Independent Agencies**

Patient Hotels An Quality Alternative To Ward Care:

Patient Hotels A. D. Partridge, NHS Management Executive. Value for Money Unit, 1992-01-01 The purpose of this report is to identify the potential benefits and constraints of accommodating suitable patients in a patient hotel as an alternative to a hospital ward and to assist managers and clinicians in deciding whether to invest in such facilities The key conclusions of the report is that where a patient hotel can be justified and has the support of clinicians it provides a quality alternative to ward care and benefits both patients and the hospital If satisfactory levels of utilisation are achieved it will also save up to 45 per cent of the hotel costs incurred on conventional wards The report draws on the operational experience of the patient hotel at University Hospital Lund in Sweden There are no operational patient hotels in the UK so the report looks at the circumstances in which plans for patient hotels are going ahead in the UK and provides some examples of local progress Alternatives to patient hotels are also examined including wards or hostels which have been adapted by some NHS hospitals to cater for certain groups of low dependency patients

Ward Layouts with Single Rooms and Space for Flexibility NHS Estates, 2005-07-15 This report is the result of a three year programme of research which examines the benefits of single rooms in acute hospital accommodation and establishes the minimum space requirements around the hospital bed It will underpin the updating of HBN 4 currently in progress The main issues addressed are contributing to control of healthcare associated infections complying with the Disability Discrimination Act 1995 meeting the needs of the Manual Handling Operations Regulations 1992 particularly with regards to lifting patients meeting the needs of patient privacy and choice The report seeks affordable solutions encompassing all these issues It concludes that single rooms provide considerable benefits for patients clinicians and NHS trusts through helping in infection control reducing the risk of adverse clinical errors allowing privacy and providing flexibility with the potential for increased capacity

Journalism Workbook Brendan Hennessy, 1995-05-04 Using practical assignments the authors take each area of journalism and demonstrate the world which awaits journalists in the early years of their careers Each of the assignments spins off a number of tasks which are presented to the reader in the form of briefings and can be used as a basis for further study Notes and references are provided with each of the tasks to guide the student and help them understand fully each area of practice There are also exercises on page planning and design Workshop projects and study programmes outline ways in which students and trainees in groups or singly can analyse newspaper content build up readership profiles and consider different methods of practice social and political attitudes to the media press regulations and press economics This book will also be an invaluable purchase for students using distance learning packs

Hospital Policy in the United Kingdom Anthony John Harrison, Sally Prentice, 2018-01-16 Harrison and Prentice aim to provide a source of reference and reflection for those who are concerned with the planning of hospitals themselves or who are concerned with the health care delivery system as a whole The authors set out a detailed framework for analyzing hospital services in relation to other providers based on clinical

quality costs of provision and access The book also contains a series of recommendations for action **Patient Hotels: a Quality Alternative to Ward Care**, 1992 **The Hospitals & Health Services Year Book and Directory of Hospital Suppliers**, 1994 HMSO Annual Catalogue Great Britain. Her Majesty's Stationery Office, 1986 **Government Publications** Great Britain. Her Majesty's Stationery Office, 1994 **Quality & Consumer Satisfaction in Tourism** Uterius Bailey, 2019-05-15 **Hospitals and Nursing Homes** Syed Amin Tabish, 2021-07-02 **Patient Safety, Law Policy and Practice** John Tingle, Pippa Bark, 2011-03-02 Patient safety is an issue which in recent years has grown to prominence in a number of countries political and health service agendas The World Health Organisation has launched the World Alliance for Patient Safety Millions of patients according to the Alliance endure prolonged ill health disability and death caused by unreliable practices services and poor health care environments At any given time 1.4 million people worldwide are suffering from an infection acquired in a health facility Patient Safety Law Policy and Practice explores the impact of legal systems on patient safety initiatives It asks whether legal systems are being used in appropriate ways to support state and local managerial systems in developing patient safety procedures and what alternative approaches can and should be utilized The chapters in this collection explore the patient safety managerial structures that exist in countries where there is a developed patient safety infrastructure and culture The legal structures of these countries are explored and related to major in country patient safety issues such as consent to treatment protocols and guidelines complaint handling adverse incident reporting systems and civil litigation systems in order to draw comparisons and conclusions on patient safety *Oxford Textbook of Inpatient Psychiatry* Alvaro Barrera, Caroline Attard, Rob Chaplin, 2019-05-30 Inpatient mental health care is an essential part of community based mental health care in the UK Patients admitted to acute mental health wards are often experiencing high levels of distress and acute mental illness and need to be assessed managed and treated by a wide team of mental health care professionals Inpatient care is often a traumatic experience for patients and their relatives which can define their relationship with mental health care services Reforming inpatient psychiatry is a priority for both patients and staff yet there are few reference texts on this psychiatric specialty The Oxford Textbook of Inpatient Psychiatry bridges this gap by offering a comprehensive and pragmatic guide to the UK's inpatient mental health care system today Written and edited by a multidisciplinary team this innovative resource discusses the real life experiences and challenges of a wide range of professionals working on acute mental health wards Organized into 8 sections this resource covers nursing team leadership multidisciplinary work psychology and medical aspects Individual chapters address key topics such as the management of children and adolescents and contain information on up to date research and best practice Focusing on the dignity and autonomy of patients this unique resource offers a model for clinical and organizational practice both at a national and international level **Oxford Desk Reference: Acute Medicine** Richard Leach, Kevin Moore, Derek Bell, 2016-06-02 In this era of evidence based medicine one of the biggest challenges confronting acute medicine clinicians is

