Mountain Pathways, 1912 *Pathways to Anarchism* Philip Edwards, 2018-12-20 First published in 1997 this volume challenges the belief that possessive individualists need states to restrain them from trespassing on the natural rights of others or from harming themselves and questions whether anarchy can be sustained to accommodate the long term self interests of possessive individualists Issues discussed include Hobbes response to the Foole Libertarian Anarchism and the inevitability of a minimal state in anarchist society along with tactics to avoid large wealth differentials

War Power Philip Gould, 2024-09-10 What happens if we reconsider the literature of the Civil War North in light of the transformation of the federal state's power While literary scholarship about the Civil War has more generally focused on the rise of wartime nationalism Philip Gould looks particularly at how literary works engage the subjects of censorship propaganda and the reconfigured meanings of loyalty and treason at a time of political crisis During the war the Lincoln Administration shut down opposition newspapers and curtailed free expression and civil liberties protected by the US Constitution Lincoln also suspended the writ of habeas corpus to deal with political dissenters and try to control public opinion Early in the war he coined the phrase war power to describe the presumed powers to address this crisis his policies became controversial throughout the conflict *War Power Literature and the State in the Civil War North* considers literary production in this total war that radically changed the federal government's and its military's relation to traditional norms and spaces of private domestic and social life Each chapter focuses on a major writer in the Civil War North's engagement with questions of identity affect and affiliation Could one love the Union as one loved home and family What were the implications for literary expression in the midst of a political culture being reshaped by censorship and propaganda The final two chapters address the role and plight of African Americans in the Civil War and its aftermath focusing particularly on African American military

service as the supposed means by which racially disenfranchised Americans might become citizens **Path Of The Broken** Catherine M Walker, 2019-06 The sword has fallen The trio of friends are scattered to the winds Apart Despairing Broken Alex finds himself lost and alone victim of dark surges of power and alarming gaps in his memory Jess has found a mentor in a faraway land of mystery but struggles with her wayward emotions Kyle fights against bonds not of his own making and as he regains control finds he has none Still the powers arrayed against our heroes march on furthering their plan to plunge the world into chaos Some who appear to be allies may pose threats beyond imagining The ancestor elders of the trio keep secrets of their own A Healer comes to the royal court to assist the Consort Elect but where does her true allegiance lie In the most sacred halls of Vallantia a traitor hides in plain sight spinning webs of compulsion and control against which even our heroes will not be immune Beyond that the Killiam Order is set to rise once more from the ashes As the noose tightens and the conspiracy is picked apart bit by bit our heroes may just find more than they bargained for But the traitors hiding in the shadows won't sit idly by while their plans are unravelled and soon strike at the heart of the kingdom in retribution In this new chapter of The Being of Dreams epic fantasy series follow our heroes as they tread the path of the broken continuing their struggle against the Sundered madness and the dark conspiracy that feeds it **NIV, Pathways Bible**

Zondervan, 2012-05-22 Remember as a kid how fun it was to read a book in which you could choose your own adventure The paths were endless every page offered a new discovery While the Bible is one unchanging story comprised of many smaller stories it doesn't mean you have to read it the same way every time Often it's hard to know where to start which path is best for me The NIV Pathways Bible offers you multiple ways to enter into God's Word Maybe you want to spend 30 days getting to better know Jesus Or maybe you want to read the more obscure parts of the Bible the not so famous stories There are 20 of them provided for you Have you ever thought about reading through the entire Bible in a year A reading plan for doing so is in this Bible too And if that seems too intimidating try the 60 day overview of the Bible The NIV Pathways Bible has so many options that you'll find fresh new ways to enter into God's Word so that his Word can enter into you **Pathways to**

Thibert, 2019-09-24 For the colonies of Mennonites living in the fertile prosperous part of Russia known as the Ukraine in the early twentieth century life was idyllic Paradise some called it The moderate climate lush fields of grain abundant orchards and steppes of waving grass afforded them a comfortable and for some even wealthy life style Their belief in non resistance was never challenged and no distant sign of turmoil intruded itself into their awareness the future looked endlessly bright and sunny It all changed with the beginning of WW1 the Russian Revolution and Civil War The fictional Schroeder Boldt and Lentz families are caught in the middle of warring factions which range back and forth over their peaceful villages bringing destruction famine disease and death to their door Also caught in the strangling net of revolution is Ivan a young Russian orphan whose future rests in
