyson examines both the criminal justice system itself and the system in operation as experienced by those who participated in it Fyson contends that although the system was fundamentally biased its flexibility provided a source of power for ordinary citizens At the same time the system offered the colonial state and its elites a powerful though often faulty means of imposing their will on Quebec society This study will challenge many received historical interpretations providing new insight into criminal justice in early Quebec Aggressive in Pursuit Frederick Vaughan, Osgoode Society for Canadian

Legal History, 2004-01-01 Few people have had a greater impact on the lives of Canadians than the late Supreme Court judge Justice Emmett Hall At the forefront of several important judgements in the 1960s and 70s such as Truscott and Calder Hall is perhaps best known for his role in the adoption of universal health care at the federal level in 1968 Based on extensive interviews with Hall and people who knew him Frederick Vaughan's Aggressive in Pursuit tells Hall's remarkable story Born in Quebec in 1898 and raised in Saskatchewan Hall had a long and distinguished career as a lawyer In 1957 former law school classmate Prime Minister John Diefenbaker appointed Hall to the Saskatchewan Court of Queen's Bench and four years later to the office of Chief Justice of Saskatchewan In 1963 Diefenbaker elevated Hall to the Supreme Court of Canada where he took up the task of universal health care and showed himself to be an aggressive defender of native causes Aggressive in Pursuit traces Hall's career from his earliest days of private practice in Saskatchewan to the end of his career and death in 1994 It shows how one prairie lawyer made a difference in the life of Canada *Bora Laskin* Philip

Girard, 2015-01-15 In any account of twentieth century Canadian law Bora Laskin 1912-1984 looms large Born in northern Ontario to Russian Jewish immigrant parents Laskin became a prominent human rights activist university professor and labour arbitrator before embarking on his accidental career as a judge on the Ontario Court of Appeal 1965 and later Chief Justice of Canada 1973-1984 Throughout his professional career he used the law to make Canada a better place for workers racial and ethnic minorities and the disadvantaged As a judge he sought to make the judiciary more responsive to modern Canadian expectations of justice and fundamental rights In *Bora Laskin Bringing Law to Life* Philip Girard chronicles the life of a man who at all points of his life was a fighter for a better Canada he fought antisemitism corporate capital omnipotent university boards the Law Society of Upper Canada and his own judicial colleagues in an effort to modernize institutions and

re shape Canadian law Girard exploits a wealth of previously untapped archival sources to provide in vivid detail a critical assessment of a restless man on an important mission

The Rule of the Admirals Jerry Bannister, Osgoode Society for Canadian Legal History, 2003-01-01 Jerry Bannister's *The Rule of the Admirals* examines governance in Newfoundland from the rule of the fishing admirals in 1699 to the establishment of representative government in 1832. It offers the first in-depth account of the rise and fall of the system of naval government that dominated the island for more than a century. In this provocative look at legal culture in eighteenth and nineteenth century Newfoundland, Bannister explores three topics in detail: naval government in St. John's surrogate courts in the outports and patterns in the administration of law. He challenges the conventional view that early Newfoundland was a lawless frontier isolated from the rest of the Atlantic world and argues that an effective system of naval government emerged to meet the needs of those in power. An original and perceptive work, Bannister's argument demands that we reconsider much of our knowledge of early Newfoundland history. As he re-examines governance prior to an elected assembly and places his analysis firmly within the material conditions of Newfoundland society, Bannister provides a groundbreaking reinterpretation of a critical period in the island's colonial development. Ultimately, *The Rule of the Admirals* sheds light on one of the most misunderstood chapters in Canadian and British colonial history.

Courted and Abandoned Patrick Brode, 2002-12-15 A pregnancy outside of marriage was a traumatic event in frontier Canada, one that had profound legal implications not only for the mother but also for the woman's family, the alleged father, and for the entire community. Patrick Brode examines the history of the heartbalm torts in nineteenth century Canada: breaches of duty leading to liability for damages for seduction, breach of promise of marriage, and criminal conversation that were part of the inherited English law and were a major feature of early Canadian law. Encompassing all ten Canadian provinces, Brode's study examines the court cases and the communities in which they arose. He illustrates the progression of these heartbalm actions as women gained more and more autonomy in the late nineteenth century until questions arose as to the applicability of these feudal remedies in a modern society. He argues that the heartbalm cases are a testament to how early Canadians tried to control sexuality and courtship, even consensual activity among adults. In mixing legal and social issues and showing how they interact, *Courted and Abandoned* makes a significant contribution to legal history, women's studies, and cultural history.

Searching for Justice Fred Kaufman, Osgoode Society for Canadian Legal History, 2005-01-01 The Honourable Fred Kaufman has been a distinguished figure in Canadian law for a half century. Born into a middle class Jewish family in mid 1920s Vienna, Kaufman escaped to England on the eve of the Second World War. In 1940 he was interned as an enemy alien and sent to Canada. Released in 1942, Kaufman stayed in Canada where he went on to university and law school in Montreal. Kaufman was called to the Bar of Quebec in 1955 and practiced criminal law for eighteen years, taking part in many of the famous cases of that period. In 1960 he secured the release of a young Pierre Elliott Trudeau from prison, and in 1973 Trudeau returned the favour by personally informing Kaufman of his appointment to the Quebec Court of Appeal.

where he served for eighteen years including one as Acting Chief Justice of Quebec Since his retirement in 1991 Kaufman has led numerous commissions and inquiries most notably the investigation into the wrongful conviction of Guy Paul Morin and the two year reassessment of the Steven Truscott case Searching for Justice is Kaufman s remarkable story in his own words It is the tale of adversity overcome in a crucial period of Canadian legal history

A History of Canadian Legal Thought R. C. B. Risk, Osgoode Society for Canadian Legal History, 2006-01-01 This volume in the Osgoode Society s distinguished series on the history of Canadian law is a collection of the principal essays of Professor Emeritus R C B Risk one of the pioneers of Canadian legal history and for many years regarded as its foremost authority on the history of Canadian legal thought Frank Scott Bora Laskin W P M Kennedy John Willis and Edward Blake are among the better known figures whose thinking and writing about law are featured in this collection But this compilation of the most important essays by a pioneer in Canadian legal history brings to light many other lesser known figures as well whose writings covered a wide range of topics from estoppel to the British North America Act to the purpose of legal education Written over more than two decades and covering the immediate post Confederation period to the 1960s these essays reveal a distinctive Canadian tradition of thinking about the nature and functions of law one which Risk clearly takes pride in and urges us to celebrate
