CATECHISM Many books that introduce a religious sect either get you so pumped up that you are in danger of exploding Others are so dry that you seriously consider imploding before you get to the third chapter This isn't like that Expect the story of a man from California who took a journey toward God He tells you about his journey warns you about some of the pitfalls he found and invites you to join him on a spiritual quest In a nutshell Old Catholics are something like Roman Catholics but without the Inquisition They have all the sacraments Yes there are women priests and bishops Yes there are openly gay priests and bishops Some members are pro life while others are pro choice Don't let anybody pull the pallium over your eyes because that is the way ancient Christianity used to be everywhere You are in store for a wonder filled spiritual journey
