Bruner,2010-08-01 When it comes to religion the most respected voice of the past decade is not a pastor evangelist priest or rabbi She is a warm articulate woman whose presence dominates daytime television and grocery store checkout stands Her influence has propelled little known authors into best selling millionaires and spawned a media empire worth billions Oprah s name and image are instantly recognized by millions of adoring fans who view her as a long term friend and trusted spiritual mentor But many have become troubled that Oprah seems less and less tolerant of her childhood faith and has begun celebrating a Jesus very different than the God Man of her Sunday school lessons Oprah s Jesus leverages the enormous popularity of Oprah Winfrey to explore the rise of generic spirituality rooted in personal preference versus transcendent beliefs rooted in historic Christian orthodoxy      **The Art of Flourishing** Jeffrey B. Rubin, PhD,2011-06-07 We all want more love in our lives especially when the world requires more from us every day Lasting intimacy a close and enduring relationship with someone we love who cherishes us is an indispensable source of strength resilience and hope one that we especially turn to in challenging times But too often being in an intimate relationship means we have to compromise or lose vital aspects of ourselves How can we avoid sacrificing our own self care to get the love we want In this original surprising and deeply revealing exploration of the self and relationships Dr Jeffrey Rubin brings the art of flourishing to life The idea is startlingly simple self care is the foundation of intimacy and intimacy is the culmination of self care The Art of Flourishing provides the reader with the tools necessary to thrive to live a life of meaning passion and fulfillment An expert on both Eastern meditative and Western psychotherapeutic traditions Dr Rubin draws on the best practices of each to create a new and accessible path to living authentically His unique synthesis provides a remarkably lucid guide for handling our emotions wisely discovering our purpose and uncovering barriers to intimacy the hidden emotional weeds that kill passion such as conflicts over communication and power boundaries and sexuality Drawing from case examples and personal experiences Rubin explains how to remove these obstacles to nurture empathy and mutual respect Creating and cultivating a garden of love enables us to grow as individuals and nourish our connections with others It widens our horizon of possibility deepens our humanity and helps us flourish which is a priceless gift to the world      *The Story of Christian Spirituality* Gordon

Gay Perspective Edwin Clark Johnson,Toby Johnson,2008 In this companion volume to his critically acclaimed Lambda Literary Award winning book Gay Spirituality Toby Johnson further explicates his visionary stance that gay people s nature as outsiders gives them a uniquely powerful perspective on the nature of God and religion By living outside gender norms gay people are more open to seeing across boundaries of gender and gain access to a less dualistic outlook on the nature of life Once again Johnson approaches this potentially controversial subject matter with erudition empathy and visionary speculation and gives meaning to gay consciousness beyond superficial issues of sexual behavior

Spiritual Perspectives on Globalization (2nd Edition) Ira Rifkin,2013-03-21 What is globalization anyway What are spiritually minded people on all sides of the issue doing and saying about it The economic and cultural dynamic of globalization is transforming the world at an unprecedented pace But what exactly is it What are its origins What is its impact on our spiritual lives This lucid introduction surveys the religious landscape explaining in clear and nonjudgmental language the beliefs that motivate spiritual leaders activists theologians academics and others involved on all sides of the issue Included are the points of view of Bah s Buddhists Earth based and tribal religions Hindus Jews Muslims Protestants Roman Catholics Unlike other books on this controversial issue this easy to read introduction won t tell you what to think it gives you the information you need to reach your own conclusions As important as economics may be it is not as the great religions stress the full measure of humanity There is also connection to self to others to the ingrained values that have sustained cultures for generations and millennia and to the belief in transcendence that gives it all meaning In the end what unnerves people most about globalization including many in the West who may fairly be said to be on the winning side economically that is of the process so far is the threat it poses to that which is most precious to a life of satisfaction our sense of meaning from the Conclusion
