gatekeepers those officials who guard the pathways to power on whom Putin depends as much as they rely on him The tenuous edifice is filled with all of the intrigue and plotting of a Medici court as enemies of the state are invented and wars begun to justify personal gains internal rivalries or one faction's biased advantage A bestseller in Russia All the Kremlin's Men is a shocking revisionist portrait of the Putin era and a dazzling reconstruction of the machinations of courtiers running riot **LIFE**, 1954-02-15 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use
