**Near Death Experiences and Sacred Scripture** Douglas Charles Hodgson,2024-08-30 Near Death Experiences and Sacred Scripture The Parallel Messaging examines striking similarities and parallels between messaging found in accounts of those who have written about

their near death experiences and in accounts contained in the sacred scriptures of the world's great religions. This symmetrical and mutually reinforcing messaging is timeless in nature and is arguably more relevant today than in any previous period in human history as humanity continues to face existential threats to its survival. In an era of rampant materialism and consumerism, armed conflict, environmental degradation, species extinction, global warming, as well as an obsessive preoccupation with self rather than others and a devaluation of the life's sanctity, it's timely to spark a revived interest in and knowledge of God and the afterlife and in seeking answers to life's larger religious, spiritual, philosophical, and metaphysical questions. This book will provide assurance and solace to those who are terminally ill or fear the death of their physical body, for those who are suffering a difficult bereavement, and for those who feel lost and confused about the meaning and purpose of life and what lies ahead of them.

**Living Beyond** Ivan Rudolph, 2019-04-17. What happens when we die? This is one of humankind's most important questions. *Living Beyond* brings a fresh and exciting perspective to this enduring question. Ivan Rudolph shares dramatic evidence supporting near death experiences. This book is expertly written, remarkably easy to read, and enthusiastically recommended. Jeffrey Long, M.D., founder of the Near Death Experiences Research Foundation, author of the New York Times bestseller *Evidence of the Afterlife: The Science of Near Death Experiences*. What are Near Death Experiences (NDEs) and how do they fit in with Christianity? For over 40 years, the author, Ivan Rudolph, has been conducting interviews, studying hundreds of accounts, and now has clarity about this mysterious phenomenon. The truth is surprising, exciting, and ultimately relevant for everyone. Did you know that there are at least 16 million Americans who have had an NDE, including celebrities like Goldie Hawn, Sharon Stone, Elizabeth Taylor, Nikki Sixx, Burt Reynolds, and many others? Did you know that they are a part of a huge family of 350 million returnees alive today? The problem is many returnees remain confused about their experience. They fear they will never feel normal again, and seeking empathy seems impossible from loved ones that don't understand. This is not only a guide to help the confused, traumatized, and sometimes depressed returnees incorporate their experiences successfully back into their relationships and life on earth. The thoroughly researched text will help families and loved ones to provide support and understand what the returnee is going through. Very well presented with substantial, solid evidence, well explained point by point. From an Orthodox viewpoint, its theology is sound.

Father John D. Alton, Orthodox Priest. **American Book Publishing Record**, 1995. **Gifts of the Desert** Kyriacos C. Markides, 2007-12-18. In Kyriacos C. Markides's newest book, *Eastern Orthodox mysticism meets Western Christianity*, as the internationally renowned author takes readers on a deep journey back in time to unveil the very roots of authentic spirituality. In his previous book *The Mountain of Silence*, Markides introduced us to the essential spiritual nature of Eastern Orthodoxy in a series of lively conversations with Father Maximos, the widely revered charismatic Orthodox bishop and former abbot of the isolated monastery on Mount Athos. In *Gifts of the Desert*, Markides continues his examination of Eastern Orthodox mystical teachings and practices and captures its living expression through visits to monasteries and hermitages in Greece.

and America and interviews with contemporary charismatic elders both male and female Markides's pursuit of a deeper understanding of Orthodoxy takes him to the deserts of Arizona and a stay at a new monastery in Sedona to the island of Cyprus and a reunion with Father Maximos on a pilgrimage to holy shrines aboard a cruise ship in the Aegean Sea and finally to the legendary Mount Athos home to more than two thousand Orthodox monks Markides relates his journey and reflections in a captivating style while providing important background material and information on historical events to give readers a highly accessible in depth portrait of a tradition little known in the West Gifts of the Desert will appeal to a wide range of people from Christians seeking insights into their religion and its various expressions to scholars interested in learning more about the mystical way of life and wisdom that have been preserved on Mount Athos since the fall of the Byzantine Empire and the Great Schism that separated the Eastern and Western Churches Perhaps most important however is the bridge it offers contemporary readers to a Christian life that is balanced between the worldly and the spiritual In Search of Truth and Freedom Dietmar Rothe, 2000