keeping abreast with the rapidly changing recommendations that guide clinical practice Oxford Desk Reference Acute Medicine allows easy access to evidence based materials on commonly encountered acute medical problems to ensure the optimum management of the acutely unwell patient Collating all the research based guidelines and protocols in one easily accessible place and presenting it in a uniform style this practical book is hugely advantageous for a busy clinician as it is not always easy to access research based guidelines and protocols when needed in the clinic The book is designed so that each subject forms a self contained topic in its own right This makes the information simple to find read and absorb so that the book can be consulted in the clinic or ward setting for information on the optimum management of a particular condition Edited by three experts in acute medicine this book should never be far from the acute medicine clinician's side

Securing Access to Health Care: Appendices empirical, legal, and conceptual studies United States. President's Commission for the Study of Ethical Problems in Medicine and Biomedical and Behavioral Research, 1983

Quality of Life and Mental Health Services Keith Bridges, Dr Peter Huxley, Peter Huxley, Hadi Mohamad, Joseph Oliver, 2005-10-05 This book is about the lives of patients about the health and social care services provided to help them and about ways of examining the impact these services make on them Based on the authors experience of using and developing a particular operational measure the Lancashire Quality of Life Profile which has been used successfully in many different studies and countries it provides managers and practitioners in mental health with valuable normative data insights and ideas about the role of QOL in service evaluation

Textbook of Rapid Response Systems Michael A. DeVita, 2025-01-15 The latest edition of this text is the go to book and most authoritative source on Rapid Response Systems RRS Now in its fully revised and expanded third edition Textbook of Rapid Response Systems remains the best selling and most comprehensive book on the topic The new edition contains over fifty chapters written by world renowned experts in the field and over fifty percent new material An entire new section of ten chapters was added on pediatric Rapid Response Systems which includes important how to chapters on managing critical situations during pediatric rapid response calls The previous edition had increased attention paid to patient safety and this edition expands that work The utility of Rapid Response Systems for the management of dying patients has been questioned while at the same time there has been an increased knowledge base in the field As a result this edition contains two chapters on management for dying patients for those patients with and those without not for resuscitation orders This helps guide clinicians who are often ill prepared medically and emotionally as they care for this important population of hospitalized patients Written by experts in the field this new edition is a valuable resource for medical practitioners nurses respiratory caregivers safety experts and hospital administrators who want to implement and improve a rapid response system

Designing the Patient Room Sylvia Leydecker, 2017-05-22 Interior architecture is the main factor in creating pleasant environments for in patient healthcare Whether in paediatric or geriatric wards economic efficiency patient well being and staff satisfaction are increasingly the focus of treatment healing and healthcare concepts

around the world Well designed interior architecture concepts for patient rooms can benefit the patient s process of recovery and through its atmosphere and functionality improve the quality of the hospital experience This book explores the design of the patient room as a core part of healthcare environments It describes the different design components such as material colour light and surface finish and addresses the needs of hygiene and the specific challenges presented by demographic change and digitisation as well as workflow issues and economic efficiency Fourteen international case studies illustrate these design principles **Buildings and Society** Anthony D. King, 2003-10-04 First Published in 1984 Routledge is an imprint of Taylor Francis an informa company Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations for 1997: Court of Veterans Appeals, Department of Veteran Affairs United States. Congress. House. Committee on Appropriations. Subcommittee on VA, HUD, and Independent Agencies, 1996

Establishing a Geriatric Service Davis Coakley, 2024-05-10 By the early 1980s industrialised countries had experienced a dramatic increase in the number of people who survive into old age The provision of a high standard of health care for these elderly citizens is one of the major challenges facing health services throughout the world Originally published in 1982 in this book experts describe the geriatric services in Britain at the time a country which had pioneered developments in this field over the previous thirty years Much of the practical knowledge required to establish a service is outlined and the underlying philosophy is also discussed The material covered includes the historical development of the services operational policies the team approach orthopaedic and psychiatric services for the elderly and the social aspects of care There is also a chapter dealing with the importance of education and research in this field Unique in its approach this book would have been of considerable value to those seeking to establish a geriatric service or to improve an already established service Today it can be read in its historical context
